1. *Pharmaceutical industry* – The pharmaceutical industry is a major player in the healthcare market, responsible for the development, production, and distribution of drugs. It is a highly competitive and regulated industry, with significant barriers to entry. The industry is characterized by high R&D costs, long development cycles, and a focus on innovation.

2. *Medical device industry* – The medical device industry is another key player in the healthcare market, responsible for the development, production, and distribution of medical equipment and devices. This industry is also highly competitive and regulated, with a focus on innovation and safety.

3. *Healthcare providers* – Healthcare providers, including hospitals, clinics, and ambulatory care centers, are the primary users of pharmaceuticals and medical devices. They play a crucial role in the delivery of healthcare services and are often the primary payers for these services.

4. *Health insurance payers* – Health insurance payers, including private insurers and government programs like Medicare and Medicaid, are the primary payers for healthcare services. They play a significant role in the financing of the healthcare system and are often involved in negotiating prices with providers and manufacturers.

5. *Patients* – Patients are the ultimate recipients of healthcare services and play a central role in the healthcare market. They are responsible for paying for their care and making decisions about their health and treatment.

The interactions between these stakeholders are complex and dynamic, shaping the healthcare market and the delivery of care. Understanding these relationships is essential for analyzing the healthcare market and identifying opportunities for innovation and improvement.

NOTES/COMMENTS:

Dear Steve,

I was fortunately able to locate my copy of the contact sheet (see attached). The photographs were taken on December 16, 1996 at the Dively Building on the campus of Case Western.

I would like to order 8 x 10 prints of the two frames indicated by brackets (in the top left corner of the contact sheet). The contact sheet was labeled "#3" in the package we received.

Please print the photographs as high contrast and quality as possible and send to our designer:

Elizabeth Finger
Elizabeth Finger Designs
1250 Chula Vista Drive
Belmont, CA 94002
Phone: (650) 637-0349

Please send via Federal Express for delivery by 10 am the next morning. This delivery can be charged directly to our Federal Express account number by indicating the number on the airbill.

As I mentioned in my last message to you, we are urgently awaiting receipt of these photographs to complete a project. Please let me know as soon as possible if you have any questions or difficulties in getting the prints to our designer.

I would appreciate it if you could update me on the status of the photographs as soon as possible. I can be reached at: (212) 532-2360, Ext. 11.

Thanks for all your help!

Sheet #3

MEMORANDUM

TO: KAREN BARTH
FROM: CHAVA WERBER
SUBJECT: CIJE BROCHURE
DATE: 03/13/98
CC: NESSA RAPOPORT

Enclosed are the contact sheets from the High School Seminar. In conversation with Liz Finger, we eliminated photos based on the following criteria: a) if contextually confusing (for ex. woman speaking in the photo) b) if aesthetically boring (according to Liz Finger).

The recommendations are as follows:

- Sheet #1 - frame 28 or 29 (Liz Finger's first choice)
- Sheet #1 - frame 16 (with left half cropped)
- Sheet #2 - frame 6, 7, or 8 (with left half cropped)
- Sheet #2 - frame 36 (with left half cropped)

Since speaking with Liz, there are two other photos I wanted to point out:

- Sheet #2 - frame 12 (with left half cropped)
- Sheet #2 - frame 31 (with left half cropped)

Please call me with your preferences when you have a chance. I will be in the office until 2:15 today and would like to place the order for the prints today if possible.

Also attached is the revised version of page 12 including the revised Chairman's Council list and the resized, recropped photograph. Is it OK?

Lastly, two updates:

- Gail reached Moshe Sokolow. He agreed to present on May 12, so March 18 is officially cancelled. I am making the postponement phone calls this morning.
- I wanted to confirm that Lee Hendler will not be attending the Board meeting (on her RSVP form she wrote, "will be on vacation with family").
