"Are Nature's Calamities Divine Punishment?"

*Did you stop in Temple last Friday evening on your way home?
Have you arranged to meet your family in Temple on Friday
evening, and spend a half hour attending services among family
and friends?*

*This is a beautiful way of keeping the Friday evening tradition
alive.*

*Rabbi Brickner reads the services. Our full choir renders the
beautiful traditional Friday evening melodies. This is not merely

Who Is Professor Bonn?

The Men's Club feels that a real treat is in store for those who will attend its Opening dinner Meeting on Monday, October 18, because Prof. Moritz Bonn is to be the speaker.

Dr. Bonn is Professor of Political Economy of the College of Commerce at the University of Berlin, Germany, and came to this country this Summer, to lecture, for the second time, at the Institute of Politics at Williamstown. Dr. Bonn, who speaks English fluently, was visiting Professor at the Universities of California, Cornell and Wisconsin, and is an outstanding authority on European Politics of today. He is an author and lecturer of international reputation.

David Dietz Talks

"Secrets of Science" will be the general title of the series of lectures which Mr. David Dietz, Science Editor of the Cleveland Press and the Scripps Howard Publications, will give this year for our Men's Club. The first lecture will be given at 9:30 A. M., next Sunday morning, October 10, in the Sisterhood Room of the Temple House.

Mr. Dietz will give seven lectures, one each Sunday morning from October 10 through November 21. On November 25 he will leave on a lecture tour, under the auspices of the Coit-Alber Lyceum Bureau, which will take him all the way from Boston to California.

Mr. Dietz, who is a confirmant and a member of our Temple, is well known for his work upon the popularization of science. He is a Fellow of the Royal Astronomical Society, and a member of the Societe Astronomique Du France.

Parents who bring their children to school, as well as others, should take advantage of these lectures which are open to the public.

Men's Annual Dues

The annual dues to the Men's Club are due, as of October 1, and members are earnestly solicited to send their dues c/o the Temple, making check payable to Henry Sulka, Treasurer.

It is hoped, too, that every male member of the Temple will see the advantages of membership in the Men's Club, and will indicate a willingness to join.

Jewish Current Events Oct. 22

Mrs. Milton Halle, 3137 Meadowbrook Blvd. (Fairmount 5613 J), has accepted the chairmanship of the committee that will be in charge of arrangements for the course in Jewish Current Events, which Rabbi Brickner will give on alternate Friday mornings from 11 to 12 o'clock, commencing with Friday, October 22.

A fee of one dollar will be charged to those planning to attend the course regularly. This will be used toward subscriptions to current periodicals and newspapers, from all parts of the world, which will be on file in our Library, and to which members may refer. Members will be permitted, however, to occasionally bring visitors.

The course will be open to non-members of the Sisterhood as well as to members. An unusually large registration is anticipated, as this course will undoubtedly prove very popular. Send your registration in at once to Mrs. Halle.

Amy Rice Memorial

The Amy Rice Memorial Scholarship Fund was created by our Sisterhood, at its last Board meeting, in memory of the late Amy Rice, whose activities in connection with our Temple, and especially with our religious school, are remembered with a sense of deep loss.

The fund, totaling close to \$800, was raised by volunteer subscriptions sent in by 230 people, in memory of Mrs. Rice. The interest on this money will be used to give prizes annually to the student in the confirmation class, and in the graduating class of our High School Department, whose scholarship records throughout the years of their schooling in our Religious School, have made the highest grades. A committee of the Sisterhood, with Rabbi Brickner and Mr. Pearlman, will administer this fund.

It is hoped that this fund will increase from year to year, as friends of Amy Rice remember her on anniversaries of her death, or on other occasions, so that additional prizes may be given in other grades of the school. In this manner it is planned to perpetuate the memory of Amy Rice, in a way that embodies the chief interest of her life—religious education.

Community Sewing

The Community Sewing Group of the Sisterhood will resume its activities for the season, on Monday morning, October 11. It is hoped that those women who have not come regularly, will acquire the Monday sewing habit. In addition to sewing for charitable organizations, this group also makes the following articles: aprons, pillows, lamp-shades, dolls, mah-jongg table covers, rack bags, bird-cage covers, bridge sets, breakfast-sets, silk underwear, shoe bags, towels and knitted articles.

