The interest in our work continues at a very high level!

With the first phase of our efforts concluded, we are gearing up for Phase Two, launching the Council for Initiatives in Jewish Education. We are currently beginning to recruit Board membership. Stephen Hoffman is serving as the interim Director, and I am pleased now to announce that Dr. Shulamith Elster has accepted the position of Chief Education Officer with CIJE. She has served on the staff of Charles E. Smith Jewish Day School, Rockville, Maryland since 1972, currently as headmaster. In addition, she has taught graduate courses in education and has spoken, counseled and published in her area of expertise--career development.

Again, thank you for your continuing efforts on behalf of Jewish education. It has been a pleasure to work with you. We will keep you informed as the CIJE takes form.

Dear Max:

Now that the Commission on Jewish Education in North America has issued its report, I want to thank you again for your efforts on the Commission's behalf. Your thoughtful participation in Commission meetings is deeply appreciated. Our report was well received at the General Assembly of CJF in San Francisco, and we have received many letters of appreciation from around the continent. The interest in our work continues at a very high level!

With the first phase of our efforts concluded, we are gearing up for Phase Two, launching the Council for Initiatives in Jewish Education. We are currently beginning to recruit Board membership. Stephen Hoffman is serving as the interim Director, and I am pleased now to announce that Dr. Shulamith Elster has accepted the position of Chief Education Officer with CIJE. She has served on the staff of Charles E. Smith Jewish Day School, Rockville, Maryland since 1972, currently as headmaster. In addition, she has taught graduate courses in education and has spoken, counseled and published in her area of expertise--career development.

Again, thank you for your continuing efforts on behalf of Jewish education. I look forward to working with you on the CIJE.

Thank you for agreeing to serve on the Board of CIJE. Staff will be in touch with you in January to schedule a first meeting, probably in mid-March. I look forward to continuing to work with you on behalf of Jewish education.

Dear Norman:

Now that the Commission on Jewish Education in North America has issued its report, I want to thank you again for your efforts on the Commission's behalf. Your thoughtful participation in Commission meetings and willingness to consult as we moved toward the Commission report are deeply appreciated. Our report was well received at the General Assembly of CJF in San Francisco, and we have received many letters of appreciation from around the continent. The interest in our work continues at a very high level!

With the first phase of our efforts concluded, we are gearing up for Phase Two, launching the Council for Initiatives in Jewish Education. Stephen Hoffman is serving as the interim Director, and I am pleased now to announce that Dr. Shulamith Elster has accepted the position of Chief Education Officer with CIJE. She has served on the staff of Charles E. Smith Jewish Day School, Rockville, Maryland since 1972, currently as headmaster. In addition, she has taught graduate courses in education and has spoken, counseled and published in her area of expertise--career development.

We are currently beginning to recruit the Board of the CIJE. I would be pleased if you would accept an invitation to serve on the Board. We will meet three times a year in New York and will be scheduling a first meeting for mid-March. If you have any questions about this, please feel free to call me at (216) 391-8300 or Steve Hoffman at (216) 566-9200.

I look forward to hearing that you will join in this next important phase of our work on behalf of Jewish education.

Dear Esther Leah:

Now that the Commission on Jewish Education in North America has issued its report, I want to thank you again for your efforts on the Commission's behalf. Your thoughtful participation in Commission meetings and willingness to consult as we moved toward the Commission report are deeply appreciated. Our report was well received at the General Assembly of CJF in San Francisco, and we have received many letters of appreciation from around the continent. The interest in our work continues at a very high level!

With the first phase of our efforts concluded, we are gearing up for Phase Two, launching the Council for Initiatives in Jewish Education. Stephen Hoffman is serving as the interim Director, and I am pleased now to announce that Dr. Shulamith Elster has accepted the position of Chief Education Officer with CIJE. She has served on the staff of Charles E. Smith Jewish Day School, Rockville, Maryland since 1972, currently as headmaster. In addition, she has taught graduate courses in education and has spoken, counseled and published in her area of expertise--career development.

We are currently beginning to recruit the Board of the CIJE. I would be pleased if you would accept an invitation to serve on the Board. We will meet three times a year in New York and will be scheduling a first meeting for mid-March. If you have any questions about this, please feel free to call me at (216) 391-8300 or Steve Hoffman at (216) 566-9200.

I look forward to hearing that you will join in this next important phase of our work on behalf of Jewish education.

Dear Marty:

Now that the Commission on Jewish Education in North America has issued its report, I want to thank you again for your efforts and valuable contribution. Your thoughtful participation in our meetings, and quick willingness to consult are deeply appreciated. Our report was well received at the General Assembly of CJF in San Francisco, and we have received many letters of appreciation from around the continent. The interest in our work continues at a very high level!

We are gearing up for Phase Two, launching the Council for Initiatives in Jewish Education, and beginning to recruit Board membership. Steve Hoffman is serving as the interim Director, and Dr. Shulamith Elster has accepted the position of Chief Education Officer with CIJE. She has served on the staff of Charles E. Smith Jewish Day School, Rockville, Maryland since 1972, currently as headmaster. In addition, she has taught graduate courses in education and has spoken, counseled and published in her area of expertise--career development.

Again, thank you for your continuing efforts on behalf of Jewish education. It has been a pleasure to work with you.
