**The Pre-Kindergarten Program**

## The Need

The Israel Education Fund was established in 1964 to help provide desperately needed comprehensive and vocational high schools for the people of Israel. However, pioneering efforts in pre-kindergarten education in Israel have shown that full educational integration of a diverse population must start *before* the primary level. It must begin with pre-kindergarten schooling.

Israeli educators found that a child's ability to absorb quality education unmistakably starts at the age of three. It was further found that a child of that age who is poorly stimulated with toys and games and is not introduced to abstract concepts and imagery in speech will be at a severe disadvantage.

The "head-start" which pre-kindergarten training provides children is crucial to their future growth and intellectual development. Starting children on the path to a meaningful education, as early as their first one or two years, is vital if they are to reach their potential and take advantage of future educational opportunities.

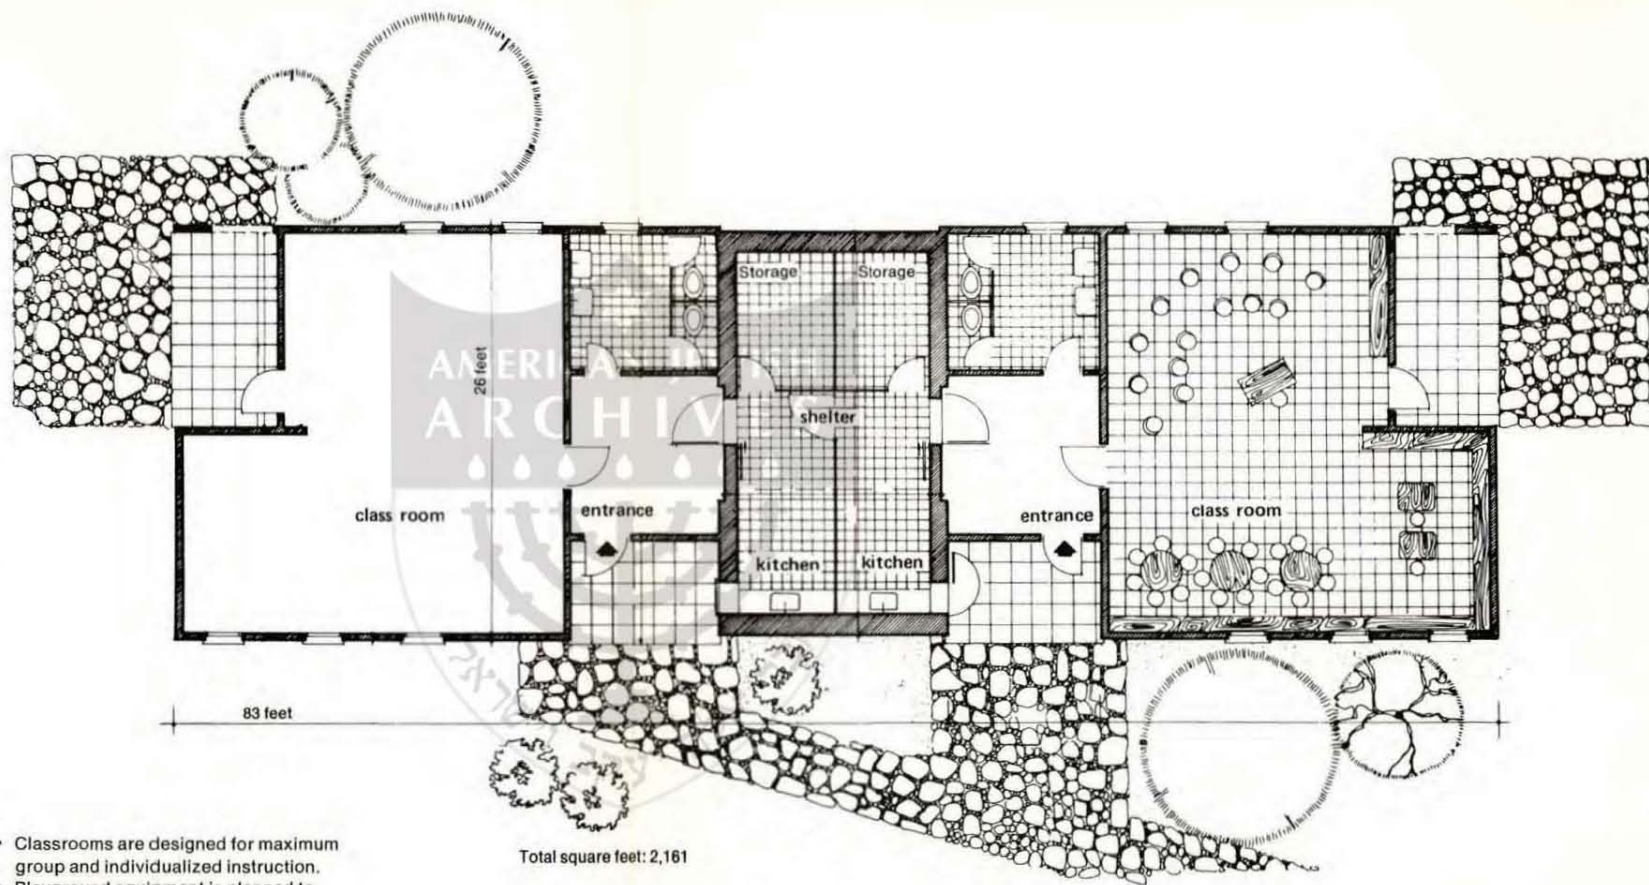

Many children from areas in Asia and North Africa, require a pre-kindergarten introduction to the world of learning if they are to keep up with the children from the educationally advantaged countries of the west.

The Israel Education Fund Pre-Kindergarten schools are designed to double as day care centers permitting mothers who must work the opportunity to become productive citizens in a dynamically growing country. Such utilization of the pre-kindergarten schools has significant impact on the living standards of families using Israel Education Fund facilities. In effect, each school becomes a vital early life center for 70 boys and girls. Initially, the pre-kindergarten program will only involve three and four year olds. But expansion to include one and two year olds is anticipated. It is the goal of the Israel Education Fund to provide at least one pre-kindergarten school in every development town and immigrant sector.

The Israel Education Fund seeks donors for 1,000 pre-kindergarten schools. All are needed within the next three years. The minimum subscription is \$100,000 for three schools.

