

Temple B'nai Or Bulletin

Volume 42, Number 1

September 1996

FROM RABBI ROSSOFF . . .

WHAT'S NEW?

As we embark on another year at Temple, there is so much that is new and exciting for members of all ages and interests:

Adult Jewish Education

Cantor Benson, Adult Jewish Education Chair Connie Rubin and I have been putting together a program for Jewish learning and growth which will include: a week-night Adult Jewish Academy series, a one-day Hebrew Marathon, Adult Hebrew and Bar Mitzvah classes, and a one-day Shabbaton based on the successful Taste of Judaism. Among the ongoing programs which will continue are: the Sunday Night Book Club, Judaism on One Foot with Gary Aidekman, my Thursday morning Sisterhood Torah Seminar and monthly Men's Schmoose Group.

Family Education

In addition to the very successful Family Education programs in each grade which we have developed through the years, Temple member Sheri Gropper, along with a Family Education Committee, will be creating and organizing new events for families. Shari comes to us with extensive experience and training in Family Education. We are so thrilled that she is now part of our "team."

Shabbat Services

No, these are not new, and yet many new things will happen. Our ongoing Shabbat Committee under Stuart and Barbara Rayvid has been studying the ins and outs of worship and has already made important innovations. This year there will be more of our popular teaching services, a naming service for our Russian immigrant families and much more. In order to help you participate most fully, over the High Holy Days we will be distributing a tape and booklet with the music we sing on Shabbat as well as a practice reading of the Kaddish.

Shaarim/Gateways: Four doors to Jewish life at Temple B'nai Or

This four-part interactive program focuses on Reform Judaism as practiced here at Temple, a look at the prayers we pray and the music we sing, the meaning of being a Jewish community, how the Temple works and how to get involved. *Shaarim* is designed for new members, recent members and members of long standing.

Singles Outreach

We are working on creating a Single's Chavurah as well as facilitating Shabbat dinners for singles.

Ne Social Action opportunities

Continuing our involvement in housing the homeless, the soup kitchen, and the Chanukah Giving Night, we will be increasing our involvement in the community with the Community Pot Luck Dinner (October 27), Operation Love and a Mitzvah Day in the Spring which calls on every member of the Temple to come out and participate.

Nursery School Parenting Workshops

Midweek seminars for the parents of our nursery schoolers.

Of course, all of this is in addition to the fine ongoing programming of Sisterhood, Men's Club, Renaissance, Interfaith Outreach, Chavurot, Senior Youth Group and Junior Youth Group. Should you wish to be involved in any of the above or have an idea about how the Temple can better serve your needs, please give us a call. As always, the door is always open!

This year looks to be another year of excitement and growth. Be a part, not apart. Come home to Temple!

Fran, the children and I send our best wishes to you and yours for a joyous, healthy and fulfilling New Year. May we all be inscribed for another year in the great Book of Life!

In friendship and peace,

Rabbi Don Rossoff

President's Message

L'Shana Tovah! It is hard to believe that summer is already over, and the High Holy Days are upon us again. While many of you were away enjoying summer vacations, we were very busy at Temple working to make sure that we continue to offer the best we can to our members. Our membership is hovering at the 600 family level which has enabled us to elevate Cantor Benson to full-time status. As such, he is available for all lifecycle needs of our members which, in turn, will make it easier on Rabbi Rossoff. A congregation our size truly needs two full-time clergymen.

Over the last year, the Board, through a special committee, has been studying the acoustic problems in the Sanctuary and Social Hall which were made very evident during last year's Rosh Hashanah and Yom Kippur services. After considering many proposals to upgrade and/or replace the current system, the Board, on the recommendation of the Committee, accepted a proposal to totally replace the current system including the speakers. This was not done lightly. After considerable discussion and further research, it was agreed this new system would resolve our problems as well as offer us tremendous opportunity to be extremely flexible. The new system is almost entirely wireless which will eliminate the wires and receivers which are only partly hidden on the bimah. It will automatically adjust to the voices of our children as well as the chanting of the Cantor. Since it is a capital improvement, it will be paid for from the building fund as well as donations from our members to the Francis Horowitz Memorial Fund. There is no special fund raising effort to cover the cost of this system. However, when making a donation to Temple for any purpose such as an anniversary, special birthday, a birth, engagement or the like, please consider this fund. In this manner, we will take less from the building fund, keeping it well funded for other projects.

