RENEW JEWISH AWARENESS THAT JEWS ARE CHOSEN PEOPLE

In all recorded history, the number of Jews in every nation is greatly overestimated. Millions of intelligent and educated people in every nation ascribe to Jews powers they do not ascribe to any other people. These are facts which can not be denied.

There are two explanations: (1) The influence of Jews in every nation in every period of history was and is much greater than their numbers would indicate, and (2) the intelligent and educated people, as well as the uneducated and ignorant people, all see that everything works in favor of Jews.

A quick survey shows the extent of Jewish influence-- Jews have influenced the development of Christianity and Mohammedanism. For these reasons, both religions share with Jews an interest in the land which God gave to Jews as an eternal inheritance. Dr. Sigmund Freud opened the age of modern psychology. Dr. Albert Einstein opened the age of modern nuclear physics. The American constitutional-form of government was established by the Puritans and their descendents using the Old Testament as their guide. These are facts which can not be denied.

Biblical and secular history for four thousand years (And what other people have such a long written history?) prove that every nation that sought to oppress Jews was destroyed by an invisible, mysterious power! And the Golden Age (the age of greatest peace and prosperity) of every nation in history coincided and coincides with those periods of history when Jews lived and live in peace and prosperity within that nation. These are facts which can not be denied.

What is the true explanation for facts which can not be denied? The explanation is written in the Bible which is written in every language and distributed to every nation of the World. Whatever was his reason, the God of the Universe, our Creator, chose Jews to be his children, his people, his nation, a nation of priests. People who read the Bible and believe it is true and not false, know that these are facts which can not be denied.

What does it mean to be chosen? It means, first, that a Jew can not reject this. God chose Jews without their advice or consent. There is no place in the record of the Bible that Jews asked to be chosen. Having been chosen, there is no way Jews can escape. In all other ways, Jews are like all other people. This one fact, that they are chosen by a Supernatural Power, makes them unique.

Secondly, having been chosen by a Supernatural Power, this Supernatural Power becomes the Father and King of the Jews. The King of the Jews protects his children, his people, his nation. Wherever Jews live, that is the place in reality where the King of the Jews has his Kingdom.

The observations made by millions of intelligent and educated people that an invisible and mysterious power works in favor of Jews is true. All things on this earth and throughout the Universe is controlled by the Father and King of the Jews! The first duty of a Father is to protect his children; the first duty of a King is to protect his nation. For these reasons, everything works in favor of Jews.

FIVE FUNDAMENTAL LAWS OF SUPERNATURAL POWER by Joseph S. Wright

1. Supernatural Power is everywhere all the time.
2. Supernatural Power gives victory and success to people who are most united.
3. Supernatural Power endows all people with certain Unalienable Rights.
4. Each person is born with a faculty to communicate directly with Supernatural Power.
5. Supernatural Power chooses Jews. (Supernatural Power destroys people who oppress Jews and blesses people who unite with Jews.)

Because Supernatural Power chooses Jews, we have a documented record in their history. We can analyze their history to learn how Supernatural Power blesses people who unite with Jews and destroys everything (nations, cultures, civilizations. etc., etc.,) that oppress Jews.

We can observe how Supernatural Power endows Jews with Unalienable Rights and enforces these rights even when people, nations, armies, cultures, civilizations, etc., seek to deny them these rights.

By uniting with people on the basis of recognizing and respecting each other's Unalienable Rights, we can change the world through Supernatural Power and promote international and eternal Peace, Prosperity, Health and Happiness.

Because united prayer is an effective method to use Supernatural Power, let us proclaim two eternal holidays for people of all religions, nations and races:

1. On May 1st we will unite in prayer and other appropriate ceremonies and exercises to celebrate International Unalienable Rights Day.
2. On Rosh Hashanah which some people believe is the Anniversary of Creation, a day of Judgment, we will unite in prayer. All people will pray at their place of worship in their manner of praying.

WE SHALL REMEMBER THE HOLOCAUST FOREVER AS IF IT HAPPENED TO US!

Why remember the Holocaust? For the same reasons we remember our escape from Egyptian slavery every Passover. We were slaves of Pharaoh...Likewise, we were slaves of Hitler...and our God took us out with a mighty hand and led us to the Holy Land--ISRAEL! If God did not intervene, we also would all be dead!

Even as our slavery in Egypt ended with the establishment of Israel in the Holy Land according to God's plan, it has happened again in our lives and we are the witnesses! We shall remember it forever!

Of all the nations at the time of Pharaoh when we needed them there was none to help us! Likewise, of all the nations of the world (including Great Britain and the United States) when we needed them, there was none to help us! But the mighty hand of God prevailed! Our enemies were totally destroyed and we are resurrected in our own land as God with his Omniscience and Supernatural Powers promised and planned!

Again the libel is arising! Again our enemies, as in every generation, are planning to create an international atmosphere that Jews are "trouble makers" and "an obstacle to peace", so that all nations may stand by dumbly while the enemies of the Jewish God destroy his children and his people! All the nations in the United Nations Security Council voted unanimously for the infamous United Nations Resolution (3/1/80) which legalizes the denial of living-space to Jews (Israelis) because of their religion. Our enemies would, if they could, deny the Holy Land to Jews!

