RABBI ALVIN I. FINE

Rabbi Alvin I. Fine, our guest preacher this Friday night is one of the most gifted of the recent graduates of the Hebrew Union College. A native of Portland, Oregon, and a graduate of Reed College he was ordained in 1933. After serving as rabbi in Wilmington, Delaware, he was commissioned a chaplain in the U. S. Army and remained in uniform until 1946. He was the first chaplain "to cross the hump" with American troops in the China theatre. His activities on behalf of Jewish refugees in Shanghai created highly favorable comment. Rabbi Fine now occupies the newly-created post of Director of Field Activities of the Hebrew Union College. A splendid speaker, his message will be of interest to all members of the congregation.

The Alumni Association announces that the date of the Theodore Andrica program, to which the entire congregation is invited, has been changed to Thursday, February 27, 8 p. m.

IN MEMORIAM

Our heartfelt sympathy is extended to the bereaved family of Rose Gelfand.

**AN OUTSTANDING
SISTERHOOD EVENT**

What promises to be one of the outstanding events of the Sisterhood, will be the MOTHER-DAUGHTER DAY on SATURDAY, FEBRUARY 15th, when the mothers and daughters take over the service, luncheon, and program for the day.

This being centennial year in the life of our temple, the Sisterhood has gone to great lengths to prepare a service and program that will remain a cherished memory to every mother and daughter attending.

Mrs. Max Kalish has written and is directing an original and beautifully costumed play called "Brides Through the Ages."

This year, young daughters of the temple as well as the oldest are welcome and there will be prizes in each age group; also for the mother attending with the most daughters. A lovely souvenir will be presented each daughter attending.

Chairman of the day will be Mrs. Alex Sill, assisted by Mesdames Sol Battler, Lawrence Beyer, Louis Cort, Willard Goodman Max Kalish, Rita Keller, Norman Less, William Rosenfeld, Harry Rosewater, Leo Rossmann, Edwin Schanfarber, I. G. Shapiro, A. T. Wal-lach, and Maurice Winograd.

Mrs. Richard Bergman, Sisterhood president, will give the invocation at the luncheon and present the prizes.

Due to the limited seating capacity, reservations for the luncheon will close on February 8. Tickets at \$1.50 each are available at the Temple Office or at the Tuesday Sewing Group, and can be reserved by calling either Mrs. Sol A. Battler, Webster 7107 or Mrs. Maurice Winograd, FAirmount 0565.

YOUR HERITAGE

Live for something. Do good, and leave behind you a monument of virtue that the storm of time can never destroy. Write your name, in kindness, love, and mercy, on the hearts of thousands you come in contact with year by year; you will never be forgotten. No, your name will never be forgotten. No, your name, your deed, will be as legible on the hearts you leave behind as the stars on the brow of evening. Good deeds will shine as the stars of heaven.

CLAIMS POPE TOLD HIM ONLY U.S., PALESTINE OFFER HOPE FOR JEWS

New York—Pope Pius XI believes that immigration to America and Palestine offer the only hope for displaced Jews of Europe, according to Donald Daniels, New York industrialist, who says he had a 32 minute private audience with the Pope in the Vatican on Thanksgiving Day.

"He told me" Mr. Daniels says, "that the only answer to the Jewish problem lies in two places: Palestine and America. He said he didn't think Jews could be happy in Europe for a hundred years; that Europe is too saturated with the blood and bones of Jews who have died there; that anti-Semitism is too deeply rooted."

Dr. Daniels, a member of Congregation B'nai Jeshurun, who says he had an orthodox Jewish education, visited Italy to study the problem of displaced persons. He donated 50,000 food rations for DP camps and was introduced to the Pope by the Italian Food Minister. Mr. Daniels says he questioned the Pope about Polish Cardinal Hlond's allegation that Jews had started the Kielce pogrom last July 4 in which 41 Jews were massacred. The Pope replied, Mr. Daniels says: "Even Cardinals can make mistakes."—From The Pittsburgh Jewish Criterion.

Jewish Problem in Modern World, by
James Parkes (Oxford Press.)

Dr. Parkes, who has written so much about anti-Semitism and whose fairness to the Jews almost led to his lynching at the hands of Swiss Nazis, should be happy to see his excellent little volume of 1939 now appearing in an American edition of the Home University Press. Now again, the interested (or disinterested) reader can learn the history of a problem created not by Jewry but by Christianity, in all its variations and through all periods to the recent German holocaust. The writer explains how slander, exaggeration, prejudice, jealousy, and imitativeness are the true bases of Jew hatred, as well as the most important factor of religious misinstruction. For fact, for honesty, and for clarity of the situation in modern days the book is unexcelled. It is inexpensive enough to present not alone to gentile readers, but to many an ignorant, self-hating Israelite.—From The American Hebrew.

THE FRUITS OF WORSHIP

1. It can supplant fear, worry, and wearing haste with calm self-possession.

2. By reminding us of central points of view it can promote mental perspective, making great things look great, and small things look small.

3. It can include such a facing of our faults as leads to repentance and amendments of conduct.

4. It can intensify our devotion to a cause, and prevent hardships from taking on exaggerated importance.

5. It can save our goodness from over strenuousness, over assertiveness, and angularity by making us realize how small we are and how great God is.