In summary, the Temple did not close for the summer, but merely slowed down a bit. This next year will be one to look forward to including a Goods and Services Auction being planned for May. Check your calendars and save the date. It is a great opportunity to buy merchandise or a service, like a weekend in a vacation spot or a round of golf, at a bargain price while helping your Temple at the same time. Please help the Committee to the best of your ability when the solicitation for goods and services goes out in the Fall.

May 5757 be a good year for Temple B'nai Or and all its members.

Jack Piermont

From the Cantor

"Ma'agal Chozer" – a Circle Without End. So it is with time. Constantly moving, fluidly gliding and leading us through our existence. An unending reminder to review the past and renew ourselves for the future. A great blessing is time, and a great friend.

As September comes around again, a New Year begins. Not only Rosh Hashanah, but the beginning of a new school year, a new year of programming here at Temple, a new year of resolve and reflection.

We, the members of the world's Jewish community, are doubly blessed. We have two New Year's celebrations each and every calendar year. One, the secular which allows us to rejoice in the passage of time and the chance to attend parties and share with friends and family our "New Year's Resolution." You know, those things we list knowing that by next week it's okay if we don't remember them anymore or live up to them.

Then there is Rosh Hashanah, the other New Year, the one presented to us by Torah. You know the holiday – one where Jews the world over feel compelled to attend. There is a magnetic attraction to the High Holy Days, a deep sense of connectedness which pulls us and draws us nearer to our roots. Reflection, review and renewal, all viable reasons to come and join the community. I look forward to seeing each of you and sharing in the moment when your spirit begins to soar from a memory revisited, a smile allowed, a tear in a corner of the eye, a dream restored. We are here for you to help in the journey.

I urge you to take a look at this year's schedule of programs – scholars, musicians, educators and events brought together to offer you myriad reasons to visit your spiritual home during the year. Make yourself a resolution to attend one program more than you did this last year, just one. When you come, you'll get a smile. After all, you're family.

Susan joins me in wishing you and your family a joyous holiday season. I look forward to serving you and sharing with you the road through the great "MA'AGAL CHOZER." It's a spectacular journey.

Cantor Benson

From the Administrator. . .

High Holiday tickets will be mailed by August 31st (first class) to all members in good standing *who have requested tickets*. As per our constitution, a member in good standing is entitled to receive High Holiday tickets provided all obligations billed prior to the High Holidays (including 1st quarter 1996-97) have been paid in full.

If you are going out of town for Rosh Hashanah and/or Yom Kippur, please remember that as a member in good standing at a UAHC affiliated congregation, you may get a **letter of reciprocity** which will entitle you to attend services at another UAHC congregation. Letters of reciprocity are also issued to our Temple's young people, under 22. Please call the office if you need a letter.

If you have not yet requested a **Privilege Card** for an unaffiliated person between the ages of 22-30, please do so as soon as possible.

There are many events that have been planned for the coming year that involve planning and participation. Keep informed! Read your bulletins and your mailings. **CHECK BOTH SIDES OF THE FLYERS FOR POSSIBLE ANNOUNCEMENTS.** We try to use both sides to conserve space and save money.

Please remember that the bulletin deadline is the first day of the month prior to the month an announcement or article is to appear. We need your cooperation in sending information out on a timely basis.

Please call the Temple office if you have any questions. We are here to help you. L'Shana Tovah!

Women of Reform Judaism/Sisterhood of Temple B'nai Or

Shana Tova! Happy New Year! Miriam and I would like to extend our best wishes for a happy holiday.

Have you seen the newly stocked Judaic shop? Sisterhood has been fortunate to obtain the expertise of Betsy Freeman to revamp our gift shop. Over the next few months we will be getting in many wonderful new items. Please come and see!

Over the past year many people have come to Miriam and me and asked, "What does Sisterhood do?" Well, we do a lot. Some of our events include: Welcome packages for new members, Cradle Roll for Preschoolers, bake sale at Thanksgiving, paid up dinner for Sisterhood members, Me and My Kid, 2nd Night Seder, Progressive Dinner, Holiday Greetings, Gift Shop, Food Drive, Break the Fast, Cooking Classes

Have you said to yourself, "I am interested in Sisterhood, but it's the same people doing all the work and I won't fit in?" Well, we have some familiar faces and this year a bunch of new faces. Come on out for a meeting the first Tuesday of every month. It is not necessary to join the Board or a committee. If you are unable to come to a meeting, simply attend an event or send in your ideas. Last year a new member suggested folk dancing which was then coupled with Israeli food. It was a lot of fun.

By joining Sisterhood, you can be a part of making Temple a little nicer. For example, by supporting Sisterhood, some of the items we have been able to donate over the years have been: the Rabbi's Kiddish cup, new blinds and supplies for the Nursery School, kitchen serving pieces, Kiddish cups/shabbat candlesticks for the bar/bat mitzvahs, bibles to the confirmands, sponsored youth group trips, and snacks to the Hebrew School.

