American League for the Defense of Jewish Rights

1933 - 1936
First Monday rally of the Prex
Women's Division of the Anti-Nazi League for the Defense
of Jewish Rights was held Wednesday afternoon
Nov. 29, 1933, under the leadership of Mrs. Edna
Craw and Mrs. Louis Myers.

The purpose was to acquaint the ladies
with the conditions which confront all the
Jewish people as well as all the women in
Hitler's Germany today, and to write in protest
against these outrages through a well-organized
boycott of all German-made merchandise and
delivery of all German ships until such time as Hitler
will see fit to put the clock forward again to
1933.

Mrs. Edna Crane presided, calling first
upon Mrs. J. B. Price, who accompanied by
opened the meeting with the Star-Spangled Banner,
followed by the "Hatikvah." This was a very
impressive beginning of a very interesting
afternoon.

Mrs. Mark Harris, the National
Chairwoman of the Women's Division, then outlined
in detail some of the hideous offenses
against any people in Germany and the
purpose of the League to keep combat them.
Dr. Anna Hochfelder was the next speaker and she too very ably gave a vivid description of the Netherlands and its tactics.

The great speaker of the meeting was Rabbi Kritz who delivered a masterful oration on unity and brotherhood of the Jewish race, laying stress upon the words "and when a Jew is perished on the other side of the ocean the hearts of his brother Jews then break" also described the medieval historians of Germany today and convinced those present that the only effective weapon with which to strike Hitler is thru the pocket book, the boycott. She also stressed the importance of being well organized to check the Nazis which already is rampant in this country.

Mrs. Myers urged the ladies to unite in the boycott of German merchandise and in a boycott on all stores which profit in handling and displaying German merchandise.

Questions on the floor were answered by Mrs. Harris who also called for membership.
to the League. The dues were to be $2.00 per year to make it possible to have a large membership. The following women enrolled and paid their dues. Twenty-five dollars was collected and turned over to the American League for Defense of Jewish Rights by Mrs. Myers. The new members are:

When the meeting was adjourned, the Mrs. Harris, Cane & Myers had something to be thankful for, a promising nucleus of intelligent sympathizers toward a very important cause. It is hoped that this little stream will branch out into a mighty ocean which will draw the wind of progress of a peace-loving race as is ours.

The second Brant meeting of the League was called to order at 2:45 PM at the home of Mrs. Myers, 1605 Walton Ave, Jan. 17, 1934.

Acting as Chairman, Mrs. Myers informed the ladies present of the change of name of the organization to the North Webster Anti-Nazi League to Champion German Rights.

The minutes of the previous meeting were read and motion made to second that they be accepted.

Mrs. Myers then told of new atrocities being perpetrated on the Jews in Germany. Also of the spreading Nazi propaganda in this country. She read a letter being circulated anonymously calling upon the gentiles to stop call all Jews here.

A discussion then followed of ways and means to strengthen and diffuse the boycott against all German made merchandise.

A motion was made by Mrs. Cost that Committees be appointed to go to the various organizations and spread our purpose - the boycott. Motion seconded.
Mrs. Myers then appointed every member present as a committee of one to bring home to her respective organizations our purpose and ambitions.

She also suggested that the ladies visit their neighborhood stores and ascertain whether they carry German made wares, reminding them that by so doing they will surely endanger their German heritage.

Discussion followed and the ladies were apprised of some stores still carrying German made wares, among them: K.H. Moczygemba, Alberts, Sinai Automobil Shop, and Rayner's Hardware.

It was decided the next meeting to be held on Jan. 31, 1934 at 563 E. Tremont Ave. (Miller Bldg). This meeting place was offered to the organization gratis by Mrs. Gluckman, one of the ladies, compiling of the Friends of Zion, who held their meeting there.

The following new members were enrolled:— and Eight ($8.00) collected.

AMERICAN GENTILE

Do you realize that we are nothing but JEWISH SLAVES.
Do you realize the danger which confronts us by the Jews in the United States, is much greater than we all anticipate?
Do you realize that every nation which accepted the Jews signed its own doom? The Jewish sharks own already New York City, let us prevent them from CONQUERING our whole U.S.A.
The Jews think that they are superior to us gentiles, but their religion and business is nothing but an international racketeering blood sucking gangsterdom, exploiting the poorest of the poor to the last drop of their blood. WHO WORKS for the Jews under most unsanitary conditions, long hours and for slave wages until body and mind is a wreck?
THE GENTILE. We must face the fact that hundreds of thousands of us will either starve on account of the Jewish low racket or be driven to suicide in the near future. WE ASK YOU: Will a Jew buy from a gentile? No. Why do you buy from a Jew? make it a principle to BOYCOTT EVERY JEWISH BUSINESS and hit the Jews on their weakest spot - the possibility of making money through YOU. Why do you read their press which poisons your mind? Do not read nor advertise in any newspaper which is controlled by Jews, we have no official help, like the gentiles have in other countries, we must help ourselves and each other. The Jews are the lowest international race on earth, prospering through the very without consciousness, they are the biggest enemies and the cause of the DESTRUCTION of our U.S.S.

"HIT THE JEWS WHEREVER YOU CAN!"

Take this letter most seriously, copy it twenty times and send it to your friends, urging them to send it on so that it reaches every part of our U.S.A. as speedily as possible.
A meeting of the West Bronx Women's Division of the Non-Sectarian Anti-Nazi League to Champion Human Rights, was held Wednesday afternoon at the home of Mrs. Louis Myers, 1605 Walton Ave.

A large and enthusiastic group of women present voiced their sentiments against the Hitler atrocities to the Jews and other unfortunate victims, and also pledged themselves to enter into an effective boycott on all merchandise made in Germany until the Jews are restored their full rights as free citizens and equal in Germany.

A membership drive is on, open to Jew and non-Jew alike who are sympathetic to this cause. Those wishing to become members may apply to Mrs. Louis Myers, 1605 Walton Ave., Bronx, NYC.

The next meeting will be held at 563 E. Tremont Ave., Wednesday afternoon, January 31st.

Acting Secretary
Report of Conference held at Hotel Plaza by
Jas. Johnston - Anti-Nazi League Jan. 30, 1934 - 8:45 P.M.