6. It can humanize us by fellowship with other worshippers even those whose worship is much unlike our own, and it can unite a group in support of a cause.

7. It can include a repeated or even a continuous weighing of issues and results together with sensitiveness to new needs that arise in a changing world.

REBECCA GRATZ

In the history of Pennsylvania's distinguished women, the name of Rebecca Gratz is proudly recorded for her philanthropy and her activities in the betterment of the Jewish people. Born in Philadelphia in 1788, she early in life dedicated herself to the relief of the orphan and to the improvement of the underprivileged and the uneducated. In 1815 she founded the Philadelphia Orphan Asylum and some time later organized the Hebrew Sunday School. So possessing was her character, so striking her beauty and so distinguished her ability and sincerity, that Sir Walter Scott was so impressed that he described her as the "Rebecca" in "Ivanhoe." Washington Irving referred to her as one of the most charming personalities he had ever met and an outstanding literary woman of her time.

When she died in 1869 she left a high standard for achievement by distinguished American Womanhood.

SABBATH HOLY DAYS

The object of Sabbath is obvious, and requires no explanation. The rest it affords to man is known; one-seventh of the life of every man, whether small or great, passes thus in comfort, and in rest from trouble and exertion. This the Sabbath effects in addition to the perpetuation and confirmation of the grand doctrine of the Creation.

... Other holy days are appointed for rejoicing and for such pleasant gathering as people generally need. They also promote the good feeling that men should have to each other in their social and political relations.

—Moses Maimonides.

S O S DRIVE

BULGARIA ORDERS RETURN OF JEWISH PROPERTY

Sofia—The Ministry of Finance has issued an order instructing that confiscated property which was transferred by the authorities to a third person is to be returned immediately to the original owners, with the State recompensating the purchaser for whatever he paid the Government for the property, plus taxes and other expenses.

The order was issued in accordance with a recently enacted law providing for the return of Jewish property confiscated or sold under duress under the former pro-Nazi regime. If the Jewish owner sold the property to pay the special taxes levied upon Jews, he must return whatever sum he received from the purchaser, minus the amount he was taxed, the order provides.

NEIGHBORS HELP JEWISH STORE OWNER

So often do we hear of ill-will and hate in the relationship between groups in our community, that it is refreshing for one to learn of something different that happened last Sunday in the town of Newington. A Jewish merchant in the town, Harry P. Summers, running a general store, had his lease terminated suddenly, and was ordered to vacate his quarters by January 1. This caught him in the midst of the rush and pressure of Christmas business, and it was impossible for him alone to comply with the vacationing order.

But Mr. Summers is a member of the Newington Lions' Club and the members of the Lions' Club decided to pitch in and help out. A notice was sent out by the president of the club calling upon the members to set aside Sunday, December 29, "to help Harry move his store around ten in the morning and to finish the job by late afternoon. Any part of the day that you can spare will be appreciated . . . Let's all turn out at least part of the day and give Harry a hand."

And so last Sunday about a score of the Lions turned out in the midst of the snow, the ice, and the rain, which prevailed last Sunday. The business of Harry Summers was moved into his new store and on Monday he was ready to open up and transact business.

It is a display of good-will, of neighborliness, of comradeship, and of fraternalism at its best.—From the Hartford Jewish Ledger.

FROM "A STATEMENT OF PRINCIPLES"

Recognizing its role as the great source of strength and hope for the helpless and despairing among our people, the American Jewish community dedicates itself to these tasks for the year 1947:

It will, on behalf of the Joint Distribution Committee, provide the resources that will assure physical survival to hundreds of thousands of Jews in Europe; that will, through reconstruction measures assist a maximum number to regain their self-respect and self-support through economic restoration; that will, through re-settlement assistance, enable a maximum number who wish to do so to find their way out of the misery and hopelessness to which they are doomed on the Continent that is still haunted with terrible memories; that will strengthen all in need with the assurance of our brotherhood and concern.

It will, on behalf of the United Palestine Appeal, and in association with the great Jewish community of Palestine, furnish the means to establish a maximum number in the Jewish National Home so that, together with the hundreds of thousands of others who have found permanent haven in this ancestral homeland, they may expand the civilization that will be a source of benefit and pride to Jews and all mankind; to give the assurance to the governments entrusted with such power that their willingness to meet their legal and moral responsibilities to the Jewish people will be fully matched with the resources required to achieve a large-scale resettlement program.

It will, on behalf of the United Service for New Americans, provide the hospitable assistance which newcomers to our shores require to re-establish themselves and to rebuild their lives in peace and security; to make full use of our Government's humanitarian leadership illustrated by the President's Directive on immigration and by the expressed desires of eminent Americans of all faiths that we receive our share of the homeless and dispossessed; pledging our united community effort to maintain our historic tradition of asylum.

To meet these needs a total sum of \$215,000,000 is required. To fulfill American Jewry's responsibility toward this program of positive salvation for the surviving remnant of Israel, this National Conference of representatives of American Jewry resolves that for the

year 1947 a campaign shall be undertaken to provide for the United Jewish Appeal the sum of \$170,000,000.

This Conference solemnly calls upon every Jewish community in the United States and upon every member of such community to summon with renewed strength and consecration all the forces of energy, devotion and resources so that American Jewry may live up to the destiny that history has entrusted to it.—United Jewish Appeal.
