Sunday Service

Dr. Robert E. Vinson, President of Western Reserve University, has graciously consented to occupy the pulpit this Sunday morning, February 3rd, in Rabbi Brickner’s absence.

Dr. Vinson is a very inspiring speaker and is thoroughly familiar with the Hebrew language, literature and Jewish history.

We are certain that a large number of our members, their families and friends will take this opportunity of welcoming Dr. Vinson and hearing his message.

Saturday Service

Rabbi Philip W. Jaffa, a graduate of the Hebrew Union College, and Regional Rabbi for the States of Ohio, Indiana and Michigan, will occupy the pulpit on Saturday morning, February 2nd. He will speak on “Comradship and Co-operation.”

MEN’S CLUB

Round Table

Mr. Earle Martin, Industrial Commissioner of the Industrial Development Committee will speak before the Round Table next Monday, February 4th at the Statler Hotel at 12 noon, on “Cleveland.”

The committee has accomplished some remarkable things with respect to business extension in Cleveland and general industrial development.

Mr. Martin, who has had the greatest share in the work of this committee, will give us first-hand information.

Science Talk Next Sunday

"Science and Happiness" will be the subject of the lecture by Mr. David Dietz next Sunday, February 3rd at 9:30 A. M., in the Sisterhood Parlor.

What is Science doing to modern life? Are people becoming happier?

Mr. Dietz will quote from the poems of Carl Sandburg as an illustration of the reaction of one observer to the type of civilization which is being ushered in, through the growth of engineering, a by-product of scientific advance.

SISTERHOOD

Dr. Parker at Child Study

The Child Study Group will meet next Monday, February 4th at 2:30 P. M. Dr. Amelia Parker of Woman's College of Western Reserve University, will speak on "Psychological Home Management." Mrs. Harvey Mahrer will conduct the class.

Never before, in the history of our Child Study work, have we been able to secure the services of such prominent and able speakers as this year. Every mother in our congregation ought to avail herself of the privilege of attending these meetings, and receiving this valuable information. There is no charge for these classes.

Current Events Re-opens in March

Because of the fact that Rabbi Brickner has left to attend the convention of the Union of American Hebrew Congregations in San Francisco, the Current Events Group will hold no sessions during the month of February. Rabbi Brickner will meet the group again on Friday, March 8th.

ALUMNI

Post-Graduate Class

The Post-Graduate Class will resume its sessions next Wednesday, February 6th, at 7:30 P. M., under the leadership of Mr. Brilliant, our Educational Director. It will meet regularly thereafter every Wednesday at 7:30 in Mr. Brilliant's Study.

RELIGIOUS SCHOOL

Hebrew Exhibition Last Sunday

An all-Hebrew program was presented last Sunday by the children, at a general assembly of the entire school. It was, in essence, an exhibition of the type of Hebrew work that is being done today in the classroom. A drill was given in Hebrew, and several nursery rhymes were dramatized. About 200 children took part in the program.

It is gratifying to see the progress being made in the study of Hebrew as a living language.

Club Parties

The clubs are planning two parties; one, a Lincoln party for the clubs composed of older children, on Sunday, February 10th, and the other a Washington party for the younger members, on Friday, February 22nd.

Pre-Confirmation Class

For the next four weeks, the pre-Confirmation Class will hold no sessions. Work will be resumed on Saturday, March 2nd.
