### Succoth Festival

Services for the Succoth Festival will be held on **Tuesday, October 11, at 10:30 A. M.**

The Concluding Succoth Services will be held on **Tuesday, October 18, at 10:30 A. M.**

The children of the Religious School will celebrate the Feast of Tabernacles on **Sunday, October 16, at 11 A. M.**, instead of at the morning services on the opening day, by a children's Harvest Service of an entirely different form than hitherto presented. The children are requested to bring their Succoth offerings of corn, wheat, fruits, vegetables, Autumn leaves, etc., with them to Sunday School on **October 9**. The program is being prepared by Miss Alice Neuman, and promises to be unique in character.

### MEN'S CLUB

#### "Liberal Rabbi Views Red Russia"

This subject which Rabbi Brickner has chosen for the official welcome-home evening tendered to him by the Men's Club, on **Monday, October 3, at 8:15 P. M.**, in the Recreation Hall, has attracted much attention.

The Rabbi's discussion of the subject, will be very much worthwhile, for it represents the opinion of one who has spent a considerable portion of his time in Russia, carefully studying conditions there.

In addition to the talk by the Rabbi, a program of entertainment has been arranged. The plan is to make it a distinctly Russian evening, in line with the Rabbi's subject. Isadore Edelman will render several violin selections, accompanied by Miss Aline Grossner; vocal numbers will be supplied by Miss Zerline Sulka, accompanied by Mrs. D. M. Avery; this to be followed by an unique Russian

dance by Bernice Horwitz; and the "Bolshevik Stunt" presented by Mortimer Goodman, Leonard Neubauer, Geo. Beron, Herbert Weinberg, Edwin Weiss, Wm. Weil, and Bernard Goldstein.

Members and their friends are invited to attend.

### Science Talks Resumed Oct. 9

Mr. David Dietz will resume his Sunday morning Science Talks on **October 9**. This is the third year that Mr. Dietz will lecture on Science, under the auspices of the Men's Club.

His talks have become one of the cultural features of the club's activities, and it is anticipated that a large group will again attend them this year. The general public, as well as the men and women of our temple, are invited.

The lectures will again be held in the Sisterhood Parlor, commencing at **9:30 A. M.**, and ending in time to permit the group to attend temple services which start at **10:30 A. M.** The lectures will be illustrated with stereopticon slides.

Mr. Dietz's subject for the first week will be "**The Scientific Approach to Life.**"

Mr. Dietz, as most members of the temple know, is an authority on Science. He is the Science Editor of the Scripps-Howard newspapers, lecturer on general science at Cleveland College of Western Reserve University, a Fellow of the Royal Astronomical Society, and the Societe Astronomique de France.

### SISTERHOOD

#### Sigmund Spaeth

We urge upon our members to avail themselves of the opportunity on **Saturday evening, October 8**, to hear Mr. Sigmund Spaeth, America's popular music critic speak on **The Common Sense of Music**. Mr. Spaeth has addressed hundreds of audiences, and been acclaimed everywhere for his keen humor and intelligence. A most enjoyable evening is in store for those who attend.

The public is welcome.

#### Open Meeting - Oct. 18

For the afternoon of **Tuesday, October 18**, the Sisterhood has arranged for an elaborate Open Meeting. Several local celebrities will take part in a concert pro-

gram which promises to be outstanding in character.

Following the program, there is to be a Tea in honor of the homecoming of Rabbi Brickner, after which, both he and the Executive Committee will welcome new Sisterhood members.

## *Temple Members:*

As we announced in the last Bulletin, the four organizations of the Euclid Avenue Temple are presenting a course of fifteen lectures by the foremost American representatives of education, literature, painting, sculpture, journalism, the Rabbinate, ministry, law and medicine. We have endeavored to satisfy all interests, and have spared no expense to offer you the keenest minds and talents in our country.

We have made it possible for everyone to secure a season ticket at the nominal cost of \$3.50, 20 cents more than one theatre ticket, and less than any movie admission. We are not reserving seats, in order to avoid the slightest favoritism, and also the waiting line. First come will be first served.

We hope that each temple member will reveal an interest in this undertaking to establish a season lecture course, and secure tickets at once.

Respectfully submitted,

Office hours:

Daily, except Saturday, 11 to 12.

Sundays, 10 to 12.
