## **Jews Welcome Untermyer On Return**

**Jewish Organizations gave Samuel Untermyer a rousing welcome on his return to New York, Aug. 6, 1933 aboard the liner Paris. The celebrated New York lawyer was a leader in the recent Anti-Nazi Activities in London. Photo shows him in center, behind microphone, right hand in pocket. Bertha Corets, wearing a white hat, is to his immediate rear. Bertha's husband Mark, in his navy uniform, with head turned, who was part of the security detail, is to the left rear of Bertha.**