Mrs. Harris - the National Chairman opened the meeting.
She introduced Mrs. Julius Turk, Chairman of the
Monroeian group - who took the chair and stated
the purpose of the Conference - to report individual
experiences, to discuss general problems, new moves,
and so to carry back to individual groups inspiration
and new ideas. As an aside she said her group
of the Physicians would send out a bulletin each
month to 600 members.

She reported the heartening news of Germany's
inability to pay interest on her bonds, due to the
37% falling off in exports.

Mrs. Rebecca Webster was the next distinguished
speaker. She questioned how anybody could be
happy here, hearing of the things happening in
Germany. She cautioned against believing
any of Germany's promises. She related finding
an old history she studied when a young girl
and in it Germany was then looking forward
to the Kaiser Tag. It indicated war preparations
of 30 years. She also said a few pointed words
on women who volunteer to work and then
do something only when they feel like it. This
she said is not honest or decent. Volunteer work
she employed carries a great obligation. In closing she stressed these remarks.

German Psychology has not changed.
If we were this way we would win it for the
benefiting people of Germany for Minorities & Mankind.

Mr. Mason who next spoke, clarified the
meeting with the report which dealt with the
action of the Federation of Jewish Women's Organization
in refusing to endorse a bill in Congress imposing the boycott. A petition of protest was
read to prevent it, with an amendment to it
to carry the names of all the organizations present.

Mr. Richard Saalfield who recently returned
from France told of her work abroad with
youth and Jewish women. The tone of being
asked what are the American Jewish doing, and
on her return finds the Federation of Jews by
refusing to further the boycott. She became my
assistant and called woman's name. She made in
these women present and about who have to
offer dissenting views. She almost shouted
we should take no honor of the defeat.

The cause of the boycott.
We are defending our honor and we are helping Germany because of the thousands there who dare not open their mouths.

The most talked topic of a conference to take place Sunday regarding the question of holding the World Olympic Games in Germany. A motion was made and duly carried to send a protest against having the games in Germany.

A report was also made of a new youth movement called the Volkssturms. These young members are to go from store to store asking questions regarding the amount of German goods bought and what amount they buy forever. It is said that there is no market for German goods.

Another prominent speaker was Estelle Steinberg - International President of the American Peace Army.

In conclusion, I would like to say that no one who had been present could leave the assembly without feeling inspired by the seriousness, burning enthusiasm, and splendid showing of these loyal Jewish women.
January 30, 1934

at the 40th Annual Convention of
the Federation of Jewish Women's Organizations,
after a sharp debate - the delegates endorsed
the boycott.

Frieda Taussig spoke as Vice-President of
the Non-Picketers Anti-Nazi League and
Mayor of N.Y. City.

She said - To be against Hitler is to be
for the people of Germany. To be against
Hitler is to be for the peace of the world.

The last move of the Conference was to appoint
a Committee composed of Madame Herkin,
Harris, Blumberg, Shen Mason, to present at
the Convention the next day and to present our
petition for that it was not tackled.

The meeting was called to order by the Chairman Mrs. Myers then read by
the Secretary and accepted as read.

For the benefit of new members the purpose of
the organization was stated. They were also told of
the Research Dept. the League maintains to
investigate fraudulent markings on goods coming in
from Germany. Also its ability to find new sources
for buying merchandise similar to what Germany
supplies.

The lynching resolution was brought up and
members urged to write or wire their support of the
Congressman's peaceful interior efforts in our cause.

After discussion was then held concerning
ways and means to raise money.

Motion was made by Mrs. Flachman seconded
by James Muller and passed that we have a Dayton
Chairman appointed in Mrs. Flachman, Co-Chairman
James Lasak of old Mr. Muller, Nanine Celia Suck
& Max Heff. Sanctions of merchandise may be
sent to 739 Jerech in further details to be
developed.

A cord party was next discussed and
settled by motion of Mrs. Celia Suck and
seconded by Mrs. Cart. Mrs. Levine suggested
that she may be able to supply Cards & Kelly. Miss Tucker, Levine and the Chairman all arrangements being left in their hands and to be completed for the next meeting so that we can distribute tickets immediately.

A fair discussion ensued on the cooperation of some stores with our boycott. Mrs. Snyder displayed a coat purchased at Arnold Constable solely on the report of their working with us. Mrs. Sidlow brought in Canina who made a like purchase.

Mrs. Joe Ruckel displayed a purse purchased at that store.

Mrs. Ruckel then relates an incident where her daughter went to buy paint in Marx's and the salesclerk made an effort to interest her in German product saying they no longer had German paint. This is an encouraging sign at the so Mrs. Joan Ruckel painted and Mary still retains their business office in Germany.

A report was made by Myers of the Convention she attended of the Federation of Jewish Women's Organizations. It was very interesting and dramatic with the appearance of Major Le Thanh and Vice Pres. of our Legion.
As the resolution was finally adopted by the organization to boycott German Made, a meeting was won and all met to send well.

It was suggested the secretary write to Mr. Seebrook of Arnold Constantine informing him of the new business he received from some of our members.

Mr. Myers also related an interview with the buyers of china at Berman Dept. Store. They are not buying anything from Germany and expect to be sold out entirely of any stock they have after their January sales.

He reported the new legislation effective May 1,
making it unlawful for any goods arrives
from Germany being marked in any other

way than Germany. This legislation, we feel now,
as away with the subtleties they have been using such as Rhinelander - Spalding - Bavaria etc.
so that unsuspecting people not well upon their geography will no longer be deceived

Mr. Rubin also reported an amendment to the Civil Rights bill, making it unlawful and punishable by fine or prison sentence for anyone to send or utter propaganda or to speak. This amendment provides that dissemination of propaganda which subjects any group of people to shame, hatred, ridicule or contempt is a criminal offense punishable by fine or imprisonment.

It is indeed heartening when we find such men as Mr. Rubin laboring successfully to give us the lasting protection of the law.

The good news was also reported that Mrs. 34 to Jane Brown have joined the boycott.

