SISTERHOOD NOTES

All the women in the Congregation and their friends are cordially invited to attend the next Open Meeting to be held on **Monday Afternoon, November 8th, at Two O'Clock**. We will be honored to have as our guest speaker the noted author and lecturer **Miss Fannie Hurst** who will speak on **"To-morrow is Here"**.

There will be a Social Hour and Refreshments.

At this meeting it will be possible to procure books for the Sisterhood Annual Pledge Luncheon which will be held at the Hotel Astor on December the 7th. Many beautiful prizes will be awarded and an unusual and entertaining program is being arranged by the Chairmen. We hope that every Sisterhood member will participate in this, the only money-raising affair the Sisterhood holds, and also sell a Pledge Book for \$12.50 to at least one friend. Please cooperate with the Committee of which Mrs. Joseph Pulvermacher is the Chairman, and make this year's luncheon the outstanding event in the history of our Sisterhood.

MEN'S ASSOCIATION

The Membership Supper held on October 19th at which Harry Hershfield was the guest of honor, proved to be a most successful affair. As a result of this event over 40 new members were enrolled in the Brotherhood. Much credit must be given to Mr. Murray Apfelbaum, Mr. Leo Keiser and Mr. Max Feder for their excellent planning.

The next affair of the Men's Association will take place on Tuesday evening, November 9th and will be in the nature of an evening of movies from the library of Dr. Miron Silberstein. These films are of an unusual character and have never been exhibited in a commercial theatre. Ladies are invited to this gathering.

LEAGUE

The first open meeting of the Rodeph Sholom League will be held in the Marcus Loew Auditorium on Tuesday evening, October 26th. The Rev. Karl M. Chworowsky, Minister of the Flatbush Unitarian Church, will address the group on the subject, "A Christian Looks at Israel." Rev. Chworowsky is a native of Russia, the son of a Lutheran minister, and having served Lutheran churches for more than twenty years, is now a Unitarian parson. He has taught in American colleges and universities (German language and literature), has been a radio reader for years under the name of Don Carlos, the Poet Philosopher, and has spent most of his almost forty years in the ministry seeking to improve relations between white and black and between Jew and Christian. He is a member of the Executive Board of the American Christian Palestine Committee, a frequent contributor to liberal Christian and Jewish journals, and spends much of his time speaking for Israel.

All young adults are cordially invited to attend this stimulating meeting, the first of the League's exciting series of monthly open meetings.

GIRL SCOUTS

The first meeting of the Girl Scouts will be held in the Temple House on Friday afternoon, October 22nd, at 3:30 o'clock. All information as to age, requirements etc. can be obtained in the Religious School office in the Temple.

ADULT EDUCATION

The demand for tickets for the course in "Psychiatry and the Individual" offered by the Adult Education Division has exceeded our expectations to such a degree that congregants are urged to register for this course while there is yet time.

In order not to disappoint many who wished to register for the course in "Jewish Creative Art: Oils", an additional class has been started for Thursday evenings, to begin on October 21st. There are still a few openings left in this class, and those who are interested should apply at once, as registration will be limited to 25. If you prefer to work with water colors, the Adult Education Program offers such a course on Tuesday evenings, beginning October 19th. As registrations for this class are also limited, may we urge you to send in your application early.

We call your attention also to the Choral Society which is now being formed, and to our classes in Hebrew, to be conducted by Rabbi Soltes. Registration for all the above courses may be made through Mr. Benjamin Sellinger, Chairman of the Adult Education Program. Additional copies of the bulletin describing the courses may be had on request.
