Rabbi Herbert Friedman
15 Ibn. Gvirol St.
Jerusalem

Dear Rabbi Friedman:

In my first letter to you, I requested a meeting in order to discuss your part in formulating the master plan for Yamit.

At the 25th anniversary convention of the AACI, you told me that you are the author of the plan. I would appreciate the opportunity to sit with you and to pursue your statement further.

Since October of 1975, I have been living in Yamit doing research on its social and economic development. I am a doctoral candidate in social anthropology affiliated with the University of Rochester in the United States.

Please reply as to when a meeting can be arranged in Jerusalem. I am looking forward to speaking with you.

Sincerely yours,

Liane Rosenblatt

Dear Rabbi Friedman:

We met at the 25th anniversary convention of the AACI when you noticed my name-tag with the address Yamit. At that time, you informed me of your involvement with the writing of the Ministry of Defense plan on this settlement.

For the past year, I have been living in Yamit engaged in research on its social and economic development. I am a doctoral candidate in social anthropology affiliated with the University of Rochester. It would be very helpful to speak to you about your contribution to Yamit's formation.

Please reply as to when a meeting can be arranged in Jerusalem. I am looking forward to meeting with you.

Sincerely yours,
