"Star Over Shushan" was presented in the Temple on Friday Evening, March 3rd, in the presence of a congregation of nearly 1000 persons, including many notable guests. We trust that those who were unable to attend at the Premiere production, in which the roles of the Principals were sung by adult members of the Rodeph Sholom Glee Club will wish to attend this second presentation in which the chief roles will be sung by pupils of our Religious School. Parents in particular are invited to attend, and we are sure many friends of Rodeph Sholom will wish to hear this melodious and appealing story of Queen Esther of Shushan. Members of the Chorus are expected at the Rehearsal this Friday afternoon at 4 o’clock, and at the Temple at 9:15 Sunday morning.

Be sure to be present for this delightful event. It promises to be one of the most interesting of the School year.

Recently he was elected President of Brandeis University in Massachusetts, the first Jewish-administered University in this country.
