MR. ALBERT DEUTSCH
This Sunday Morning, Mr. Albert Deutsch, eminent editorial writer of the “New York Star”, author and sociologist, will discuss the theme of his recent book “The Shame of the States”. He will deal with the care of the mentally ill in the hospitals and institutions of our country; there will be an opportunity for written questions following the discourse.—

This Friday Evening, Rabbi Morris M. Goldberg of Congregation Shaarei Tsedek and Rabbi Newman will discuss the provisions in the suggested Constitution of the State of Israel dealing with the relationship of Church and State. Rabbi Newman’s recent article on “A Bible Commonwealth in Israel?” in the “American Jewish Congress Weekly” will form the basis for the discussion. The Blessing over the Sabbath Lights will be recited by Mrs. Abraham Steigerwald.

Friday Evening, January 14th, the Rev. Dr. John Haynes Holmes of the Community Church will be our guest preacher.
Friday Evening, January 14th, at 8:15, Congregation Rodeph Sholom will have the honor to welcome to our pulpit the Rev. Dr. John Haynes Holmes of the Community Church. We trust our Congregants and their friends will plan to be with us then. While Friday night in some households is “family night”, there is no reason why the family cannot come unitedly to the House of Sabbath Worship. We urge our Congregants also to forego attendance at secular functions of amusement in the home and the community. Sabbath Eve should be set aside for worship and sociability in the Temple.

ADULT EDUCATION

On Monday evening, January 10th, at 8 o’clock, the speaker for the series on “Psychiatry and the Individual” will be Dr. Sarah R. Kelman, who will talk on “Problems of the Childless Couple.”

She was lecturer in psychiatry at New York Medical College, and psychiatrist in charge of Neurology at the Mental Hygiene Clinic of the Vanderbilt Clinic. She became interested in birth control as a result of her work in psychiatry, and was in charge of the birth control clinic at the Stuyvesant Settlement House.

Dr. Kelman is one of the founders and a charter member of the Association for the Advancement of Psychoanalysis, and is a Diplomate of the American Board of Psychiatry. She helped reorganize the Mental Hygiene Clinic of the Lebanon Hospital, in the Bronx, and was Chief of Clinic there.
