I was pleased with our fine conversation last week and look forward to the opportunity for CJF and CIJE to work together for Jewish continuity. I believe that CIJE has the potential to have a real impact on Jewish education and Jewish continuity in North America and was happy to learn from our discussion of your interest and support.

This letter is an invitation to you to join the Board of CIJE. It is our intention to meet in New York approximately three times each year as we work to implement the recommendations of the Commission on Jewish Education in North America. Our next meeting is scheduled for noon to 4 p.m on Thursday, August 26, UJA/Federation of Jewish Philanthropies, 130 East 59th Street, New York. I hope you will be able to attend. Details will be available shortly.

Dr. Barry Holtz, Program Officer for CIJE, will call you soon to brief you on current activities of CIJE.

Warm personal regards.

  
MORTON L. MANDEL