In discussing our proposal, Kelly for his part, Miss Julian was asked to sound out Edward Proctor if he would play for us and Mrs. Model as regards her brother who is a fine pianist and incidentally married to the sister of Jacob Kest.

Mrs. Harris Levine presented a report of the card party. Details lacking in the previous report. Such as offerings for coffee 16.50, wine 95c, porter 1.00, plates 40, raffle 13.40.

The treasurer, Mrs. Zuckerman reported a balance of 4110.65.

Mrs. Harris reported on the Rally held at the Professional Building in which our group cooperated with Mrs. Mason group of Physician wives. This rally was a complete success being well attended by enthusiastic interested women. Mrs. Mason was the Chairman.

Mrs. Hysell, coordinator and speaker, made Mrs. Harris - Herbst and Mrs. Harris also reported on the newly formed Washington Heights group. This group has gotten off to a flying start. The meeting was well attended and the enthusiasm of the new members speaks well for the success and growth of the new branch. 

Delberta Levine is Chairman of the group.
Many stories were related of Naze activities both in the United States and abroad. Mrs. Myers tried to impress upon the women their duty to attend meetings and bring more new members to meetings. The Naze are not letting up in their activities; they are spreading here in the United States and swelling their membership by thousands. It is not enough for members here to sit back because they have paid their membership fee. That hardly pays postage of notifications. Each member must be active and not leave the work to a few—who all the time are working and will never give up. Benevolent support because a few cannot send their voice for strength it takes members to fight and win.

Minutes of Meeting of April 4

Minutes of previous meeting accepted with one minor correction.

For the benefit of a new member who is ambition to plant an additional group, the aims of the League were repeated.

Mrs. Myers read a report prepared by the League covering office activities for the week of March 26-31. It showed the section inquired from more than 100 merchants wishing to replace new sources to replace the German goods they have been buying. Every inquiry was answered. Also letters were written to manufacturers in different parts of the world asking them if they could substitute on various kinds of merchandise in demand. This is one of the important parts of the boycott, for if merchants were not supplied with good substitutes for the German goods, they have been selling, they might be tempted to relax the boycott work.

Several members reported seeing quantities of German goods in other stores. The members are requested to be vigilant when visiting these stores even tho' they have joined the boycott.
Reports were made of incidents concerning the New mont Hotel & Schrafts. Both these places have plainly expressed themselves as not wanting Jews. These reports are being investigated and measures are advised accordingly. In the case of Schrafts, they are reported to have written a letter addressing they do not care to lose Jewish organizations control any affair there.

The New mont hotel apparently deliberately erring in the serving of a deer, for which a written contract was made. When asked why they refused and did. Contrary to the decree ordered, they are reported to have said they don't want Jews there anyway.

The report was asked for by Horatio Leslie on the concert tickets.

In order to check up as much as possible in view of the closeness to the concert date, it was decided to have a special meeting so that money and tickets may be fully accounted for and unsold tickets returned to the League.
Three dollars was turned over to the

Minute of previous meeting accepted as read.

A report and check-up on the sale of concert tickets resulted in a collection of $8. Not all tickets have been paid for yet. We expect the total to look very good for our season.

Mrs. Myers reported that investigations uncovered the fact that the lower East Side was flooded with German merchandise.

Mrs. Harris—our National Chairman with five other women—and among them Mrs. Myers—Mrs. Levine—several other newspaper reporters descended on the East Side and started in cleaning up. Some stores were evasive—some were cooperative. A great deal of German cutting and china was displayed. Our ladies apparently did a very good job because all promised full support the next time admitted buying German goods. A campaign is on to keep after these stores and show them that they are being watched. Mrs. Myers called for volunteers to make up a group of 500 women from various divisions. Some to go down Thursday—others Monday. Among the volunteers are Mrs. S. Roper—Rosenthal—Hochman—Foehl—Birnbach—Seaman—Levine—Madell—Schlagen.
Ruden & Karmel

A letter was read from the Research Dept. of the League regarding the German forms in use. The Power plant has passed our Board of Censorship. They are 100% American.

Polaris Brewery referred the letter to a Board of Trade that has not answered. This evasiveness leaves the beer open to question since they have given no answer they way they are on the questionable front.

A letter was also read from R.H. May to a customer who had closed his A.C. 76 on account of their buying German goods. May explained that they had closed their Berlin office on account of consumer resistance and their orders to Germany decreased 97%. Whereas in Feb. 1933 they bought $57,516 from Germany; this year in Feb. they only bought $2,830.

They also write they do not consider it good wisdom for a department store to engage in boycotts. They believe and individual does refuse to buy goods for any reason they want to, but a department store cannot refuse to supply goods for which a demand in any degree exists. They also said they have endeavored to find.
substitutes for German goods in domestic & other
markets and have been successful with few
exceptions.

Members are advised to watch for the
display of German wines at Macy's refuse to keep.
Miss Counts presented correspondence from the
Peaks Furniture Co. Concerning a date for a Cook
party. They are ready to give May 23 - They
supply seating arrangements and a door
prize - will also print announcements. Should
we desire they can make arrangements to
supply coffee & cake at 65c per person or
ice cream at 10c.

As many members thought May 23
would conflict with the Washington Heights
Cook party - a Committee was appointed
consisting of the well known team of
Sewan & Fuchs - to interview the Peaks
people & make whatever arrangements advised.

Mrs. Myers also reported the formation
of a new club at Riverside Parkway on
Tuesday at the home of Mrs. Stevenson.

Hostesses for this meeting were

Misses Myers & Fuchsman.

They being for further business - the meeting
was concluded with refreshments served as usual.
A new member was added to our list.

Our meeting was informed by a member that Father Joe Bileya is flooded with Korean

Mrs. Hess Spealot who helped to organize this group.

Another new group has been formed in

Bens Park section; it will be known as the

Midweek group. - 46 members have been signed
up and great hopes are held out for the future of this division. This is another credit to Mrs. Alice Lippincott and also Marie Tuckerman who was the real event of that evening. A talented speaker had been invited to address the group who interested the audience. But it was Mrs. Tuckerman's speaking who really got the name on the dotted line. A pleasing vote of thanks was given her.

The forming of a new group at Pillon Parkway under the leadership of our new member Henry Friedman was also announced.

