## THE NEW SOUND FOR THE NEW AGE

In the Spring of 1968, Gershon Kingsley, composer of Broadway musicals and a musical director for CBS-TV, was commissioned by Temple Sha'are T'fillo of East Orange to write a service in Rock. The premier presentation was received with wild enthusiasm by youth and adults alike.

Cantor Pheodore Aronson of Temple Sha'are T'fillo has generously consented to sing this same service at Temple B'nai Or on Friday evening, April 4th.

RABBI Z. DAVID LEVY

A 35 voice choir of teenagers and professionals under the direction of Samuel Hollander and a 5 piece instrumental group will assist. We are promised a most thrilling service that will render an eloquent liturgy in a contemporary sound. This service should answer the constant cry for religious expression for our age.

RABBI Z. DAVID LEVY

Members of the Building Committee and the Architects will be present. The meeting will be as informal as possible, and no votes will be taken.

**LIBRARY NEWS**

We know that 72 Library Books circulated in the first two months of 1969. But how many more went out without the borrower knowing how to charge them out?

Here's how: There is a card in the front of each book. Write your name and the current date on the card and drop it in the orange box inside the library door. You may keep the book two weeks. When you bring it back, put the book in the white wooden box on the floor next to the door. Simple? Please cooperate so we can keep track of library use.

For your convenience the library is usually open shortly before Friday night services and for a short time afterward. Any time you wish to use the library ask someone in the office to open it.
