**THIS IS FOR OUR MEN IN THE SERVICE**

Dear Member:

Purim is approaching, falling this year on Sunday, March 21st. Every year many of you have been good enough to respond to my appeal and have sent me Shaloch Monos donations which we have used for baskets distributed with the Sisterhood's help, to worthy poor Jewish families in the community. This year the number of such families is fortunately considerably reduced and so it occurred to me that instead of doing what we have always done, we should send a Shaloch Monos—a Purim Gift—to our temple boys in Service who are still in this country and can be reached with a gift.

Our Honor Roll now contains the names of 342 men, many of whom are in this country. I know that they will be delighted to receive a Purim gift from us because it will let them know that our hearts and minds are with them at this season of the year when the Jewish people celebrates its redemption from the cruel clutch of Haman. It will be ominous to them of our coming victory since they are fighting to release the world from the clutches of Hitler. We shall need a great deal of money this year for this purpose, and I am hereby inviting every one of you to send me your Shaloch Monos, your Purim contribution, large or small. Let it be both our thanks offering and an expression of our thought for our boys.

Mrs. Sidney Weiss, who has been my faithful right arm in this effort, has again consented to head a committee which will get the gifts and attend to the packing and mailing.

Hoping that what happened to Haman will happen to Hitler soon, I am, with warmest greetings,

Sincerely yours,

*Rabbi R. Brickner*

### "HOW ENGINEERING HELPS WIN THE WAR"

Men's Club Co-Chairman: Mr. William  
Rosenfeld and Mr. Sanford Schwartz.

## TEMPLE FLASHES

900 children and adults attended the Mother-Daughter and Father-Son Luncheons last Sunday. . . . Highlights were the presentation by our Sisterhood of the Mobile Canteen to the Red Cross for the use of our service men in the front lines and the impromptu sale of \$105,400.00 of War Bonds through Harry Jacobson, Chester Hess and Charles Volk. We congratulate them. . . . The youngsters were thrilled with the exciting souvenirs, babushkas for the girls and indoor baseballs for the boys. . . . Many thanks to all who contributed their services and made these twin joyous affairs possible.

## TEACHINGS OF OUR RABBIS

"If thou makest thyself low in humility, God will raise thee up; but if thou makest thyself great before thy fellow-man, God will bring thee low.

—Derech Eretz Zuta 9.

"Show love even to him that did evil to you; take no revenge and do not carry hatred over."

—Yalkut Samuel 134.

## THE FIGHT FOR FREEDOM

The fight for freedom is an endless battle. Its victories are never final, its defeats are never permanent. Each generation must defend its heritage, for each seeming conquest gives rise to new forces that will attempt to substitute fresh means of oppression for the old. There can be no peace in a world of life and growth—every battle the fathers thought finished will have to be fought anew by their children if they wish to preserve and extend their freedom.

—Philip Van Doren Stern

## \$110,000 IN WAR BONDS SOLD BY SISTERHOOD

An "E" for excellence for salesmanship and service goes to the Sisterhood of the Euclid Avenue Temple from the United States Treasury Department in recognition of the amount of bonds sold within a limited period and the total . . . \$110,000 worth of America's favorite commodity. This is the largest amount sold by an organization of this kind.

## MRS. JOHNSON DOES HER JOB

Main-course dishes were being cleared—and Mrs. Theodore Johnson was still among the missing. Word went up and down the long speakers' table at the Women's Committee of the War Savings Staff first anniversary luncheon yesterday in the Higbee Auditorium. One of the three people to receive special citation from the Treasury Department had failed to come. A searching party was sent out and found her at her War Bond booth in Grant's Store.

She was staying on the job so her volunteer could attend the luncheon with 350 other volunteers in Higbee's Auditorium. A replacement relieved her so she could receive her parchment, and before things were over we saw her returning to her booth.

Mrs. Johnson received the citation for having put in 808 hours of volunteer service.

By Betty Kralik in the Cleveland Press, Feb. 17th.

(Mrs. Johnson is a member of our Temple and Sisterhood. We are very proud of her. Congratulations, Mrs. Johnson.)

## A FREE WORLD

"Never before has religion had the profound significance that it has now, with all the free world battling gallantly against a pagan terrorism and a pagan ideology. The United Nations must realize that all God-fearing faiths must fight side by side against the forces that would exterminate religion altogether. Already Jews and Catholics and Protestants have fallen together in defense of our Nation. Their blood will not run in vain. They have put their country first, and their reward shall be in the coming free world they have helped to create."

—Brig. General John T. Kennedy.

## PRAYER IN AN EVIL TIME

God of pity and love, return to this earth.

Go not so far away, leaving us to evil.  
Darkness is loose upon the world; the devil

Walks in the land, and there is nothing worth.

Death like a dog runs howling from his lair,

His life has made men mad, they follow after

The howling too, and their demoniac laughter

Drowns like a sea our solitary prayer.  
Return O Lord, return. Come with the day,

Come with the light, that men may see once more

Across the earth's uncomfortable floor  
The kindly paths, the old and loving way.

Let us not die of evil in the night.  
Let there be God again. Let there be light.

—Robert Nathan, Harper's Magazine.

## RED CROSS WAR FUND

From National Headquarters of the American Red Cross comes the announcement of the \$125,000,000 War Fund to be conducted in March, 1943. The Greater Cleveland Chapter has been assigned a quota of \$1,780,000 of which \$1,330,000 will be expended by National Headquarters. In addition the local Chapter has budgeted \$346,000 for the national and international Red Cross effort leaving \$104,000 for Red Cross activities in Cuyahoga County.

"That They May Live," more than 65 percent of your contribution will follow our fighting men and women over the world, recruit 36,000 Red Cross nurses, and finance the Blood Donor Service. Meeting disaster heads up and face on, Red Cross civilian defense work, First Aid, Nurse's Aide Corps and the many other Red Cross educational activities will be supported by the remainder of your donation.

Now! As never before your American Red Cross needs help in meeting its greatest challenge of all time. Your Red Cross must continue its work on all fronts and must make sure that whenever and wherever the enemy strikes Red Cross will be ready with food, shelter, transportation and trained workers.

To meet these obligations it is imperative that "those who wish to demonstrate their will of victory over the enemy" shall contribute generously in this War Fund campaign.

Should you desire to make your gift now, please mail your contribution to American Red Cross War Fund, War Service Center, Public Square, Cleveland Ohio.

*Story of the Week*

Hitler was burning the midnight oil feverishly studying a map of the English Channel. In desperation he told his secretary to have a Spiritualist put him in touch with the spirit of Moses.

"I am der Fuehrer of Germany," announced Adolph after communication had been established. "I want to know how you made the waters of the Red Sea part and fall back."

"Very simple," replied the spirit of Moses. "I struck them with my rod."

"Where is that rod now? I could use it."

Moses chuckled: "In the British Museum!"