All members should set up and take an example from the members who help to form these new groups. We only ask you to find us a leader in a section where we hope no group is present. Our Mrs. Myers will do the rest. We ask you to get members, select officers, notify prospective members of the meeting and actually get them going. We will be the next one to start a new group.

Mrs. Rose Lippincott reported receiving a letter from the estate of Mrs. Gummer notifying them of their rights to the estate. This Dorothy Levine reported turning in about $70.50 for concert tickets.
The treasurer reported $115 in the bank and disbursement of $5 for new meeting cards. $1 for postage to new member Anna Cohen. 1551 Washington Ave was added to the list.

Necessities for this meeting were Mrs. Cohen & Mr. Levy.

Minutes of Meeting May 2, 1934

Minutes of the previous meeting were accepted as read after slight criticism.

Mrs. Myers opened the meeting welcoming two of the members who have not attended our regular meetings. She stated that some of our very active members were lost to us in a way, but in reality the League has gained for they have branched out to various sections of the city and are carrying on good work.

Despite the fact that we have quite a large paid up membership our members do not all come to meetings. This may be due to the fact that some cannot attend afternoon meetings, a discussion was taken up and decided to hold our next regular meeting in the evening as a trial, a motion was passed and recorded. The meeting to be held at Dorcas Hebrew School 3070 Pound Ave.

To stimulate larger meetings one member suggested a grand rally.

Mrs. Myers promised to take this up
with the president of the various branches and to call on me in the
near future.

Some one inquired whether
feizy imports Feizy merchandise,
this and the case of station
WEVD which was refused the
renewal of license. This station
often used in Jewish broadcasts
will be investigated by Mr. Myers.

Mr. Myers reported they were right
items are made in Germany.

The matter of Van Rooster which
has not been cleared up yet will be
throttled out at the League. Mr. Myers
Mr. Zion and Mr. Rosenfeld will meet there
Saturday morning.

Our very able Sec. Mrs. Dreyfus who has done such
splendid work was missed by all, being con-
fined at the hospital, a诚. O bto friends

speedy recovery. Flowers were sent her.

Minutes of meeting May 16.

Minutes of previous meeting accepted as read.

Mrs. Meyer opened the meeting announcing the 
big rally by the W. T. U. Division at the 
Burnside Hotel on May 18. There will be 
prominent speakers, one of them will be Mr. 
R. Hunt. There will be no charge for ad-
misions. Mrs. Meyer called our attention 
to the large meeting in Town Sq. Summer 
and to the fact that the place was 
all sold out. This is all the more 
reason why we should realize our 
ennemies gaining strength and the 
seriousness of the matter. Hence the 
importance of this Brand Rally

and a large attendance.

Mrs. Meyer reported that the publica-
in the press on May 4th in which the 
League made it clear that our boycott 
is not against the average German 
but that we are fighting Hitlerism, 
boycott cost the League $3700. Some 
members expressed their opinion that 
more should have also been published 
in the journals. Mrs. Meyer States feeling that it would reach the element that should
be enlightened, and who do not read the so-called intellectual press. Mr. Myers agreed on this and promised to take the matter up at the League for future purpose. She also reported that at a meeting of directors it was decided that a letter similar to the one in the press in May be circulated amongst all German citizens. This work is at present in preparation.

Mr. Myers will suggest to the board of directors to have but two affairs during the year so that we can concentrate more on the boycott and have a better system in the future.

A representative of the American League for War and Fascism called at our meeting and asked us to cooperate with them. She reported a native store in the neighborhood of Burnside are with the sign of death. In the winter, she asked that we come to their open air meetings and keep up with the store and the hejz in general. Mr. Myers suggested that a letter be sent her and she will take it up with the League.
For the benefit of those members not present at our previous meeting, Mrs. Meyer announced our card party, which will take place in June. The speaker of the evening will be Dr. Fred Reiss of the Thorndyke Home for Girls. The subject, Conditions in Germany Today, also the huge problem in this country. Sachs Furniture Store promised a door prize on ticket, were printed, and, Mrs. Meyer reported that 300 portions of ice cream were promised.

Mrs. Meyer called for volunteers to investigate the fires in various parts of the city who are present in carrying German merchandise. Following volunteers (Mrs. Rubin, Mrs. Liptay, Julian, Rowland, Young, Schulman, Passini, Krenthal, Oppen- beck), Mrs. Meyer will procure credentials for these members at the League.

It was decided that we alternate the meetings, we shall therefore have one at the first thru School in the evening, the other at our regular meeting place, Zinnek Realty, afternoon.

A motion was passed that we send 2 tickets to our card party to all members not present at our meeting.

Mrs. Meyer reported that the Concert at Carnegie Hall brought in a profit of $500 to the League.
Tilden's Dept Store of Boston sent in a check for $1000 and that the W. P. Division made 750 at their bridge.

Mr. Silver addressed the members, he said that in this land of liberty and opportunity it is difficult for a Jew to get employment and those that are employed are too self satisfied. He reported that the boycott is dead due to the boycott and stressed that we keep away from everything that is German, that the German stores are forced to join the 20 a w.a. and we must get together and work to continue this manner.

The Treasurer reported $101 in the bank and $200 collected in dues. New members were Mrs. Kitchin and Mrs. E. B. Parsons.

Minutes of meeting May 13

Minutes of previous meeting accepted as read.

Mrs. Meyers reported an interesting letter she had received at the League, written by a gentile, enclosing $3.00 to carry on the boycott and sorry that she cannot send more. This small amount means so much more to us coming as it does from a poor source. It is fortunate for us that we have the sympathy and cooperation of the Catholics & Labor Unions to carry on our good work. The League reported that Schaeffer's bread is now boxed, that Vau Realte have both American & German made merchandise also Kayser's avec carry Helle of the German mostly American and they are a little more in sympathy with us. Mrs. Dorothy Zorn took up the matter with the thrift shops, also reported some cases of German made Tack which had an American paper over them, we showed therefore watch closely when buying same.

