Dear Irvin,

I enjoyed very much meeting you last Sunday. I hope we will have occasion to be together in the months ahead.

You are very much on the wavelengths of the American Jewish Committee, and I would be personally delighted if you would consider joining us as a member, and become involved in our important work.

But whether or not you join us, it was my genuine pleasure to come to know you, and I look forward to our further contacts.

Cordially,
