Rabbi Brickner Next Sunday

Rabbi Brickner will occupy the pulpit next Sunday, April 29th, at 10:30 A. M., and bring to a close the Sunday morning lecture services of the season.

He will take as his theme "The Bridge of San Luis Rey." This was the subject that he announced some weeks ago, prior to his illness.

In his lecture, he will outline the story of the book, and deal more especially with two problems raised therein; namely: Do we live and die by accident, or is there Divine guidance? and Do we survive death?

Rabbi On WHK Monday

Those accustomed to listen to Rabbi Brickner over Station WHK on Monday evenings, in his Questions and Answers Period, will in all likelihood find him back on the air next Monday at 7:15 P. M.

Final Children's Sabbath Service

The last in the series of monthly Children's Sabbath Services will be held next Saturday, April 28th, 10:30 A. M.

The entire service will be in the hands of the confirmation class. Ruth Stern and Naomi Schwartz, winners of the Sermonette Contest, will deliver the sermonettes. The portion of the week will be read by Harvey Olenberg, and the following will read the prayer service: Ruth Hertz, Doris Babin, Leroy Kendis, Jeanette Mazur and Joseph Adams.

All children from the fourth grade up, are required to attend. This is a service not merely for the children, but for adults as well.

MEN'S CLUB

Science Talk Next Sunday

"Psycho-analysis and Human Behavior" will be the subject of the lecture by Mr. David Dietz next Sunday, April 29th, at 9:30 A. M., in the Sisterhood Parlor.

Mr. Dietz will discuss the meaning of complexes, the unconscious, and other Freudian terms and their relation to the general problems of individual and social conduct.

This will be the last of the Science lectures for the season. It brings to a close, the second year of the Science talks

which every Sunday morning precede our lecture services in the temple. This combination of Science and Religion is one of the unique features of our religious and educational program.

SISTERHOOD

Community Sewing Closes

The Community Sewing Group, with its final session next Monday, will complete a year of unusual activity. Week after week, this group of loyal women filled the Recreation Hall, and through their efforts, contributed substantially to the charitable institutions of our city. The Sewing Committee and all the members of the group are to be commended for their splendid work.

The final session next Monday is intended primarily for those who have fancy work orders which they wish to complete, and since luncheon will not be served, it will be necessary for those intending to come, to bring their own lunch, coffee will be served.

This activity will be resumed early next Fall, and we hope to see all of its present members, and many new ones, with us again.

Mrs. Myron Rice Honored

A farewell luncheon was tendered by the Sisterhood Board to Mrs. Myron Rice, the outgoing President of the Sisterhood, at the Oakwood Club, in appreciation of the splendid service she has given to the Sisterhood during the three years she has held office as President. Mrs. Rice has given unstintingly of herself in the service of the many temple activities, and her administration stands out as unusually successful.

It is with regret that we see Mrs. Rice lay down the baton of office, but it is with pleasure that we take this opportunity of expressing our appreciation of her splendid work. We feel certain, nevertheless, that in office or out of office, Mrs. Rice will continue her activities with us for many, many years to come.

Our Sisterhood Twenty Years Old

At its Annual Meeting on Tuesday, May 15th, our Sisterhood will celebrate its twentieth anniversary.

It is without hesitation we can say that the Sisterhood has been the most active group in our temple. All of the

functions and activities that it has sponsored, have turned out successfully, and have always been very well attended.

At the meeting on May 15th, in addition to the usual program of reports and election of officers, it is planned to have a special part of the program devoted to the celebration of the twentieth birthday. A social hour will follow the meeting.

Confirmation Class Notice

Rabbi Brickner announces that the final sessions of the Confirmation Class will be held Friday, April 27th, at 4:15 P. M., and Saturday, April 28th, at 9:15 A. M.

The final examination will take place the following Friday, May 4th, at 4:15 P. M., in the Recreation Hall. The test will be based on the second half of the leaflets, and on the lectures of Rabbi Brickner and Mr. Brilliant.

Primary Department

At the assembly of the Primary Department last Sunday, several children from Miss Devay's (IIIA) class read their original poems based upon the instruction they had received in the classroom. It was interesting to see what nine-year-

old children can do in putting into poetry, the essential characteristics of great lives in Jewish history.

This is only one of the very many interesting bits of work done by the children of the Primary Department.

Our Lecture Course

Mrs. Emil Brudno begs to announce that another Lecture Course is being planned for next year, and that arrangements are already being made to procure some of the outstanding speakers on the lecture platform. Prof. Geo. Pierce Baker of Harvard Workshop 47, and now of Yale University, who is one of the greatest living authorities of the drama and theatre, is one of the distinguished speakers already under contract.

The course will again cover a period of fifteen Tuesday evenings, at \$3.50 for the entire course and 50c for individual lectures.

Members of the temple are advised to make their reservations now.

Funds

The Scholarship Fund gratefully acknowledges a contribution from Mrs. C. I. Goldsmith, in memory of Mr. and Mrs. Chas. Schwarz.