But we shall remember! We shall be forewarned! We have survived for four thousand years when all nations turned against us! And by the same Supernatural Power, we shall survive again! The King of the Jews judges our enemies every Rosh Hashanah. And on every Yom Kippur he decides who shall live and who shall die, who shall have victory and who shall be defeated, who shall be rich and who shall be poor, who shall be healthy and who shall be sick! We always stand by and witness the destruction of all our enemies!

Whoever unites with us, the King of the Universe blesses with peace, victory and success; but whoever oppresses us, he destroys!

AN EXPLANATION OF THE HIGH HOLY DAYS

The High Holy Days start with Rosh Hashanah (The Anniversary of Creation) and end a week later with Yom Kippur (God's Judgment Day).

All people, Jews and non-Jews, and all his creation (animals, planets, galaxies, etc.) are examined, reviewed and judged between Rosh Hashanah and Yom Kippur. But because of his love, good-will and mercy, God gives everyone and everything a chance to plead their case before him. If he is moved, he can and does alter his punishments. He is moved by prayer, charity and repentance. This is Supernatural Power--the secret of Jewish survival and success.

Below is printed one of the prayers used on both these days which explains the purpose and meaning of the High Holy Days:

"We will express the mighty holiness of this day, for it is tremendous and awful. Your Kingdom is exalted and your throne established in good-will. Upon it you are seated in truth.

"Truly it is you, God, who are Judge and Arbitrator, who knows all, and are witness, writer, sealer, recorder and teller. You call to mind all things long forgotten and open the book of records so that it may be read of itself. Every man's signature is in it.

"The great trumpet is sounded! A dull murmuring noise is heard! The angels shudder! Fear and trembling seize them!

" 'Ha', they cry, 'it is the Day of Judgment! The heavenly choir are to be visited in judgment!' For in justice, even they are not found faultless before you.

"All who are about to enter into the world now pass before you, as a herd of sheep. As the shepherd musters his flock and passes them under his staff, so do you cause to pass, number, appoint and visit every living soul, fixing the limitation of all creatures, and proscribing their destiny.

"On the First Day of the year it is inscribed, and on the Day of Judgment (Fast Day of Atonement) it is sealed and determined, how many shall pass by and how many be born; who shall live and who die; who shall finish his allotted time and who not; who is to perish by fire, who by water, who by the sword and who by wild beast; who by hunger or who by thirst; who by an earthquake or who by the plague; who by strangling or who by legal conviction; who shall be at rest and who shall be wandering; who to remain tranquil and who be disturbed; who shall reap enjoyment and who be painfully afflicted; who grow rich and who become poor; who shall be cast down and who exalted.

"But penitence, prayer and charity can avert the punishment."

THE HISTORICAL RECORD OF SUPERNATURAL POWER IN THE AFFAIRS OF MEN

The reason God has chosen Jews and made himself King of the Jews is that he wants all people to learn about the reality of his Supernatural Power: everyone who unites with Jews is blessed; everyone and everything that oppress Jews are destroyed!

The first duty of every King is to protect his own people and his own nation. His second duty is his relation with his own people.

First and foremost, the King of the Jews protects his own people and his own nation. Then secondly, the King of the Jews is involved in his relations with Jews.

According to the manner people and nations relate to Jews, the King of the Jews blesses them or curses them. The enemies of Jews cry, "Peace, peace" when there is no peace. Neither armies, gold nor faith can give them what they seek unless they unite with Jews.

These mighty nations and empires oppressed Jews: Babylon, Persia and Rome. Each prospered when it lived in peace with Jews; each was destroyed when it oppressed Jews.

A more recent example is Spain. During the period when the Spanish people and nation were united with Jews, Spain prospered and became the first and most prosperous nation in Europe; when Spain oppressed Jews, it fell and became the most poverty stricken and underdeveloped nation in Europe; when Spain became neutral to Jews, it languished and it continues to be the most underdeveloped nation in Europe.

In Germany, when the people and nation were united with Jews, Germany became the foremost nation in Europe. When the German people and nation oppressed Jews, it was destroyed most. When the German people repented and paid reparations to Jews for their crimes against Jews, Germany was rebuilt and is again the foremost nation in Europe. Because the other nations of Europe have not repented nor paid reparations to Jews for the crimes committed against Jews in their lands, their economies languish behind Germany.

In nations like China which have been neutral to Jews, their economies have languished for thousands of years.

When the Czaristic government of Russia oppressed Jews, the Czaristic system was destroyed. When the Russian government and people cooperated and united with Jews, they flourished and became the first nation to open the space age by sending up a satellite. Now the Russian government is oppressing Jews and we confidently expect the destruction of this government unless it repents and pays Jews reparation for the crimes it is committing against them.

The histories of the nations of the world are written in many books. Historians study these records to find principles to explain the forces that shape historic development. For this reason, our Creator has chosen Jews that there may be a real material record which these scholars can study and in that manner verify the reality of his Supernatural Power in the affairs of men.

Jews stand by (as they have for four thousand years) and watch as the King of the Jews blesses all who unite with them and destroys all who oppress Israel.
