Temple Israel goes smoke-free

At the July 30th Board of Trustees meeting an important decision was reached regarding Temple Israel. In the interest of health and consideration for our congregants, Temple Israel, as of September 1, 1991, will be a completely SMOKE FREE environment. Smoking will not be permitted in any area of the Temple,

including the social hall. This applies to all social functions as well.

The board understands the hardship this may create for some. However, the overall consensus determined the long range benefits far outweighed the inconvenience.

Your cooperation in enforcing this new policy will be greatly appreciated.

New Founda- tion fund established

Thanks to the generosity of David and Beatrice Roth, a new Temple Israel Foundation fund has been established. The interest generated from this fund will be used for Temple operations. The Roths have chosen to name this fund simply the *David & Beatrice Fund*. Thank you to David and Beatrice for their ongoing support and interest in Temple Israel's future.

From the Rabbi:

The right question for the New Year: What does it mean to be a congregation?

As a student I once learned this important question:

"What does it mean to be a congregation? It means to care about each other!

Pray?

We pray also at home.

We come together as a congregation in order to share in our life as Jews; to be a part of the community of Israel.

Past. Present. Future.

Here lies the very essence of our way of life:

Every person, man or woman, young or old, must share in every other person's life and not leave them to themselves—either in sorrow or in joy!"

Are we a congregation? I ask this question to each and every man and woman, young and old, who is a member of Temple Israel. Are we really a congregation? Stronger than the sum of its parts? United in vision, if not always in opinion or prayer? Linked to each other by ties ancient and ever new?

I believe that we are indeed a congregation—a congregational family. Acting like a family in more ways than we realize ourselves. That is how I answer the question.

And yet any member of a 2,000 year rabbinate will admit to you that it is ulti-

mately not the answer that is important, but the question. The question itself and the way we each answer what it means to be a congregation will continue to lead us in right paths for "God's namesake." And it is "God's namesake" that inspires us to what we do as a congregation and as individual Jews.

These High Holidays, sitting in the sanctuary with hundreds of other Temple Israel members surrounding us, consider the question of what it means to be a congregation. To care and to share and to

REQUIREMENTS FOR BAR/BAT MITZVAH

Dear Parents:

Hebrew education is meant to be a very meaningful and integral part of a Jewish child's development. Knowledge of the Hebrew language learned in conjunction with other aspects of Jewish religious education can result in a solid appreciation of our sacred heritage. With this background, the Bar/Bat Mitzvah can be a powerful emotional and spiritual experience for both the child and the family.

REQUIREMENTS FOR BAR/BAT MITZVAH

1. Temple Israel Religious School

All Bar/Bat Mitzvah candidates are to be actively enrolled in Temple Israel Religious School by the third grade. Temple Israel offers classes from Kindergarten through 12th grade. The curriculum includes Confirmation and post Confirmation with a three week component in Israel in the post Confirmation year.

2. Kol Ami Community Hebrew School

All children, except those attending Torah Academy, are to be enrolled at Kol Ami Community Hebrew School from third grade through Commencement at the end of seventh grade. Kol Ami is an afternoon Hebrew language school, with classes two days a week at Temple Israel, Agudas Achim, or Beth Tikvah. Regular attendance in the Aleph, Bet, Gimel, Daled, and Hay years of Kol Ami is required. In the fifth year, candidates for a Bar/Bat Mitzvah will enter a training program designed to prepare them for the day when they will read from the Torah and lead the congregation in worship.

3. Mitzvah Projects

The truths and values of Judaism are translated and understood in the doing of Mitzvot, good deeds. Beginning in the third grade, special attention will be given to Mitzvah Projects. These projects will be coordinated with Temple Israel Religious School, and may be group projects or a personally chosen Mitzvah of kindness or service to family or community. Possible areas of Mitzvot are Heritage House, Shalom House, Temple, assisting Soviet Families, tutoring younger students, etc.

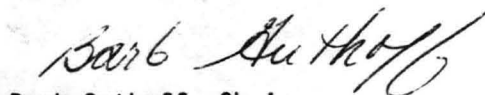

4. Attendance at Shabbat Services

Jews throughout time have expressed their faith in God through community worship. Attendance at Shabbat Services continues to fulfill this centuries-old practice. For our students, attendance at Shabbat Services also reinforces the Hebrew learning process and is an opportunity to become more fluent in Hebrew prayers. Therefore, regular attendance at Shabbat Services is encouraged, with a minimum requirement of three Friday nights and three Saturday mornings, each year of Kol Ami, beginning with Kitah Bet (fourth grade). While family attendance is desirable, unaccompanied students will be provided with a supervised section in the sanctuary. Each week, the Rabbis and Cantor will acknowledge, with pride, the presence of our Hebrew students. (While attendance at Shabbat Services is beneficial for all students, this attendance requirement applies to those students entering Kol Ami September, 1989 and on.)

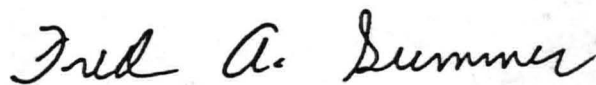

By meeting the above requirements, students will demonstrate their preparedness for Bar/Bat Mitzvah. Sometimes students with special needs will be unable to meet the requirements outlined. In this event, each case will be carefully considered and the program modified to enable all our students to have Bar/Bat Mitzvah.

