PROCESSION OF THE SCROLLS

On Monday Morning, October 6th, at 10:00 o'clock, the traditional Service of Procession of the Scrolls, in tribute to the influence of the Torah, will be observed. Men of the Congregation are invited to participate in this beautiful ceremony which, in our Liberal ritual, is held on Shemini Atzereth. Since Yizkor

Services were held on Yom Kippur, only a Commemorative Prayer in honor of the departed will be recited before the Kaddish at our Festival of Conclusion. We look to the men of the Congregation and members of their families to be present in large numbers on the morning of the 6th of October.

Our Charity Fund

We are grateful to our Congregants for their generosity in responding to the Charity Appeal at Yom Kippur Services. We are happy to state that the offertory this year was the largest ever contributed in our Temple. We rejoice that we can donate in large proportion to the 52 charitable and welfare groups who are the beneficiaries of our Charity Fund. Congregants who may not have been present at the Service when the Appeal was made are earnestly invited to make their gifts to the Temple Office, so that we may thus have a full representation of our Temple membership, with its consequent increases of gifts for the needy.

United Jewish Appeal

On behalf of the officials of the U.J.A. we have been requested to thank our Temple families for their generous response to the appeal made on Yom Kippur evening for this cause. The problem of our co-religionists abroad has never been more acute and we must continue to give aid and solace to them in their distress. Official acknowledgment will be sent to each donor from the U.J.A. office.

S. O. S. Collection

The collection of clothing and canned foods for Overseas Relief is continuing and we are making an urgent appeal to all our Congregants to bring us all their discarded clothing, blankets and other household articles that are not too worn or torn and that are still useable. S O S stands for SUPPLIES for OVERSEAS SURVIVORS. PLEASE! GIVE ALL YOU CAN SPARE THAT OTHERS MAY LIVE!

A Unique Ethrog

We have again received a fine Ethrog from Rabbi David Greenberg of Congregation Beth Israel, Fresno, California. It is the fruit of a tree planted many years ago by Rabbi Alexander Segal and is the growth of a shoot from a Palestine Ethrog tree. We are grateful for this unique gift, a symbol of the fruitfulness of American Israel.

A Distinguished Visitor

Miss Leah Jhirad of Bombay, India, a member of the Bnei Israelite Community of India, and Vice-Chairman of the National Council of Women of India, visited our Temple and Temple House recently and was escorted on a tour of our edifice by Mrs. Philip M. Stern. Miss Jhirad is a delegate of her country at the International Council of Women in Philadelphia, and is soon to return to her home in Bombay where she is one of the leaders of the Jewish community.

Rudolph Grossman Society

The third meeting of the Rudolph Grossman Society will take place on Sunday, October 5th. Mr. William Mercur of the Yiddish Art Theatre will speak on Maurice Schwartz's production of "Shylock and His Daughter." The meeting promises to be both enjoyable and interesting.

Mr. Ludwig Lewisohn

"The New Palestine"

will address an

Open Meeting of the

Men's Association

on

"CAN IT HAPPEN HERE?"

Tuesday Evening, October 7th,

at 8:30 o'clock

in the Marcus Loew Auditorium

of the Temple House

Mr. Lewisohn, author of "Upstream," "Mid-Channel," "Israel" and other noted books, is an eloquent and inspiring speaker. His message is certain to be of great interest. Congregants and friends are invited to be present.

Our Auxiliary Services

Again this year we conducted complete High Holyday Services in the Marcus Loew Auditorium in the Temple House. The response was most encouraging and these Services have become a permanent institution of our High Holyday worship. This enables us to accommodate those many families for whom we are unable to find places in the main Temple and for the young people who wish to worship with us. To Rabbi Soltes, Cantor Loth, the Organist and Choir, we express our appreciation.

Our Bar Mitzvah

We are pleased to extend felicitations to Mr. and Mrs. Hyman Klein on the occasion of the Bar Mitzvah of their son Burton, and to Mr. and Mrs. Arthur Ehrenfeld on the occasion of the Bar Mitzvah of their son, Richard, which take place this Sabbath morning. We also congratulate our new sons of the Commandment and hope that this ceremony will imbue them with the desire ever to champion the cause of their people and their religion.

Our Sukkah

The beauty of our Sukkah again received much favorable comment and we are most grateful for the gifts of fruits, flowers and canned food which will be sent to the S.O.S. for the relief of starving Jews in Europe, and for the gifts of money for which food will be purchased. A special vote of thanks is expressed to the ladies of the Sisterhood, the P.T.A. and of the Congregation who came to decorate our Sukkah.

The offerings for the Sukkah were augmented by gifts of canned food from the Children of the Religious School last Sunday, and these, too, will be sent to the S.O.S. Committee of the American Jewish Joint Distribution Committee.

Our Ushers and Co-Workers

We are tremendously appreciative of the service rendered by our Corps of Ushers at the High Holyday Services this year. We extend our appreciation also to Mr. Samuel S. Sampliner, Chairman of the Ushers Committee and his splendid group of co-workers in the Temple and Temple House; to Mr. Jerome W. Sinsheimer, Chairman of the Youth Committee, to Mr. Leon Weil for his assistance at the Auxiliary Services; to Mr. Harold W. Levy and Mr. Victor H. Segal for their invaluable help; to Mr. Benjamin Selinger, Principal of our Religious School. We are sincerely grateful to all those who cooperated so faithfully and helpfully during the High Holydays.

Post Graduate Society

The second meeting of the Post Graduate Society will take place on Sunday morning, October 5th. The guest speaker will be Mr. Jeff Sparks, noted correspondent, and he will discuss "The Lighter Side of China Today." The first meeting, which took place last Sunday, was a great success.
