President's Message...

I hope you have enjoyed a pleasant summer
and are looking forward to an exciting
year of Temple life. In addition to our
usual activities, the 30th Anniversary
Committee, chaired by Judy Helderman, is
organizing an extensive set of varied
events that will be of interest to every-
one.

The Needs and Wants Committee, chaired by
Nat Rose, is continuing to acquaint the
congregation with the proposed expansion.
Contact him if you want further informa-
tion or would like to get involved.

These committees, and indeed all our com-
mittees, can only function with your sup-
port. Why not pick an activity that is
of interest to you and offer to partici-
pate?

My family joins me in wishing you a happy
and healthy New Year.

Tony Lubowe

MEN'S CLUB

Please join us on SUNDAY, SEPTEMBER 16th at 9 A.M. as we kick off our Men's Club Breakfast Programs with a movie starring our very own Rabbi Levy. Joining Rabbi in this presentation will be Av Bondarin, Director of the National Federation of Temple Brotherhoods. The movie is titled "Let There Be Light", and is cosponsored by the Jewish Chautauqua Society.

As always, Men's Club members can reduce the cost of breakfast by enrolling in the Meal Plan. Rather than \$5 per breakfast for 8 months, paid-up Men's Club members pay only \$35 and get the 8 breakfasts, as well as free admission to the Annual Men's Club/Sisterhood Breakfast Program (about a \$14 value). Non-members cannot enroll in the Meal Plan but are welcome and encouraged to attend individual breakfast programs at \$6.50 each.

If you have any questions about the Men's Club, please call Bill Blatt (895-4142).

- - RELIGIOUS SCHOOL - -

In some ways the first few weeks of school are the most important of the whole year. They are when the basics are taught and when friendships are formed. They set the tone for the year and establish the basis for further learning.

The teachers and I have been working this summer to make this year the best possible for your child. After evaluating last year's experiences, we've made some changes and improvements in our program.

Religious School begins on Thursday, September 6th, and classes will meet for 3 weeks before the High Holidays. Please give your child your support and encouragement during this important period. Don't handicap your child through absenteeism or disinterest. If there are difficulties, please contact me quickly so we can solve them before any lasting problems result.

I hope you and your family had a fine summer. We look forward to seeing you again as our year begins.

Rabbi Melanie Aron

CHAVURAH UPDATE

A special program will be held on Sunday, September 16th, 2 to 4 p.m. at Temple, for members of the congregation's six Chavurot and for those interested in learning more about the Chavurah program.

Though we will not be starting any new groups this Fall, CHAVURAH II is looking for three families with school age children, and CHAVURAHS I, III AND VI would each like to replace a family that has moved out of town.

The program on September 16th will include an explanation of what a Chavurah is, as well as ideas for Chavurah programs from Rabbi Levy and members of the established groups. (Babysitting will be provided for those who RSVP at least a week in advance, and refreshments will be served.)

If you are interested in attending the meeting on September 16th, or in joining a Chavurah, please contact the Temple Board's Chavurah Chairperson, Jay Dayan (367-3228), or Rabbi Aron.

-- S I S T E R H O O D --

We hope you have all had a pleasant and relaxing summer. Now that September is here, Sisterhood is once again in full swing. We'd like to welcome all new Temple members and to invite the women to participate in our programs. You are "guest" Sisterhood members for your first year in our congregation. Our events provide a great opportunity to meet new friends and to feel comfortable coming to functions.

On the agenda in the near future are our Shabbat Packages, our first meeting, and our paid-up membership meeting. Watch your mail for details about upcoming events.

Plan to come out for Sisterhood! We need your help and input, but most of all we hope to provide you with programs that are both educational and stimulating.

Happy, healthy New Year...

Ellen and Marilyn
