RABBI BARNETT R. BRICKNER

will preach on

"THE GOOD EARTH"

An interpretation of present day China and the Chinese
as reflected in Pearl Buck's great story.

Sunday Morning, February 14th, 10:30

Friday Evening Twilight Service, 5:30 to 6:00

Sabbath Morning Service, 11:00 to 12:00

The Good Earth—China is in Travail. In view of the tremendous interest in the present situation in the Far East, Rabbi Brickner has taken for his subject Pearl Buck's noted novel in which is depicted the present conditions of China and the Chinese. This novel is regarded as one of the finest that has appeared in recent years.

A huge congregation which filled the Temple to overflowing heard Mr. Channing Pollock last week. We are particularly happy to note the large number of young people who attend our services.

For Sabbath Services

Rabbi Brickner announces that he will devote his sermons at the Sabbath services to an exposition of the fundamental religious ideas that are embodied in our Union Prayer Book.

We are certain that many in the congregation will want to take advantage of the opportunity presented to enrich their knowledge of the principles of Judaism by attending the Sabbath Services.

We are happy to note that the attendance on Sabbath morning is increasing. We urge the women of the congregation particularly to set aside the Sabbath morning from 11 to 12 for attendance at the Temple. Such attendance is refreshing to the spirit and sets the proper example to the children.

The Sisterhood is making Sabbath attendance central in its program of activities.

Rabbi Brickner broadcasts over Station WHK every Sunday afternoon from 5:30 to 6:00

Abraham Lincoln

This man whose homely face you look
upon,

Was one of nature's masterful, great
men;

Born with strong arms, that unfought
battles won;

Direct of speech, and cunning with the
pen.

Chosen for large designs, he had the art
Of winning with his humor, and he went
Straight to his mark, which was the hu-
man heart;

Wise, too, for what he could not break
he bent.

Upon his back a more than Atlas-load,

The burden of the Commonwealth, was
laid;

He stooped, and rose up to it, though the
road

Shot suddenly downwards, not a whit
dismayed.

Hold, warriors, councillors, kings! All
now give place

To this dear benefactor of the race.

—Richard Henry Stoddard.

Lincoln Triumphant

Lincoln is not dead. He lives

In all that pities and forgives.

He has arisen and sheds a fire

That makes America aspire.

Even now as, when in life, he led,

He leads us onward from the dead;

Yes, over the whole wide world he bends

To make the world a world of friends.

—Edwin Markham.

His discussion of the Chinese situation will be most enlightening.

Youth Temple Service— February 19th

Rabbi Philip Bernstein of Temple Brith Kodesh, Rochester, New York, will speak on "Is Patriotism Enough?" Friday evening, February 19th at 8 o'clock.

In his letter to the Youth Temple Committee, Rabbi Bernstein says: "In view of the fact that this service takes place in the patriotic season, near Washington's birthday, this subject might be appropriate, though I should forewarn you that it is far from an old patriotic message. I am critical of what many people call patriotism and I am also a pacifist. I express my point of view about these things very frankly."

The Alumni extends a cordial invitation to all young people of college age and over to attend these services.

Lincoln's Birthday: Let us renew our trust in God, and go forward without fear and with manly hearts. —Lincoln.

The measure of a man's real character is what he would do if he knew he would never be found out. —Macaulay.

The most enviable of all titles is the character of an honest man.

—Washington.

Still stands thine ancient sacrifice, a humble and a contrite heart.

—Rudyard Kipling.

"Foreign Affairs Institute to Discuss Disarmament"

The sixth annual Foreign Affairs Institute, directed by the Adult Education Association affiliated with Cleveland College, will be held Friday and Saturday, February 19th and 20th. The subject under study will be "Disarmament." The entire world is considering the problem of disarmament, and it would be beneficial if we, as individuals, became informed about the difficulties involved. The Association is bringing authoritative speakers who may be heard at the various sessions.

Newton D. Baker and Paul V. McNutt, Past National Commander of the American Legion, will address the opening meeting which is scheduled in Severance Hall on Friday, February 19th at eight o'clock.

Discussion groups led by Dr. Jacob C. Meyer, Associate Professor of History at Western Reserve University, Dr. Karl F. Geiser, Professor of Political Science at Oberlin College, and Dr. Robert C. Binkley, Acting Professor of History of Western Reserve University, will meet at ten o'clock on Saturday, February 20th in Cleveland College. Such questions as "What does the United States want armaments for?" "What could the United States afford to do to bring about limita-

tion of armaments?", etc., will be discussed.

A luncheon meeting is scheduled for Saturday, February 20th at 12:15 in the ball room of Hotel Cleveland. Chester H. Rowell, founder of the Institute on Pacific Relations, and Joseph P. Chamberlain, Professor of Public Law of Columbia University will be the speakers. Following the luncheon, Henry M. Busch, Assistant Director of Cleveland College, will lead a Round Table in which the principal speakers and Cleveland business men will participate. The Round Table discussion will begin at 2:30.

Forty-five civic and educational organizations are interested and supporting this sixth Institute. Series tickets for all meetings except the luncheon meeting, are \$1.25; luncheon tickets are \$1.25; single night admission, 75c; single day admission, 50c.

Tickets can be obtained through the office of the Adult Education Association, Room 500, Cleveland College—Main 1102. All meetings are open to the public, and our members and friends are cordially invited to attend.