- Classrooms are designed for maximum group and individualized instruction.
- Playground equipment is planned to encourage creative play.
- Each school is equipped with a full working kitchen to provide one hot meal.
- Each school will have a protective shelter.

The IEF was established in 1964 to meet the shortage of comprehensive and vocational high schools in Israel. This is what the fund has accomplished as of 1972.

Much more is needed however. We must provide: 35 High Schools, 1,000 Pre-Kindergartens, 2 Libraries, 20 Community Cultural and Youth Centers, 20 Sports Facilities, 10 Community Colleges and 5 Field Schools.

AMERICAN JEWISH  
ARCHIVES

The Israel Education Fund, a program of the United Jewish Appeal, was established in 1964 to meet acute building, personnel and equipment shortages in Israel's system of secondary education, particularly in the country's immigrant development towns. It seeks funds for the construction of high schools, libraries, community centers and pre-kindergarten schools, and for the establishment of scholarships for students and teachers in training.

This Directory is designed so that the visitor to Israel can locate a specific Israel Education Fund facility quickly and efficiently. It has the added use of being indexed by donor's home city as well as Israeli location. The center spread contains a map of Israel for easy reference.

## MEMORANDUM

FROM: EHUD MOUCHLY

SUBJECT: SUMMARY FOR JANUARY, 1972

IB

A. Administrative:

1. I was in Israel (refer to separate Memo to Record 1/31/72) on Israel Education Fund business from January 1 through January 19.
2. While away, I let Michael Yudin "sink or swim". He swam, with great help from Jo Lynn and Chanie.
3. The Priority List was brought up to date and will be up-dated every two months.
4. Elad Peled's visit--He will be working for us from March 1 through March 14. We are planning Parlour Meetings for New York, Washington, D.C., Denver (?), Los Angeles (?), San Francisco (?). I will be taking him on my solicitations during that period as a "briefer".
- 5) Israel Education Fund Public Relations--Irving Friedman and Michael Yudin are working on, A) organization of a general brochure on the Israel Education Fund; and B) New format for our presentations.

