Entered as second-class matter April 9th, 1926 at the Post Office, Cleveland, Ohio, under the Act of March 3rd, 1879.

Dear Members:

I am keenly desirous that a large and representative number of our members should attend the TENTH ANNIVERSARY MEETING OF THE CLEVELAND BUREAU OF JEWISH EDUCATION of which I have the honor of being the President. A dinner will be held at the Oakwood Club on Sunday evening, November 11th.

The program is a distinguished one. DR. SOLOMON B. FREEHOF, gifted Rabbi of Pittsburgh, will be the speaker, and the eminent DR. BERYL RUBINSTEIN, director of the Cleveland Institute of Music, will give a piano recital. There will be absolutely no solicitation of funds.

We want to make this a great testimonial meeting. A large attendance will indicate the importance that the Jewish community of our city attaches to the cause of Jewish education.

P. S.—You may call my secretary for reservations. Tables will be set up for ten.

To The General Fund: From Mrs. A. C. Goldman and Harold and B. Goldman in memory of Abraham C. Goldman; Mrs. Samuel Brown in memory of her husband; Mrs. Harry C. Berne in memory of her mother, Minnie Newman; Mrs. Jack Grodin in memory of her aunt, Dora Sofer; Mrs. Elmer Kaufman in memory of her mother, Mathilde Pollak; Alfred W. Haiman in memory of his mother, Fanny S. Haiman.

SISTERHOOD COURSES VERY POPULAR

The demand for registration for the cultural courses under the very capable chairmanship of Mrs. Henry Emsheimer, although originally limited to only 200, was so great that the quota had to be considerably extended.

The first lecture by Mr. Joseph Remenyi was therefore held in the Auditorium instead of in the Temple parlor. We are happy that the courses have met with such popular appeal.

Does Your Son or Daughter Attend an Out-of-Town School?

If so, please mail his or her address to the Temple office immediately. The Rabbi wishes to keep in touch with all of these young people, and the Temple will send them the weekly Bulletin.

FUNDS

The Sisterhood gratefully acknowledges receipt of the following donations:

To The Altar Fund: From Mrs. Manuel Halle; Mrs. C. I. Goldsmith in memory of Max P. Goodman and J. Bruml; Mrs. L. Jaffe; Mrs. Bert Sampliner in memory of Mr. and Mrs. Sigmund Schragenheim, of Toledo, Ohio; Mrs. Isador Wolf in memory of her husband, and daughter, Mrs. Linda Baer.

MEMORIAL CHAPEL FUND

Rabbi Brickner and the Committee gratefully acknowledge receipt of \$100 donation from the Fannye Copland Memorial Fund created in her memory by Mr. and Mrs. David Copland.

BUREAU LIGHTS TENTH CANDLE

The tenth birthday of the Cleveland Bureau of Jewish Education will be celebrated on Sunday evening, November 11th, with a dinner at the Oakwood Club.

The Bureau of Jewish Education, in the decade of its existence, has contributed to the educational life of the community in many ways. It maintains six Hebrew schools which have an enrollment of 1100, the Council Religious Schools with an enrollment of over one thousand, a Council Religious High School, a Hebrew High School, a Hebrew Teachers' Training School, the Cleveland Institute of Jewish Studies with an enrollment of over 200 adults, including a Religious Teachers' Training department and a department for the training of club leaders.

The Extension Department of the Bureau has organized a League of Jewish Youth consisting of 63 Jewish youth organizations with a corporate membership of over four thousand young people.

for the purpose of coordinating their social and cultural activities and imbuing them with Jewish interest and a Jewish community consciousness. The Bureau also supervises the activities of the twenty Young Judaea groups which have an enrollment of about 300 children.

The Extension Department of the Bureau also sponsors holiday radio programs reaching thousands of unaffiliated Jewish families.

The educational material issued by the publication department of the Bureau are used not only in every Jewish educational institution in the city but in many Jewish communities throughout the country. During the last two years, no less than 60,000 copies of its publications have been sold. In our community, the office of the Bureau serves as a clearing house for all educational matters and problems.

JEWS SUE TO HALT NAZI PROPAGANDA

**Seek to Prove Falsity of Charges Israel
Seeks World Domination**

BERNE, Switzerland, Oct. 28.—(AP)—A lawsuit opens here tomorrow in which Jewish leaders hope to prove to the world the alleged falsity of documents painting Israel as seeking to dominate all the races of the earth.

It is hoped to establish that these documents, known as the "Protocols of the Elders of Zion," depicting Jewry as seeking world hegemony, are forged and false.

