Dear Herbert and Francine:

You were most thoughtful and generous to send Sue and me a copy of "Caesarea". It is such a fascinating and beautiful place and we have enjoyed reading something of the long history behind it.

We so much enjoyed being with you at your home during our visit to Israel. I guess we are still trying to get our feet back on the ground after that tremendous experience. All of us have much to think about and, of course, our visit with you will always remain one of the high points of the trip.

With our thanks again and best wishes for the Holidays,

Sincerely,

SENIOR VICE PRESIDENT

December 28, 1970

Mr. Herbert Friedman  
Suite 2900  
1290 Avenue of the Americas  
New York, New York 10019

Dear Mr. Friedman:

Mrs. Hawkins and I would once again like to thank you for your very gracious hospitality at Caesarea. Your beautiful home and warmth, together with the sense of history, was a most unique experience for us. We would also like to thank you for the book relating the Ancient History of Caesarea, which arrived just recently.

As you might suspect, Mrs. Hawkins and I on reflecting after our return from Israel, concur that our visit to the Holy Land and our exposure to the current life style of Israel was a unique experience in our lives. As I mentioned recently to Got, as far as we were concerned, the "mission was accomplished".

Again, many thanks to Mrs. Friedman and to you for your thoughtfulness and hospitality.

Best regards.

Sincerely,
