Dear Ralki Friedman,

Thank you very much for your letter,
I am working very hard on the monument
for Philadelphia in memory of our
greatest sorrow.

I hope that you will be able to
give me a little of your time in
the middle of November in New-York.

If this is not difficult for you,
please let me know where I will
be able to visit you in Rome the
13 October? I shall certainly try
to meet you.

I am looking forward
to meet and "work" with
you.

I wish you dear Ralki
all the best

Dear Sir,

Mr Boris Juralar told me about your wish to make your head in sculpture.

I am very happy, of course I will do my best. All I need is about ten hours. 7 or 8 sittings.

Will you be so kind and let me know when you will be in New York. I don't think that I will be able to return in September.

I sincerely hope that I will find in you a great inspiration and a friend.

Sincerely yours
Natan Rapoport
