Dear Herb:

On behalf of the United Jewish Appeal's Young Leadership Cabinet, we would like to officially invite you to our 1990 annual Cabinet Retreat being held in Snowbird, Utah from August 22-26, 1990. We would like you to be our guest for the entire retreat period.

It would be pretentious of us to attempt to explain to you what the Young Leadership Cabinet is, since it was created as a direct result of your vision almost 30 years ago. As we enter the last decade of the twentieth century, the Cabinet is asking itself serious questions about its own identity and role within the Jewish community.

We have drafted a new Mission Statement that should serve as a framework for Cabinet life into the next century. At this retreat, we will focus on the concepts and substance contained within that Mission Statement. To set the tone for our dialogue, we would specifically like you to present an opening keynote address on Wednesday evening that would convey your views and vision of what is needed in Jewish leadership to carry us as a people into the next millennium. In addition, we would appreciate your participation in the ensuing dialogue as it evolves.

Feel free to contact either of us if you have any questions about your role. Please contact Brian Abrahams of the Young Leadership Cabinet at National UJA (212-818-9100) to confirm this proposed schedule. We both look forward to seeing you at the "pre-Cabinet" week in Snowbird under the auspices of the Wexner Heritage Foundation.

Best wishes,

Thomas A. Falik  
1990-91 Young Leadership  
Cabinet Chairman