Remember the date: October 11. Come and bring your friends. Coffee will be served. Lunch may be brought, or bought in the sewing room.

Child Study Group

The first meeting of the Child Study Group will be held Friday, October 22, at 2:30 P. M. Mrs. Ethel M. Gausby, Supervisor of the East Cleveland Kindergarten Schools, will give the first of a series of six talks on "Parental Training." All who are interested, are very welcome.

Tea and social hour will follow.

Alumni Day

The annual Alumni Day which has been a tradition of many years' standing in the annals of the Euclid Avenue Temple, will take place on Sunday, October 24, and will be in the nature of an all-day affair, and a real reunion.

Confirmants, old and young, will gather in the Temple at 10:30, when Rabbi Brickner and two active members of the Alumni Association will speak on "What Youth is Thinking." Alumni will then gather in the Recreation Hall for dinner, where the 1926 Confirmation Class will be formally welcomed into, and be the guests of the Alumni Association. A pageant, dealing with the Mantle presentation, written by Isadore Edelman, one of our boys, will be presented. A fine musical program is also being arranged, and dancing will conclude the afternoon.

All Alumni members, married or single, are urged to reserve this date: Sunday, October 24.

High School Election Returns

Roland Gittelson was elected President of the High School Department, at the meeting last Sunday morning. Other officers elected are: Ruth Freyer, Vice President; Lucille Fischer, Secretary; David Feldman, Treasurer. The meeting, which was presided over by Irving Whitman, past President of the High School Department and who was graduated last year, was made unique by campaign speeches

from friends of the various candidates.

The officers, Mr. Steiner and Mr. Pearlman, are planning a series of interesting assembly programs for Sunday mornings. High School members are enthusiastic in their anticipation of a successful year.

Children's Theatre

The first "show" of the Children's Theatre, held last Sunday afternoon, was a huge success, and proved how worthwhile was this new educational and entertainment project. Hundreds of children, many of whom were accompanied by their parents, were present, and adults were admitted only if accompanied by children, which was a reversal of the time-honored custom.

The program opened with a song-fest of old and new songs, followed by a beautiful Harvest Dance under the direction of Miss Sadie Siegel, who is the Dancing Club leader. Celeste Regenstein was the solo dancer, and others were Sylvia Schwartz, Florence Gutter, Ravella Leonard, Beatrice Halle, Carolyn Miller, Eleanor Gluckman, Harriet Greenbaum and Evelyn Edgert. A funny stunt was presented by the following High School boys: Arthur Reich, Jerome Bigelson, Milton Rosewater, Sidney Pazol, Allyn Kendis, with George and Jerry Frankel and David Halle backstage. Isadore Edelman played a violin solo, followed by a feature movie, with Mr. James Rogers at the organ, and Ruth Freyer and Miriam Weinstein at the piano.

The attractive costumes of the ushers, who were under the leadership of Leonard Kurlander and Howard Whitman, the management of ticket sales with Marvin Brudno as business manager, the acting, dancing, scene shifting, ushering—all were under the direction of the children,

supervised by Miss Alice Neuman. Children who have not as yet secured the book of tickets, may still do so.

The program was exceptionally well received, and when announcement was made that a Minstrel Show is to be the November program, children who had availed themselves of the season book, congratulated themselves. All children of the Sunday School and their parents and friends, are welcome to attend these unique performances.

Nursery Class Opens Monday

At a meeting of the mothers, held last Tuesday morning, it was decided that the Nursery Kindergarten commence next Monday morning, October 11, at 9 o'clock. Mothers who have agreed to enroll their children, are requested to bring them to the opening on Monday morning. A bus service, which will bring and deliver the children, will be inaugurated on Tuesday.

Miss Sylvia Friedman, the Kindergarten in charge, will communicate with parents who could not attend the meeting, and inform them of the fees and other arrangements.

Attendance

The excellent attendance of our children last Sunday, is worthy of special comment. Out of thirty-seven classes, eight had a perfect attendance, and eighteen had an attendance of 95 per cent or over. This record is indeed gratifying, and it is hoped that the precedent set will be maintained.

Teacher's Meeting Oct. 12

The second monthly Supper meeting of the faculty of our Religious School will be held Tuesday, October 12, at 6:30, in the Temple House.
