Series E: General Alphabetical Files. 1960-1992
Box 86, Folder 8, NBC "Holocaust" - Brazil, 1979.
"Holocaust" was viewed by millions of Brazilians when it was aired nation-wide December through 1978. The film, which was divided into 9 segments, was presented by TV Globo, Brazil’s largest television chain.

Not unlike most countries, Brazilian screening of "Holocaust" was met by controversy. Mr. Jan Kinast, Polish Ambassador to Brazil requested that scenes which depict uniformed Poles killing Jews alongside the Nazi soldiers be deleted from the film. Kinast claimed that these segments distort the truth. TV Globo denied the Polish Ambassador’s request.