Mrs. Rosenfield reported the case of the two Jewish men who reopened a German deli store in Fremont Ave and are carrying German merchandise, Mrs. Meyers will take the matter up at the League.
Mr. Meyers invited Mr. Block to speak to us; the subject was "Naziism in the World." He pointed out that unless we Jews wake up, we will find ourselves in the same trap that the Jews in Germany found themselves a year ago. He reported some of the power of Nazi centers are in Milwaukee, Los Angeles, San Francisco, and that they are growing at a terrific speed. The Jews in Germany were the first, they tried to blame everything on them, especially the unemployment problem, and not enough was it to blame them but to destroy them not at all. If they are destroying civilization's culture. They say the Jews is a menace. They have closed the doors of the University to the Jews. Germany is expending millions of dollars in propaganda in other countries. We must attend all Nazi meetings now, later it will be too late. The boycott is most important, so Congress does not help us. The American bankers have millions of dollars invested in Germany and that more important than the Jewish blood that is being killed. Germany has boycotted us long before we ever knew
Germany is determined to destroy the Jew she wants a pure Aryans blue eyed blond race. They admit losing 60% of their foreign trade. We can readily see that we have not worked in vain. The speaker advised to organize and have open air meetings and when arguing with a Jew try to convert him by first making a friend and then it will be easier for him to understand. With the Jermans it is not a persecution complex. They just hate for no reason at all and this is anti Human. The meeting was adjourned.

The fall of the West would be quite a matter entered in history.

Our next meeting was a success. There were several good speakers. In quotations of the speaker Dr. Tolby Germany is a militaristic people the only way to reach is to boycott. Germany is trembling to day and so we must use our weapon to the fullest extent. Fight Hitlerism until it is destroyed.
Mr. Robbin: — We have a right to boycott they are barbarians, the Jew is the main sacrifice.

Judge advocate Ronan. The view of the War Veteran. — This is not only a Jew problem, Nazism is a menace to everything that civilization stands for.

We must make ourselves Mussolini spread the gospel far and wide, and destroy for all time that type of propaganda. We are all one Catholic, Protestant Jew.

Rev. Dr. Hunt: As long as they have these demons in power in Germany we must not have anything to do with them. We must guard against imported hatred.

their friends all had a good time.

Refreshments were plentiful, the

place thanks to Sam from 60, was
delectrifying cool in spite of the fact

that it was a hot evening. The

speeches Dr. Reiss was very interesting.
He spoke about the innocent young children of Germany who are suffering because they are Jews, how they are humiliated and thrown out of school, that Germany has spread her fingers all over the world, and she is now a dangerous nation. And again as so many others have said, the boycott is one voice of protest, the therefore advocates this as the only effective means and to have others enroll and join with us in this great cause to save civilization. New members were enrolled.

Spoke to Mr. Blumstein who showed them a sign in the buyer's room that was clearly printed stating, "WE DO NOT BUY GERMAN GOODS." A letter from the League was demanded, and a suggestion was made that a committee be sent to the League to get it.

Mrs. Myers promised to get after this.

Dec. 4 — Rally — Bernice Myers —

This was a wonderful success. The hall was crowded to capacity — and the attendance over 1000.

The programme was:

1st. Vocal selection

2nd. Mrs. Carte introducing Mrs. Myers

3rd. Mrs. Myers — Chairman for the evening spoke on the women’s work and made an excellent presentation on Nazi propaganda here and abroad.

4th. Guest Speaker — Mr. Samuel E. Fleischer

New disclosures of the Congressional investigating committee. Related marks Rome is able to use. If such propaganda were carried on in Germany as the American do here — they would be able to attack a brick wall. German men carry in tons of propaganda and even give a game in a bible.

5th. Theme — B. Brown — spoke on his novel forceful and eloquent manner and announced that if there were any Nazi in the audience that whenever they have meetings our members are always there.

A beautiful bouquet was presented Mrs. Myers by Mrs. Welman on behalf of the Woman’s Auxiliary.

The minutes of previous meeting accepted as read. Also the account of the Dec. 14 rally at the Benwood Manor.

Mrs. Mayers had a list of activities of the Research Dept., in checking German goods coming into this country under evasive names. Also concerns that were not cooperating and consequently were to be boycotted.

One of the evasive concerns is the Compressed Yeast C, who bring in yeast in bulk from Germany and then repack it here under names of the Blue Ribbon and Quality Yeast C. Their address is 363 Greenwich St.

The Hoffman Beverage Co. is not being given a clear bell of health until it is settled whether they are going to continue to use a German ingredient in their sodas, the word for the present is use your judgment when you buy sodas.

The Houston Milk Co. and Manchester C. have been found to contribute to hoax propaganda and to advertise in the Backbooster.

Mrs. Myers presiding faculies and the parallel between men, Mrs. Roosevelt on his 53rd birthday and Adolf Hitler - 2 yrs as Chancellor. The difference between the aims & efforts of the 2 men during the post 2 yrs needs no delineation on the part of your secretary. I am sure everybody is familiarly aware with the wobbly unselfish efforts of our Pres. v the cruel hateful offensive methods of Hitler.

Mrs. Myers mentioned her recent visit to Washington to attend a Zionist Convention in an adorning room a dinner was being held with Senator Fred Hoehn speaking a platform that in 1936 he would be a Candidate for Pres. on an anti-pessimistic ticket.

The weekly Call to Healey Social Weekly was epilated. Continuing an article - Gentiles beware of the Jew. they are out to destroy gentiles.

A motion was made to send a telegram to the Pres. on his birthday & the following is a copy of the message sent:
Prez. F.D. Roosevelt.
White House Wash. D.C.

Heartiest congratulations & sincerest felicitations to you on your birthday, voted unanimously by the De Women's Aux of the Non-Part.-Anti-Repress. in Session today.

A long life & happiness to you.

The work of the secretary was deemed so important that the Corresponding Secretary could not assist with the post. As usual in every problem that arises, Miss Rose Lipsiety volunteered to do the work for a while for which we are all thankful.

A Card party by Inviting 125 was announced for Feb 6 at the Senate mansion.
A Rally by Westbank on Feb. 19.