The Swiss Nazi party, with Chancellor Adolf Hitler in the background as the driving force, is alleged to have deliberately plagiarized a famous French essay written in the epoch of Napoleon

to prove that Jewry had vast ambitions.

These documents, it is alleged have gained world-wide distribution, and in them the Nazis have twisted the "yellow peril," watchword of the former kaiser, into the "Jewish peril."

During the world Jewish conference at Geneva last August, rumors that Jewry sought to create a super-government were stigmatized as outrageous by Rabbi Wise of New York, who compared the rumors to the falsity of the notorious "Protocols of the Elders of Zion."

The allegedly spurious protocols form the basis of the present lawsuit.

The Union of Jewish Communities in Switzerland and the Jewish community of Berne lodged a civil complaint against the leaders of the Swiss Nazis and others. They demand confiscation of a pamphlet and especially of the "protocols" as being in violation of the Swiss law prohibiting the printing of trashy literature "calculated to excite vile instincts or to cause brutal offense."

The plaintiffs claim the publications are plagiarisms of the "Dialog in Hades Between Machiavelli and Montesquieu," written in 1864 by the French lawyer Maurice Joly against the dictatorship of Napoleon III.

The pretended secrets of the elders of Zion were first published in 1905 in the Russian language by one Nilus.

The Jewish leaders claim the differences in the texts of Joly's Essays and the fiery Zionist "protocols" are of the slightest. They also assert that plagiarists substituted the Jewish elders for Machiavel, who speaks in the name of Napoleon.

In his original essay Joly, through the voice of Montesquieu, great French philosopher and contemporary of Jean Jacques Rousseau, defends an oppressed people against the despotism of Napoleon, who in the protested publications is transformed into the Jewish elders.

YOUR HELP IS NEEDED

The Cuyahoga County Commissioners and the Officers of the Community Fund both are asking the fullest cooperation of every citizen and contributor in the measures by which the Welfare needs of this County may be more adequately met in 1935.

Because of a minimum need of \$6,500,-000 by the County itself for Welfare purposes, a Special Levy of 4.5 Mills is being submitted to the voters at the forthcoming election on November 6th.

Here are the Facts:

The County has both a legal and a moral obligation to meet. It must care for fatherless and neglected children, it must extend relief to the victims of tuberculosis, it must aid the indigent sick who are unable to pay hospital bills, it must provide for the families of indigent soldiers and sailors who are honorably discharged and it must care for the insane. These are all required by law and the passage of this special levy for the funds required is essential for the well-being of the entire community.

While the Community Fund will continue to care for many of those in need, the greater part of the funds required for the gigantic task ahead of us this winter MUST come from the poor relief levy. While Federal and State funds are being supplied in large sums for unemployment relief, not one cent of such funds may be used for the County statutory purposes budgeted hert. In fact the County must provide \$310,200 from this levy for family and emergency relief to supplement federal and state funds.

Your vote and the votes of every member of your family and friends are needed "FOR" the poor relief and welfare levy. Everyone must help because this is a community situation in which everyone has a part.

Here's How the Dollars will be Used:

These funds will be used EXCLUSIVELY FOR THE PURPOSE STATED ON THE BALLOT—the hospitalization of tuberculosis suffers, insane and indi-

MUSEUM OPENS SATURDAY AFTERNOON CLASSES

The Cleveland Museum of Art will open a Saturday afternoon class for children of Museum members between the ages of ten and sixteen who are not regularly attending the Saturday morning classes. It will be conducted by one of the regular staff members. Like the Saturday morning classes it will include a combination of work in art appreciation with some creative work.

The first meeting of the class will be held on Saturday, November 3rd at 3:00 P. M. at which time details concerning the time of meeting and other matters will be discussed.

Inquiries may be addressed by telephone (Garfield 4015), or by letter to the Educational Department, The Cleveland Museum of Art.

gent sick; care of the blind; of dependent and neglected children in foster homes; the care of children under the Mothers' Pension Act; of indigent soldiers and sailors and their families and for family and emergency relief.

Failure to vote "FOR" the poor relief levy means a complete collapse of the County's welfare services, with untold suffering, privation and want throughout Cuyahoga County.

Vote "FOR" the Tax Levy on November 6th.

Familiar Sayings—Talmudic Proverbs

When in Rome do as the Romans do.
Actions speak louder than words.
Birds of a feather flock together.
The thief's end is the gallows.
God helps those who help themselves.
The end does not justify the means.
Silence is consent.
Love is blind.

The noblest of all charities is in enabling the poor to earn a livelihood.
