Golden suggests a letter along the following lines, over WR's signature:

Eddie Warburg, Dewey Stone and I would be most pleased if you would join us and a small group of your fellow-Torontonians on Saturday evening, February 2nd, just ~~xxxx~~ prior to the United Jewish Appeal dinner at the Waldorf Astoria/ This meeting will be held in Suite 4F at the Waldorf-Astoria in New York. at 5 p.m.

All of us in the UJA in the United States have for some time felt ~~that~~ a need and desire to become more closely acquainted with the leaders of the Canadian Jewish community. It is believed that this small private meeting with you on February 2nd will provide us with a most welcome opportunity to meet personally.

Dr. Epstein, the Co-Chairman of your UJA campaign has been asked to advise us as to who will be attending this meeting and it would be appreciated if you would let him know that we can look forward to seeing you there.

Dewey Stone has approved of the meeting and a letter of the above type. Golden would like a copy when the mailing goes out.

DRAFT OF LETTER ON SPECIAL MEETING FOR TORONTO LEADERS

Dear.....

Edward M.M. Warburg, Dewey Stone and I would like to have the pleasure on Saturday evening, February 2nd, of meeting with you and other outstanding Toronto leaders just prior to the United Jewish Appeal Dinner at the Waldorf-Astoria Hotel in New York. This, therefore, constitutes a most cordial invitation to you to attend this meeting, which will be held in Suite 4F of the Waldorf-Astoria at 5 p.m.

It is eagerly anticipated that this occasion -- which is intended as a small private affair -- will provide a long desired opportunity for some of us of the UJA in the United States to become more intimately acquainted with leaders of the Canadian Jewish community such as yourself.

Please advise ^{Arnold} Dr. Epstein, the Co-Chairman of the Toronto UJA * campaign, whether or not you will be able to attend the meeting preceding the dinner on February 2nd.

Cordially,

W.R.

Mr. William Rosenwald

Melvin S. Goldstein

Attached hereto is a draft of a letter to be sent to some twenty Toronto leaders.

Dewey Stone was in Toronto some days ago and the people there said it would be most helpful if some of the Toronto leadership could be tied into the February 2nd meeting. They also felt that if they could have a private meeting just before the February 2nd Dinner, they would be able to get some good gifts. Dewey thought this would be a good idea, and he said that while he certainly could not commit you or Eddie Warburg he would make it a point to attend this special Toronto function.

The campaign director in Toronto has asked that the attached letter be sent. He understands there is no commitment on your part or on Mr. Warburg's to attend this special function. Chances are only Dewey Stone will be there for the UJA.

MSG:

Robert Golden of Tronto called - nervous.

I explained that letter was waiting WR's approval- WR enroute.

1. He wanted to know if we couldn't switch it to a Warburg letter. I said this not feasible since draft already on WR's desk.

2. He thought it would be all right if we could get them out Monday - Special Delivery. Although He's notifying his people, says it doesn't look right if letter doesn't arrive soon. He would like to be phoned Monday to confirm mailing.

3. Miss Shatzberg did call Berger to find out if we could get an early approval, but WR is ^{not} due back until 6:10 p.m.

S is out

Can it be handled.