Announcement of meeting Feb. 8. Held at the Manhattan group, Mrs. Imus reported a box of candy purchased at Pley's which the Made a bid and Cancelled the box by a partner.
At this time Rabbi Solove arrived and after introductions made an address to the ladies.
He pointed out that the day was significant of two anniversaries, one of great contrast. The 53rd birthday of our beloved President and the second anniversary of the rise of Adolph Hitler to Chancellor and the rule of Germany. Franklin D. Roosevelt knew the world over for his efforts to improve the living conditions of the masses and Adolph Hitler knows also would urge for his unrelenting persecutions of the Jews.

Rabbi Saben said, yes he was ashamed. That day is on our side, not only Jewish history, but the history of mankind. It is an upward climb of mankind from darkness to light, from injustice and poverty to justice, mercy, brotherhood.

In this was we are fighting against Hitlerism, we are fighting a dangerous, most degenerate force. Rabbi Saben also reminded that never in the history of our people have we had the cooperation and moral support of civilized Christianity as today. They have stood up in pulpits offering help, promoting fellowship and understanding.

Rabbi Saben also reminded the gathering that not enough credit could be given Franklin Roosevelt for his championship of the boycott at the very beginning when many organizations cooperating were opposed. Another striking statement made by Rabbi Saben was the one that Hitler has made more Jew than
generations of Jews. Instead of 600,000 Jews in
Germany, Hitler has found 2,000,000 and an
example of good coming out of evil is the building
up of Pestalozzi at a Concentrated Rate.

Speakers from Anti Nazi Federation
Rebbe Goldberg & Woman urged us to parole
with them. Mrs. Tyers applauded individuals
who do so but not leader because of the League
Representatives of the Anti-Nazi Federation visited us, and Rabbi Goldberg, of the Committee, spoke to me urging me to cooperate with them in the Boycott Parade. Their organization was arranging for Thursday afternoon, Nov. 7, at Madison Square.

According to our chairman, we have no authority to participate officially in this undertaking unless the Federation secured this permission from the League direct. As individuals, Mrs. Myers urged each and everyone of us to attend, and urge our friends to do likewise, in order that the parade be a big one, if at all. Under the by-laws of the League, however, Mrs. Myers said it was not within her right to sanction the official cooperation.
The urged Rabbi Goldberg and the lady to leave the Federation State this matter up with the League, and that she was willing to abide by orders from headquarters.

Mrs. Myers promised to bring a report from the dinner to Judge Mahoney which the League sponsored. This dinner was given him in appreciation for his pen attitude toward the removal of the Olympics from Berlin and for the participation of the United States therein.

Mrs. Myers urged a deeper interest in the work of the League. Volunteer workers are continually needed at the League’s offices for clerical
as well as research work. The ladies were asked to give a day to the service of the League whenever possible. She urged a thorough check-up on neighborhood stores to make sure their stocks for the Xmas season are not mixed with Nazi made imitations.

She further urged cooperation with the maintenance of the League in the way of helping make the Bridge Tea & Fashion Show a financial as well as a moral success. Mrs. Myres stressed the fact that from previous check-ups that at every undertaking by the League a Nazi or two are sure to be present to bring back their reports to Yorkville and therefore it is the duty of every
member to ascertain that there be no empty chairs at the Hotel Commodore on Dec. 10. If it be a question of price, urge the buyers to omit another affair or two but to be sure to come to this one, as no other Jewish accomplishment is safe until the country is safe from Nazi influence.

4th Having secured promises of sincere cooperation with the work of the League from all the ladies present, the meeting was closed with the announcement that for the benefit of those ladies who could not come afternoons the next meeting would take place Tuesday Evening Dec. 7th. Mrs. Myer promised to try to get a speaker to address the ladies and urged all to come on time and bring their friends.
Mrs. Myers urged every lady present to write and get as many people as possible to write to the Olympic Committee and voice protest against participation of this country if games are held in Berlin.

Nov. 6 -

An announcement was made of the anti-Nazi Federation parade and all members were urged to attend.

Minutes of the previous meeting accepted as read. Mrs. Myers presided and again reminded the ladies of the Bridge Tea and Fashion Show to take place the following Tuesday. She urged all members to be present and bring their friends.

The secretary read another report from the Research Bureau which keeps us up to date in our Boycott activities. It appears that the Kraft-Phenix Cheese Co. are importing some of their goods from Germany, and also packing some of their numbers in German metal foil. Up until recently they were shipping their goods on German liners, but due to the efforts of Dr. Kalb of the NJ division they have switched to the Holland-Amer. Line. They have promised to cut down on German importations and eliminate them entirely in the future.

POLYdor phonograph records are made from a Master record imported from Germany, so that whenever a POLYDOR record is sold a portion of the profit goes to Germany.

The League wishes to remind members that it stands ready at all time to help storekeepers or consumers replace any article they find necessary to use or sell, that formerly came from Germany, with a suitable substitute made outside of Nazi Germany.

Mrs. Seligman made a report of having visited Klein's 5 & 10 on Tremont Ave. and found a toy telephone made in Germany. She cautioned the owner of the result of a boycott on his store unless he discontinued selling German made merchandise. He explained that he did not know it was from Germany and would positively return everyone.

Mrs. Lipetz inspected Grants at 1818 St. near St. Nicholas and found no German goods...
Mrs. Myer told a manufacturer who uses the Schiffli machines that do embroidery. He needs a few more machines but since they are made in Germany he does not wish to send these for them, and thought that thru the League and its members he might come across some other manufacturer seeking to dispose of them. Members are requested to bring up this topic to any friends they made have in similar lines.

There were many discussions as to how the Bulletin could be developed into greater power. Mrs. Harris, our National Chairman, who surprised us most pleasantly by dropping in on us assumed the chair and answered all questions addressed to her. Mrs. Harris told us that the League has plans for the Bulletin where it will include a greater list of conditions throughout the world affected by the Nazi. She told us the Amer. Federation of Labor sends the Bulletin to all its constituent groups throughout the United States. Also that the Bulletin is send to Ladies Auxiliaries of the Jewish War Veterans. On the discussion relative to the League offering for sale outstanding books published on the Nazi question and conditions in Germany, she told us that the League has eliminated all things except work on the boycott and they will do nothing else that may cause them to deviate in the slightest. Our boycott means a Boycott of goods, ships and shipping from Nazi Germany.