While in Israel, discussed Public Relations with Bar Am and Eliezer Shavit, and we agreed on a "Modus Operandi".

I am working very closely with M. Peppercorn and his staff of our active prospect list--getting clearances, discussing same with the respective Federation Directors. I should have a "cleared" active list by the end of February...when Phil Zinman and I plan to hit the road

- 6) Eliezer Shmueli: We are inviting him to come to the States to help with Israel Education Fund business in May.

B. Solicitations, Closings, Verifications and Collections:

1. Henry Rose: He is currently abroad and when he returns, I shall continue with negotiations.
2. Nehemiah Cohen, Washington, D.C.: I am doing all that is needed to follow our contract to the letter.
3. Harry Silna, Fort Lee, New Jersey: Settled with him the problems of the location for his three Sports Centers in Yahud, Or Yehuda and Lod. He accepts that we cannot give Kinneret. His first payment was received, and he is no longer overdue.
4. Boston Massachusetts: The Mutual Fund solicitation is progressing, but extremely slowly.
5. Sidney Edelstein, Englewood, New Jersey: Solicited him for five pre-kindergartens upon my return. He declined saying he can afford only three at

Sidney Edelstein (Continued)...on a Mission to Israel and while there, following the Mission, Shavit may try for an increase on his pledge. We shall finalize it upon Edelstein's return in mid March.

6. Louis J. Horowitz Fund (Samuel Nass, New York, New York- Trustee):  
Since this comes under Womens Division, we shall not be receiving a formal pledge, but it is as good as done.
7. Abraham Shiffman, Detroit, Michigan: Pending clearance from Avrunin, Phil Zinman will solicit him for a new project.
8. Morton Wolf, New York, New York: No reaction from him to either my initial polite letter or to my later, blunter, letter. I am asking Charles Bensley to approach him for collection. Currently overdue \$40,000.
9. A. L. Freedlander, Dayton, Ohio: Lou Goldman promised to help us get the Estate to pay the \$125,000 pledge. Phil Zinman following up with Goldman.
10. Philip Stollman, Troy, Michigan: Phil Zinman checked with Max Fisher. Fisher assures us that the pledge is good. Phil Zinman following up with Fisher as to terms of payment.
11. Harry Farb, San Diego, California: Still in negotiations.
12. Shoshana Sapir Project: We, now, have clearance for a plaque naming donors. We do not, however, have any suitable rendering of the project as yet. Shavig has to send them as soon as possible. Phil Zinman to request Joseph Meyerhoff to start sounding out people without the plans.
13. Morton Mandel, Cleveland, Ohio: Cleveland Federation has not settled with him on his gift yet. I am following up.
14. Los Angeles and San Francisco Federations: M. Peppercorn and I are flying to the coast in mid February to "have it out" with the two Federation Directors involved. I shall try, then and there, to see those prospects who are cleared for approach.
15. Arthur Bierman Estate, Dayton, Ohio: The Estate has applied for an extension from the IRS. We are to follow up May 1.

16. Irving Schneider, New York, New York: I met with Raphael Spanien, after whom the school is to be named, in Geneva. He was extremely helpful and seems very anxious to proceed. Schneider, however, who is to put up the money, is very evasive and has not agreed to see me yet. I am following up.
  17. Appleman Family, Brooklyn, New York: We are drawing up the contract with the Family which will guarantee \$200,000 for the Israel Education Fund once the Tiberias school has been finished. We have given the family a lot of grief in the past and our contracts with them will be the tightest possible.
  18. Joseph Shane, Los Angeles, California: Collection problem...knowledgeable people questioning it. Phil Zinman, nevertheless, to follow up.
  19. Horace Goldsmith, New York, New York: Currently out of the country...will be solicited upon return.
  20. Bernard Barnett, Louisville, Kentucky: Signed pledge in the file for \$200,000. In addition, the mention of an oral pledge for \$250,000. I am trying, together with Zinman, to verify whether we have here \$450,000 or only \$200,000.
  21. Theodore Racoosin, New York, New York: Presented him with our preferences for the three sites for his three new schools. But since he is in the hospital following an accident, I have not pressed him to sign the pledge as yet. Will follow up with him when he returns to his office.
  22. Emanuel Ebin, Brooklyn, New York: Minister Sapir will solicit him for a new project.
  23. Morris Levinson, New York, New York: Currently overdue. Promised me a payment by end of February.
  24. East St. Louis Federation: The Federation is interested in commemorating two of their leaders. I am following up with their Executive Director and one of his lay leaders.
  25. Malcolm Woldenberg, New Orleans, Louisiana: According to our files, he has pledged a total of \$450,000 for three facilities. He has paid up in full for his pledge to the Denmark School. We are seeking to verify how he plans to liquidate the rest of his obligations.
- C. Total actual income receipts for the IEF during the month of January, 1972, (reflecting payments on pledges and Unsolicited Scholarship contributions) were \$188,881.00.

