Succoth Musicale-Tea

The Succoth celebration which was held last Wednesday afternoon was one of the finest affairs of its type given by the Sisterhood. Its beautiful simplicity with its emphasis on the holiday spirit, was truly symbolic of the harvest nature of Succoth.

In the center of the Recreation Hall, a Succah was erected, and around it were seated more than eight hundred people, giving the whole a home-like and holiday atmosphere.

A very fine program of music and a dance symbolizing the harvest festival contributed to an excellent and unusual Succoth celebration.

Much credit is due the members of the Sisterhood whose efforts made the affair possible.

Archbishop Hugo of Mainz has issued an official prohibition to all Catholics in his diocese against joining the Hitlerites. These prohibitions are due to the fact that Hitler’s pronouncements are incompatible with Catholic teachings.

High School Forum

Once a month on Sunday evenings, the entire High School Department will meet with Rabbi Brickner. On that day there will be no morning session for the high school.

At 5:15 the Rabbi will lead a discussion on Jewish Current Events which will be followed at 6:15 by a buffet supper and a social hour, and which will be concluded at 7:15. Thus, members of the high school department will have an opportunity of making closer personal contacts with the Rabbi.

The first of these affairs will be held Sunday, October 26th.
