A Note of Gratitude from the
Kaufman Cultural Center in New York City

Dear Friends:

On behalf of the Birnbaum Music Library at the Elaine Kaufman Cultural Center, it is my pleasure to acknowledge the receipt of the personal music library of Cantor Abraham Berman, alav hashalom.

Through the research efforts of your congregant and former President, Mrs. Blanche Dohrman, who arranged for my preliminary inspection of samples from the collection and the actual transfer of the materials, the music he gathered over his long career will now be preserved, protected, and available for library use here in this facility which has been building a retrospective and contemporary collection of Jewish music since 1985.

Many of the items in this collection are rare and valuable examples of Jewish musical activity...they help to illustrate our history and make the names, dates, and places meaningful. We are truly grateful to have received these treasures and will identify each item with Cantor Berman's name and note his affiliation with Temple Beth-El in Jersey City.

Please accept my sincerest thanks on behalf of the Birnbaum Music Library and the Elaine Kaufman Cultural Center.

Yours truly,
(Mrs.) Lee M. Floersheimer