**SUBJECT: AMOS HEILICHER - Minneapolis, Minn.**

I spoke to Heilicher on March 1st, and asked him to see Gen. Pelled and myself on Monday, March 6th or Tuesday, March 7th.

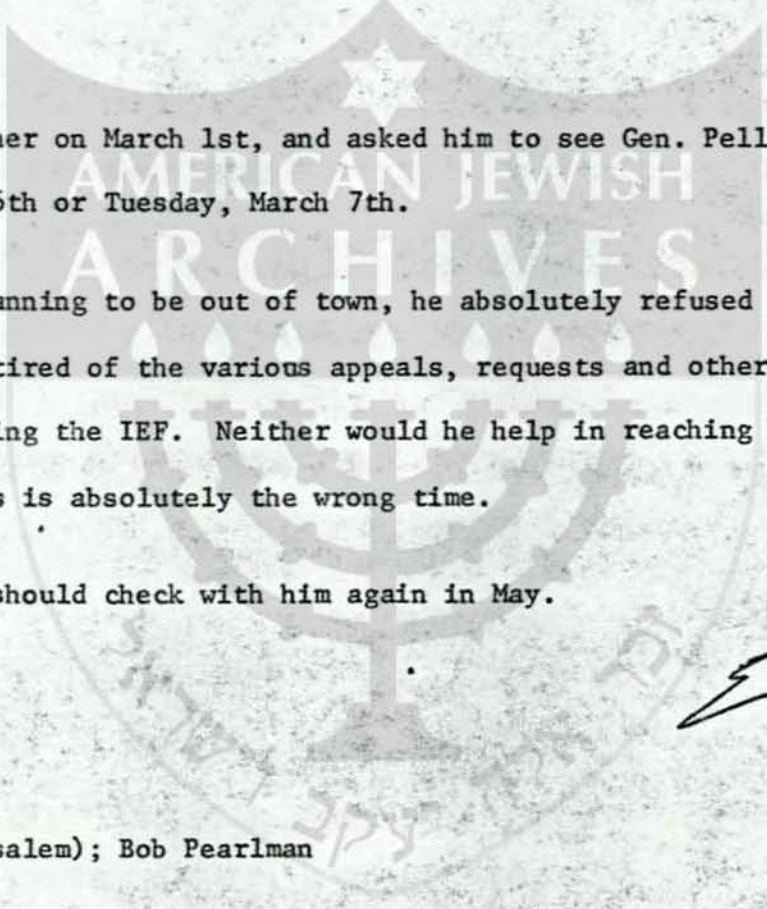

Other than his planning to be out of town, he absolutely refused to see anyone, saying that he's tired of the various appeals, requests and other fund raising activities excluding the IEF. Neither would he help in reaching Fingerhut, claiming that this is absolutely the wrong time.

We agreed that I should check with him again in May.

Re: Israel Education Fund - Project No. 993

In accordance with memo of February 22, 1972 received from Mrs. Berenice Frant we have set up an Israel Education Fund pledge for \$33,000 for 1972, divided equally to the two donors noted above, to which we have assigned Project No. 993. This project is for a pre-kindergarten in Jerusalem.

The pledge is to be billed to the Philip and Emanuel Cantz Foundation at 216 Harrison Avenue, Harrison, N. Y. - it is to be paid in three years in installments of \$10,000 per year. We have therefore made a special billing for the account.
