FROM THE BOOK OF JOB

11:7-19

Canst thou find out the deep things of God?
Canst thou attain unto the purpose of the
Almighty?

It is high as heaven; what canst thou do?
Deeper than the nether-world; what canst
thou know?

The measure thereof is longer than the earth,
And broader than the sea.

If He pass by, and shut up,
Or gather in, then who can hinder Him?

For He knoweth base men;
And when He seeth iniquity, will He not then
consider it?

But an empty man will get understanding,
When a wild ass's colt is born a man.

If thou set thy heart aright,
And stretch out thy hands toward Him—

If iniquity be in thy hand, put it far away,
And let not unrighteousness dwell in thy
tents—

Surely then shalt thou lift up thy face with-
out spot;

Yea, thou shalt be steadfast, and shalt not
fear;

For thou shalt forget thy misery;
Thou shalt remember it as waters that are
passed away;

And thy life shall be clearer than the noon-
day;

Though there be darkness, it shall be as the
morning.

And thou shalt be secure, because there is
hope;

Yea, thou shalt look about thee, and shalt
take thy rest in safety.

Also thou shalt lie down, and none shall
make thee afraid.

PRAYER FOR PEACE

The National Committee on Universal Goodwill has set aside the month of May for special prayers for peace, because it believes that many things can be wrought by prayer and by the power of concentrated thought. It recommends that the following prayer be repeated daily in the hope that God's will for peace be done.

"Let the Forces of Light bring illumination to all mankind.

Let the Spirit of Peace be spread abroad.

May men of goodwill everywhere meet in a spirit of cooperation.

Let power attend the efforts of the Brothers of Humanity.

May forgiveness on the part of all men be the keynote of this time."

DR. WISE SAYS JEWS WILL SEND A THOUSAND IMMIGRANTS TO PALESTINE FOR EVERY JEW KILLED IN JAFFA

Reaffirms Determination of Jewish People To Live in Peace With Arabs; Declaring Incidents are "Nothing More Than Passing Disorders that Take Place Between Neighboring Populations During a Period of Mutual Adjustment."

The Jewish people will assist one thousand Jewish immigrants to settle in Palestine for every Jew killed in Jaffa during the past few days, it was declared by Dr. Stephen S. Wise, National Chairman of the United Palestine Appeal, speaking recently over Station WJZ and a national hookup on a "Public Forum on Palestine" with Nathan Straus and Arthur M. Lampport.

Declaring that what had happened in Palestine is "a challenge to the Jews of the world" which will spur them to renewed activity on behalf of the rebuilding of the Jewish National Home, Dr. Wise emphasized that Jews reaffirm their desire to live in peace with the Arab population.

He characterized the events in Jaffa "as nothing more than passing disorders that take place between neighboring populations during a period of mutual adjustment."

The broadcast was on behalf of the \$3,500,000 campaign of the United Palestine Appeal for the settlement in Palestine of a maximum number of Jews from Germany, Poland and other lands.

In the course of his remarks, Dr. Wise said:

"I am not disheartened by what has taken place in the last few days in Jaffa. After all, these are nothing more than the passing disorders that take place during a period of mutual adjustment.

"Of this I can assure you. The Jews in Palestine are doing everything they can to bring about the best kind of peaceable relationship between Arabs and Jews. There is abundant room for a growing number of Jews.

"In any event, this constitutes a challenge to the Jews of the world. I must say, without bitterness or rancor, that for every Jew killed in Palestine we shall assist a thousand more Jewish immigrants to find homes in Palestine. A great people engaged in a great task cannot permit itself to be discouraged by minor incidents, even though these involve some injuries and some deaths.

"It is for us to take the long view, and the long view includes the vision of hundreds and hundreds of thousands of additional Jewish settlers in Palestine, who will live in peace with the Arabs but will be prepared to defend and to safeguard the Jewish homeland, which has grown out of centuries of dreaming and of decades of incredible and miraculous work in self-redemption.

"These incidents are nothing more than the clashes of heated individuals. We must reaffirm the resolution of American Jewry to make the largest possible contribution of strength in every way to the upbuilding of the Jewish homeland. The answer to the riots of '29 was the growth by 300 per cent. of the Jewish population. A similar answer would, within the next eight or twelve years, give us a million added Jews in Palestine. As in the past, the increase of Jewish population is certain to bring to the Arabs great good in every possible respect. And as the years go on, there is bound to be greater mutual understanding between the two peoples. We must resolve to give a generous outpouring of our means to the United Palestine Appeal so that our program for the rebuilding of Jewish life in Palestine may continue with ever greater strength."
