Commission

July 25, 1988

Dear Mr. Fisher:

Thank you for the generous amount of time you gave me last week. It was my honor to have met you, and your reflections on the field of Jewish education were extraordinarily helpful.

Everything is coming together very nicely for the meeting, and it looks like participation from commissioners will be good to excellent. As we discussed, Mort will be calling on you to make a brief statement after he completes his remarks. That should occur at about 11:00-11:15 a.m.

I look forward to seeing you on August 1st and again, thank you for sharing your ideas with me.

Cordially,

*Arthur J. Naparstek*
