Dear Rabbi Tanenbaum:

Below are listed the questions which Fr. Tom Bartman will pose to you on the tape date of Tuesday, December 6th, 1983 when you arrive about 2:30 p.m. If you have any suggestions in regard to the questions, please communicate that to me prior to the tape date.

1. What does the Old Testament mean to the Jewish people?

2. What is the theological significance of the Book of Job, is it just man wrestling with his God?

3. Is there a vast difference between biblical Judaism and Judaism today?

4. I have hear it said that the Bible reveals God in search of man, would you agree with that?

5. What do the Psalms teach us about prayer?

6. Do you feel that the scriptures are just a historical revelation or do you feel it is an ongoing revelation between God and man?

Looking most forward to meeting you and if you have any questions, please don't hesitate to call.

Sincerely,

Cooky England

Dear Rabbi Tanenbaum:

Fr. Tom Hartman referred your letter of October 25, 1983 to me concerning your acceptance of his invitation to participate in his REACH OUT program.

We have other guests coming on that day so it would be alright if you arrived no later than 2:30 p.m. I hope that affords you an easier schedule. The studio is located just off Hempstead Turnpike in Uniondale. I have enclosed directions to the studio as well as an information sheet concerning television procedures. I will forward to you as soon as possible which Fr. Tom will pose to you on the tape date.

Unless I hear from you otherwise, I will assume that you will be able to make the tape date of Tuesday, December 6th, 1983 at 2:30 p.m.

If you have any further questions, please feel free to call me here at the television center.

Sincerely,

My dear Tom,

Thank you very much for your warm and thoughtful letter of October 21st in which you kindly invite me to take part in your REACH OUT series.

I would like very much to be able to join you on that program dealing with interpretations of the Bible. My only problem is that I have a meeting that morning in New York running from 9 to 12. If you are taping it in Rockville Centre I have a feeling it will be too close a call to make it at 1 p.m. So I need your advice.

With warmest personal good wishes, I am,

Dear Rabbi Marc:

On Tuesday December 6th, 1983 at 1:06 p.m. I will be taping a production for my weekly REACH OUT series. The theme for this particular program will be the "Bible."

I should very much like for you to appear on this program with me and talk about the importance of the Old Testament and what it means to the Jewish people. It is for my weekly series which is seen over the cable systems of Long Island, as well as nationally over the satellite system of the Catholic Television Network of America. I would provide you in advance with the questions that I would like to pose to you. Please note that your input as to the composition of these questions is most welcomed.

Please let me know at your earliest convenience if you are available to participate in the production.

Sincerely,

Fr. Tom Hartman