With commitment to Religious School, Kol Ami, Mitzvah Projects and Attendance at Services, having a Bar/Bat Mitzvah with deep meaning is within the reach of all our students and their families.

Sincerely yours,

Barb Guthoff, Chair
Hebrew Education Committee

Lighting of Holiday and Sabbath Candles

(light candles)

With these lights
We welcome Shabbat and Rosh Hashana
In their glow of contrasting colors
We discern
The light and dark of our days.
We recall
All the disappointments and joys
We have shared.
And all the hopes and intentions
We now nurture
For the New Year.

Mitzvot, and commands us to kindle the lights of Shabbat and Yom Tov.

Kiddush for Rosh Hashana

*(Leader holding cup of wine says the following prayer,
then all join together in singing Kiddush.)*

We praise You, O God, and give thanks for the year that is gone, for life, health,
and strength, for home, love and friendship, for the discipline of our strivings to
better our skills, and for the happiness of our successes. May the sweetness of
this wine symbolize our joy and hopes as we enter the New Year.

ברוך אתה, יי אלהינו, מלך העולם, בורא פרי הנפון.

(Ba-ruch a-ta, Adonai Elo-hei-nu melech ha-olam, ha-motzi lechem min ha-aretz.)
Blessed is the Lord our God, Ruler of the universe, who causes bread to come forth
from the earth.

(Some dip apples in honey and say)

ברוך אתה, יי אלהינו, מלך העולם, בורא פרי העץ.

(Ba-ruch a-ta, Adonai Elo-hei-nu melech ha-olam, bo-rei pri ha-etz.)
Be praised, O Lord our God, Ruler of the universe, Creator of the fruit of the tree.

יהי רצון מלפניך, יי אלהינו ואלהי אבותינו, שתחדש עלינו

Lord our God and God of our people, may the New Year be good for us and sweet.

... Amen

ROSH HASHANAH 5752 HOME CEREMONIAL READING

During the course of the festive meal on Rosh Hashanah evening, pieces of apple that have been dipped in honey are distributed to the participants and the following is read either in unison or responsively.

For centuries, Jews have celebrated Rosh Hashanah by eating apples and honey. We express our hopes and prayers that this new year ahead may be especially sweet for ourselves, our loved ones and all the Jewish people around the world.

Seated at the festive table, we remember our precious heritage. We understand that the new year is a sacred time for reflection and hope, as we pray for guidance to meet the challenges of the coming year.

The beginning of the year 5752 is marked by extraordinary events.

We are witnessing the redemption of Ethiopian Jews in the land of Israel. May their memories of famine and danger fade, as they experience the joy of reunification with their families.

We are witnessing the emigration of more than 250,000 Soviet Jews who have been isolated from the mainstream of the Jewish world for decades. May they find empathy and caring as they establish new homes among the people of Israel.

We are witnessing — where there had been repression — the resurgence of Jewish vitality in Eastern Europe. May these communities gain new strength and success in their endeavors.

We are witnessing, through Operation Exodus, an outpouring of compassion and generosity for all Jews in need. May we be thankful for our religious freedom and the ability and opportunity to extend help to others.

Now, on this Rosh Hashanah, as we once again dip our apples into honey, we recite the age-old words of our tradition. May we enlarge our horizons, pledging to ourselves that this year we will do even more to reach out to Jews in distress, wherever they may be.

Kol Yis-rae-el ah-ray-vim zeh ba-zeh. כָּל יִשְׂרָאֵל עֲרֵבִים זֶה בָּזֶה.

All Israel is responsible for one another.

This year may all Jews know a new measure of sweetness.

May each of us continue to grow in our commitment to our people and our faith.

Ye-hi ra-tzon mil-fa-ne-ha, יְהִי רָצוֹן מִלְּפָנֶיךָ, ה' אֱ-לֹהֵינוּ וְאֵלֵי אֲבוֹתֵינוּ,
Ah-do-noy Eh-lo-hay-nu vay-lo hay ah-vo-tay-nu, שֶׁתַּחַדֵּשׁ עֲלֵינוּ שָׁנָה טוֹבָה וּמְתוֹקָה.
she-te-ha-desh ah-lay-nu sha-nah to-vah u-me-tu-kah.

*May it be Your will, O Lord our God and God of our ancestors,
to renew for us a good and a sweet year.*

KEY POINTS ON ABSORPTION GUARANTEES

- Israel's request that the U.S. "guarantee" a \$10 billion loan to be distributed over 5 years is not a request for a grant or even a loan from the U.S. government.
- Israel is asking the U.S. to "co-sign" loans that she will apply for from private American banks. No money will be transferred from the U.S. Treasury.
- Israel is one of only two countries which has never defaulted on its obligations to the U.S.
- Israel will use the money to accomplish the enormous humanitarian task of absorbing one million Soviet and Ethiopian refugees.
- Like funds from other U.S. aid programs, this money can only be used within Israel's pre-1967 borders, a commitment she has never broken.