Our meeting was very well attended and our women more enthusiastic than ever with constancy to their cause and new ideas to make it stronger, for which we thank them.

There being no further business, the meeting was adjourned with all the women running home doubtless quick time, to make up for the extra time they took in asking Mrs. Harris questions.

Respectfully submitted,

to the questions as to whether the boycott is effective. He explained that the entire resources of the nation were marshalled in order to sell their goods. Subsidies, block markets, discounts, and other extraordinary low prices were used, thus creating a depression situation unparalleled in the commercial annals of the world. If after this gigantic effort the exports could be raised to the U.S. only 5%, which amount is also disputed, the increase might be easily minimized.

Unfortunately much of the German exports to the U.S. is brought over by Jewish firms and it is our solemn duty to watch out these firms, drag them into the limelight and boycott them until they cease trading with the worst enemy the Jewish race ever had.

A announcement was made that the Kennenheit No. Chapter of Hadassah was conducting a bake sale nearly as the meeting was adjourned with a group of women going downstairs to collect them. Treasurer announced balance in the bank of $69.05.

This affair was held in the main ballroom of the Beechwood Manor and gave evidence of success at an early hour. Close to 300 people were present and unusual for most card parties--the players charitably laid aside their cards when the guest speakers were announced.

Prince zu Sarnauetin spoke both in German and in English and if even boycott workers were impressed with the sincerity--with the straight from the heart--they were impressed the might well the Prince. Naturally his message was one of terror and grief--of a once proud nation subdued and helpless to keep themselves. Any attempt to spread a message among themselves is as dangerous the avenue still remains open to all by the power of speech. Help will help must come from the outside and the power of the boycott is something everybody can understand.

The first meeting of the season was held at the home of Mrs. Meyers with the attendance of some of our first Charter Members.

Mrs. Berry, Buchanan, Levine, Rechab, Bulewicz, Lipchitz, Rechab, Robinson, Furman, Garman, Sanders, Rounce, Cost

Mrs. Meyers our Honored By Chairman presided and made the important announcement that in addition to spreading the Boycott which has always been the sole purpose of our exertions we have an additional program that of fighting Anti-Semitism in the United States. This will be done by publicizing the good points of the Jews, collecting information where anti-Semitism is practiced and developing ways and means to counteract it.

It was announced that Mr. Hermann is no longer with the League and our new secretary being Mrs. Pruner.

Mrs. Furman, one of our active members, reported on a conference she attended of the League Against War & Fascism. One of the important points she brought out was the women in the smaller cities and communities know nothing of the boycott, those interested in it. This
applies to both Jew and Gentile. It therefore becomes the duty of each one of us to bear this in mind and to place our bulletins and others publicly the League furnishes to relatives or acquaintances outside the city I hope all members will make note of this & follow it out.

Mrs. Rubenstein, sweetheart doubt one of the most sincere and ardent workers we have been told the floor, she reported that her daughter is now dancing in Central America – Cristobal, Canal Zone and that Germany was dumping large quantities of merchandise. We have asked Mrs. Rubenstein to communicate with her daughter to find a party or agency we can establish connections with & shall certainly try all we can to fight Germany off the Canal Zone.

Mrs. Ways then made the announcement that the League has taken the Adelphi Theatre for Nov. 28. The WPB players are producing Sinclair Lewis' book if can't happen here. For those who have not read the book, Lewis to explain it is the answer of Sinclair Lewis to those doubting unbelieving people who when told of the evils of Trotsky and Stalin's ability, say it can't happen here. This book is a story of the U.S. of Conditions as they

Mrs. Solomon was then introduced. She is a German refugee, having been imprisoned on a technical charge of not declaring money on deposit in N.Y. banks. Under threats of death she was compelled to sign papers of the authorizing the government to withdraw her $36,000 on deposit in 3 banks here. The lawyers there would defend her because of being Jewish. Her Christian husband, thus paying large sums in bribery, got her released from jail & own her. Attorney are fighting to recover the money. The banks refuse to pay, the money to save her life at this they suspect; it was a false paper of attorney. In cases like this they refuse to do so - they removed death certificate from the German officials. Mrs. Solomon made a very telling statement when she said in this country gamblers get the electric chair & in Germany they rule the country.

We hope our women will keep up our fight of their own interest & make the next reinforced appearance at rallies such as Mrs. Solomon to shock them into a realization of their own dangers.
Mrs. Lohnan most generously donated a famous picture of Mrs. Roosevelt drawn by the artist Mueller to be raffled at an appropriate occasion.

Letters are to be sent to members notifying them of the Theatre party, also a special letter to stir in to being interested members x regular payment of dues, 1.00 by by Dorothy Laine.

There being no further business, we adjourned as usual to the dining room where Mrs. Hyer's home baked cakes etc. soon vanished out of sight.

Respectfully submitted,

following members present—Hines, Julian
Attles, Eula, Conner, Beasom, Coey, Sumner, Leff
Resnedell, Melbourne, Rabideau, Battle, Barton,
Berry Libbeman, Fowlers (Robinson)

Minutes of the previous meeting were
accepted as read.

On account of business necessitating our former secretary, Mrs. Golden, is unable to continue these books, as Mrs. Julian, graciously volunteered to assume the duties.

A report was read from the Research
Dept. The outstanding news being the clear
policy given various glove manufacturers
who had been violating the boycott. This
is a most valuable accomplishment and
the League deserves all the credit as it must
be apparent that without the boycotting of the
women and the constant adverse publicity
in the Economic Bulletin, these manufacturers
would doubtless have continued their
trade with Germany.
Discussion was held on furthering the
women's activities in an organized way in
Beklyn. Names of Beklyn residents
were given by the following members with
the idea of typing to form these in a new
group.

Mrs. Lehmann brought the letter from her
daughter concerning the dumping of
German waste in Central River & the Canal zone.

A copy was made & sent to the League.

Mrs. Myers again spoke of the League's
program in combating anti-Semitism.

It will be done in various ways chiefly
by telling the leading Jews in every walk
of life and commerce etc. and then
radio and other speaking. Countering
the propaganda of those who try to
degrade the Jewish people.
The treasurer reported a balance in the bank of $405 and cash on hand of $14 due.

