Dear Mr. Prager:

The Columbus contingent of the Wexner Foundation Leadership Development Program is looking forward to our weekend retreat scheduled for January 31 - February 2. Enclosed for your information, please find a copy of our program syllabus. This will give you some insight into the experience and preparation level of our study group.

The program will take place at a farmhouse in the country (about a one hour and fifteen minute drive from Columbus). Our current plans are for the group to leave Columbus at approximately 3:00 p.m. on Friday and return around 2:00 p.m. on Sunday. Herb Friedman and/or I will plan to meet you at the airport on Friday. (Please send me your flight information)

As I mentioned on the phone, we all have access to copies of your two books and to the Encyclopedia Judaica. Please let me know if there is additional suggested reading in preparation for our weekend. I look forward to meeting you.

Very truly yours,

Holly S. Kastan
