Dear Angelo,

I felt genuine pain to learn of the cancellation of your Institute. But having just seen a listing literally of dozens of summer institutes in the last issue of the NATIONAL CATHOLIC REPORTER, I can begin to understand how great has become the competition.

I genuinely hope that it will be possible to conduct the Institute in the following year —if for no other reason than it gives me a chance to spend some time with you. I have come to cherish our friendship and collegiality as one of the rich blessings of my life and work and would hate to see that disappear.

In any case, whatever your plans for the future, I pray for everything good for you and your loved ones.

Cordially, as ever,

Dear Marc,

It is with deep regret that I am writing to tell you that we have been forced to cancel the Religious Education Institute scheduled for June 19 to 24.

For the first time in seven years, the registrations are insufficient to warrant our going ahead with plans. Apparently the large number of such institutes being given throughout the country since we initiated our series has affected our enrollment. We thought that by May 1 the numbers would be large enough to insure a successful institute, but such is not the case.

Your presence here for the past several years has been a rewarding experience for all of us at Mount St. Joseph as well as for the thousands of educators who participated in our institutes. We are sorry that this happy association must be interrupted, but we sincerely hope that at some future time we may have the pleasure of welcoming you once again to the Mount.

We regret any inconvenience this cancellation may cause you and trust we are informing you early enough so that you may make other plans. If you are in the Cincinnati area at any time, please do get in touch.

Sincerely,

Rev. Angelo A. della Picca

Dear Marc,

Enclosed is a copy of the tentative program for the Religious Education Institute at Mount St. Joseph. You will note we have you listed for two lectures on Wednesday, June 22. I will appreciate it if you will let me know the topics you prefer to handle.

We are inviting all our lecturers to be reactors at the (b) seminars and also to participate in the evening Forums which will be devoted to topics related to the day's lectures. I would be most grateful for your participation in any of these sessions, if you find this possible. For your convenience a form is enclosed for your reply.

I hope all goes well for you. We are in the midst of a spring break, preparing for the last very busy weeks of the academic year.

With all good wishes, I am

Sincerely yours,

Dear Angelo,

It was very good hearing from you again.

The dates of June 20th through the 24th at present are open for me. I can arrange to take part in the Institute on two of those days. If you would let me know shortly which are preferable I will book them now.

The title is an extremely important one and I shall address myself to the subject of Ecumenism or Evangelization: A Real Dilemma?

I will have to find an appropriate way to indicate to Cardinal Baum the importance of his accepting your invitation. On my next visit to Washington, perhaps I will telephone him and drop a good word. I will let you know if anything comes of it.

With warmest personal good wishes, I am,

Dear Marc,

AMERICAN JEWISH

In looking forward to our 7th Ecumenical Institute on Religious Education for 1977, I am hoping that you will again be able to be with us for one or two days. The dates will be June 19 to 24 and the theme will be - Ecumenism or Evangelization: A Real Dilemma?

You have made a great contribution to our Institutes in the past and I am sincerely grateful for your interest and participation. I wrote to Cardinal Baum, inviting him to give the opening or closing address in 1977 but he has replied that he is booked for Commencement exercises on both those dates. I intend to write again, telling him we will be happy to have him come on any of the in-between dates if that is possible. I would really like to have him on our roster of speakers. Do you think you could possibly urge him to come if he has a date open that week?

I am sure your work continues at its usual great pace and I ask God to give you the health and strength to keep up with all the demands made on you.

With all good wishes, I am

Very sincerely yours,

Angelo

P.S. We will reserve for you whatever date or dates will fit into your schedule.