Mrs. Myers reminded that before closing last year $150 was sent to the League.

The question of our next meeting place was taken up and the Mrs. Myers was assigned to place the same at an undefined place. Many members considered of an information and insisted on taking up our meeting at the regular headquarters.

There being no further business we adjourned for the usual delicious refreshments.

Respectfully submitted.
Minutes of Meeting 6 Oct. 37

Meeting called to order by Chairman Mrs. Thompson
presenting Minutes of previous meeting accepted
as read.

Members present at this meeting were:
Andrew Livingstone, Bernard Forsyth, Balmain,
Ronald Gruenewaldt, Constantina Smith, Julian Tucker, Modell,
Beryl Tudor, & L/apt & Simon.

The first order of business was the most
important thing before us: just now, the Theatre had
Nov. 24. Members turned in money for tickets sold
and many others took additional tickets. We are
urging everybody to do their bit as it must be realized
that a yearly membership fee barely covers the cost of
mailing the bulletins, team group activities, some
expenses, and postage. Jointly, there are very
slight, but we should and must make contributions!
to the degree that they have never made any
demands upon us. Our entire organization is supported by voluntary contributions, and the inc
 demande of this of our members - we do ask their
full support to this Theatre Party. We made a
splendid showing last April 1935 at the Hippodrome
and we again want the Bronx women to lend the
first for the Nov. 24 affair.
Payment of dues was then in order, and following members paid $1.00 each:

Mamie Anderson, Robinson Lewis, Coates, Jackson, Finkle, and two new members for the Bulletin, Carl Johnson, and Edward B. Stein.

Their names, as usual, were handled in my own handwriting. Worker Mrs. Perry. We have given her so many bouquets, we shall have to start giving plants now.

A request has been made that we ascertain the correctness of the standing of Lord, Rawson, and Franklin, this being two concerns that have been purchased by the Allen Corp. The engineer member mentions a rumor that they will be shipped to the east.

We are cautioning members to pay their dues to the normal until we get an answer from the research dept. Another inquiry is whether Schwinko metal is still available in the USA. Our new member, Mrs. Myers, wrote a report of how our league exposed a German picture manufacturing and speaking up the cause of German film industry had produced the picture and dismissed it with French terminology. Mrs. Zerma, a clerical worker in our research dept., detected the fraud and proved his suspicious with the resulting public exposure in the New York Times. It is such a shame for valuable work as this that justifies our existence.
Another good example of League activity is the case of the Cornwell Bernstein Line. The steamship Co. is being boycotted in the Bulletin. They have come to the League offices pleading to be taken off the black list—showing they are moving their shipping offices from Hamburg to Liverpool—and also claiming they receive no subsidy from the German Government. While all this is a step in the right direction, and the their name may be removed from the for Bulletin pending thorough investigation we suggest you use your judgment until the League reports its definite findings.

Mrs. Bernstein was then given the floor and related an experience more striking than even yours ever listened to. Mrs. Bernstein became acquainted with the activities of the German Jewish Child Relief Agency. She decided to adopt 3 boys orphans but when she saw this boy of 9, who was one of 7 children, ranging in age from 9 to 13. Recently brought on, she decided to take them into her home without salary. The parents of the boy are loving but they had voluntarily relinquished their child and sent him out into a strange world rather than be forced with his parents in Germany. Isn't this you all realize, it was not an act of selfishness in sending

Dear friend:

The Women's Division of the Non-Sectarian Anti-Nazi League, has made arrangements to take over the entire theatre for the production of Sinclair Lewis' play, "It Can't Happen Here," for Tuesday evening, November 24th, 1936, at the Adelphi Theatre, 54th Street, East of Broadway.

The play, in addition to being a most valuable dramatic document is well known for the controversy it raised when the motion picture industry banned its filming because certain Nazi interests wished to prevent the American people from seeing the manner in which such a movement takes root and flourishes. Nazism, whether it be of the German or any other variety, grows out of false and vicious doctrines and carries on only so long as it stirs up hatred and mass sadism. This Lewis superbly and masterfully describes in "It Can't Happen Here".

Aside from the fact that you will enjoy Lewis' great art, the social implications of the play are so much of the moment that we are all duty bound to spread its persuasive message. Its production offers the League an excellent opportunity to vividly demonstrate exactly what we are trying to counteract. Your cooperation in helping us carry on this effective work is most necessary.

Tickets are: Orchestra_front._$1.50 Orchestra rear_$1.00

away the child - but rather are sort of unbelievably poetic. These parents feel so doomed and hopeless and still are brave enough to send away the only comfort left them. Rather than see their children stained & broken in spirit. Their is a scarcity of food in Germany especially butter & other fats. In many instances it is forbidden to sell them to Jews. At the school the Jewish child is a victim of assault and autopenal division. This little boy could not stop speaking of the richness of the butter & milk in this country. We are fortunate in having so noble a woman among us as Mrs. Sherman. She is an inspiration to re double our fight against the wrongs which were on little children.

Mrs. Sherman tells her experiences in trying to sell tickets to Kaplan Bros. Our sign post goes out to Kaplan Bros. who are customers delayed by every act until their customers belong to. Nevertheless they bought 2-1.50 tickets. Mrs. Sherman is to entirely convince nobody can deny her & get away with it. We wish her good health & long years of active work in the cause of humanity.

The report of the Council Bureau was taken and was carefully noted. Especially the letter of the Camera Beauty Products Co. This letter was sent to beauty parlors in a bid for business.
Not being content to be for business like any other concern on the merits of their product—they ask for business with the handsomest kind of anti-semitic bait. We ask women patronizing beauty parlors to make note whether they supply by the Emas Beauty Product Co.

The picture previously donated by the ladies of Mrs. Roosevelt was raffle’d and won by Miss Bennett.

There reported $24.05 on deposit ($7 cash on hand). 900 collected at the meeting. 160 raffle tickets gone to Mrs. Paine and 8 for candied mixed xmas.

Motion was made to have next meeting in the evening and to continue at this address.

There being no further business meeting was adjourned.

Respectfully,
