YOUR MEMO OF: _____

SUBJECT:

I talked with Carmi Schwartz on another matter and he mentioned that he believes there is too much detail in the report of the meeting which was held with Perry and others in New York. He is particularly sensitive about comments about personalities, which comments should not appropriately be put into minutes. I have asked Ginny to keep the minutes confidential and to be careful, on our part, about handling this sort of confidential discussion.

Carmi may mention this to you but, in any event, I think he is right to alert us to it.

Dear Mr. Schwartz,

November 30, 1988

Here is the reference binder that was used at the Senior Policy Advisors' meeting on October 12. I am very sorry that the first copy we sent you did not arrive. I can only assume that it was lost in the mail, as I sent it myself.

I have also included a copy of the letter from Art Naparstek which was enclosed with the first packet.

I hope you find the materials helpful. Fortunately, there is still time to look them over before the December 13 Commission meeting.

Again, please accept my apologies for the delay, and let me know if I can be of further assistance to you in any way.

Thank you.

Sincerely,

Rachel Gubitz
