Dear Herb:

"A pro is a pro is a pro..." I can't begin to thank you enough for the keynote address that you presented to the Young Women's Leadership Cabinet at their first annual retreat. No one but you could have set the stage for the Cabinet and clarified their roles and tasks for the future.

I loved your definition of a leader and I am only sorry that not enough present understood who you were referring to when you said, "and the others shall fall by the wayside."

I must say that your insight has helped me also, as a professional, to put my role with this new group on the right track.

Herb, once again, my thanks for being you. My love to Francine and the children and hopefully we'll see you in Israel real soon.

Cordially yours,

Barbara Faske

Dear Herb:

Just a short note to thank you for playing such an important role in the success of the Young Women's Leadership Cabinet first annual Retreat. Your opening remarks had not only succeeded in bringing the problems of the Cabinet into the open but enabled us to consider them and realize that we have a very important task ahead of us.

The end result is that the Young Women's Leadership Cabinet is a newly formed cohesive group of women who are dedicated to the ideals of Jews and to helping raise money. Our efforts and tasks will be utilized in a very positive manner. Thanks to you, we are off to a good start. Another dream has become a reality.

Hope all continues to go well with your current endeavors. Let me know when I can be of help. I will be in Israel at the end of June and will give you a progress report at that time.

Once again, thanks for everything.

Fondly,

 Jane (MLP)

Dear Herb:

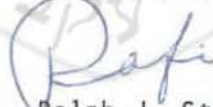

Thank you very much for your letter of February 4. So far I have not heard from Arden, but I do look forward to discussing with you some of the matters which we discussed in Washington. I will be at the Diplomat Hotel on Tuesday, May 9 and hopefully we'll have some time to get together.

On Saturday night, August 12 I would very much like to set aside the entire evening for a dialogue between you and the Executive Committee. The fact that this is also Tisha beAv surely cannot harm this dialogue. We will be meeting at Pheasant Run outside of Chicago (St. Charles) and when and if you accept, we can work out the details.

We would also like you to consider joining us for our Annual Seminar the weekend of September 21 - 24. We would like you to speak on the subject of your choice which will be inspirational to the new members coming on the Cabinet on either September 21, 22, or 23. Please let me know as soon as possible which date suits you best so we can line up the speakers we will need for the other dates.

Looking forward to hearing from you.

Dear Herb:

I have received nothing but raves from the men at the Seminar this past weekend regarding your participation. I must say that the Divar Torah on Saturday morning was an absolute tour de force and made the Bible come alive for many of the men who were sitting there. I would say that if you don't make it as a fund raiser, you can always go back into pulpit work.

All kidding aside, I must thank you for having contributed greatly to the success of the weekend and I am looking forward to working with you again in the future.

Sincerely,

Laurence H. Rubinstein

Dear Herb:

The affair for Senator Joe Biden in New York last Monday night at which Senator Moynihan spoke turned out to be a real success. Your support helped make it so. We have a real friend in Senator Biden; as a member of the foreign relations committee, his position on Israel is one that we can all be proud of. Thanks again for your help. You will be hearing from the Senator.

Dear Herbert:

Enclosed is a copy of your interview with the Reading Times as per your request.

Your presence in Reading both inspired and motivated our Major Givers to increase their 1979 pledge cards over 1978 by approximately 15%.

A number of those in attendance will also be workers soliciting other givers, and now they will do so with more vigor and dedication because of your visit.

What more can I say to a terrific pinch hitter than
THANKS.

Dear Rabbi Friedman:

On behalf of the York Council of Jewish Charities and its Board of Directors, I want to extend our gratitude for the speech you delivered at our Special Gifts Dinner Sunday, December 17th. It was indeed inspiring and the results monetarily were excellent.

I will forward to you in the near future a tape of your speech (with the exception of the time we flipped over the tape to the other side). Ken Singer, your UJA representative, informed me that you had made a request for same.

One of the most moving parts of the evening was your presentation to Tim Grumbacher. I feel it did a lot to enhance the quality of the evening.

Thanking you again for a memorable evening and hoping to have the pleasure of seeing you again, I am

Very truly yours,