For all those congregants who have joined already, a great big thanks and I hope to meet all of you at our paid up dinner. If you haven't joined yet, please be a part of Sisterhood. You can make a difference!

Upcoming events:

Board Meeting on Wednesday, September 11, at 7:30 PM; Cradle roll on September 21, at 9:30 AM; Break-the-Fast, following services on September 23; Food drive on September 23; Paid up Dinner on October 22, at 6:30 PM.

TEMPLE B'NAI OR RELIGIOUS SCHOOL

CHILDREN OF TORAH AND LIGHT

September always brings new hopes. Parents are busily assisting their children as they prepare to return to school. Children are anxiously waiting to meet and greet their new teachers and classmates. The atmosphere is filled with promises of excitement and hopeful successes.

Rosh Hashanah also heightens our awareness of change. A new year brings new possibilities.

We have spent our summer "vacation" preparing for the upcoming school year. We are pleased to announce that Sheri Gropper will be on board as our Family Education Coordinator. The year will begin dramatically as families participate in our High Holiday events, creating their very own Shofar with the help of their families. This is just the beginning of what will prove to be a year filled with vibrant family oriented hands-on special activities.

We want Temple B'nai Or to become a center for Jewish learning not limited to our students nor formal education, but also inclusive of all members of the family within a wide variety of educational settings and approaches.

Please plan to be part of our school. We need parents to be partners with their children to insure quality learning experiences that will lead to a positive Jewish life.

We are all integral parts in the continuity and growth of Jewish education. With your input, we will have a very good year.

On behalf of all our teachers and myself, we wish our Temple families a Shana Tova, a happy and healthy New Year!

David Fskovitz

Temple B'nai Or Holiday Food Drive

During Rosh Hashanah and Yom Kippur, we will be holding our **Fifth Annual Food Drive**.

Each year we have an overwhelming response, with congregants donating more than **1,000 pounds** of food to needy agencies, including the Morristown Food Closet, the Morristown Neighborhood House, Oheb Shalom Kosher Food Pantry and the Community Food Bank of New Jersey.

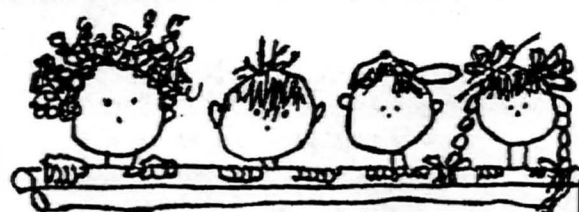

All non-perishable food and paper goods are welcome. However, if you would like your donation to go to the Oheb Shalom Kosher Food Pantry, only food with the (K), (U) or (P) labeling, or non-food items such as diapers, toilet paper, etc. will be accepted. Please label your grocery bag with a large K.

Following past procedures, you will receive a grocery bag after Rosh Hashanah services. We ask that you return it filled with non-perishable food and paper goods prior to Monday AM Yom Kippur services.

Please call Judith Bliss if you have any questions or if you would like to help us as grocery bags are dropped off.

Study Session Followed by S'lichot Service

On **Saturday September 7th at 7:00 PM**, Rabbi Rossoff will lead a study session on the meaning of S'lichot and the themes of the High Holy Days. In addition, Cantor Benson will share some of the music of the High Holy Days with us. Following the study session, we will share some refreshments, and enjoy a Havdalah service before we begin our S'lichot worship. Please plan to begin our High Holy Day season with us.

NURSERY SCHOOL

As we approach the new school year, we at Temple B'nai Or Nursery School encourage parents to consider what Jewish education will mean to your children. What do you want your children to learn? How do you want them to consider their Jewish roots? What values are important to you and your family—from a Jewish perspective? What expectations do you have for your children as Jewish youth in a secular society, as teenagers in a multicultural environment, as young adults in a world that is so diverse in values, culture ideals and goals?

What Jewish role model are you presenting to your children? Is this the ideal that you would want them to emulate? If not, what are you doing about it? Now is the time, no matter what the age of your children, to consider these thoughts and to prioritize your efforts. Now is the time to get more involved in Temple activities, in your own Jewish growth and in the Jewish education of your children and all Jewish children.

A good place to begin is at Temple B'nai Or Nursery School. We are delighted to welcome Temple members' toddlers, and two, three, and four year olds to join our classes and to play, work and explore in a happy and nurturing Jewish environment. We encourage parents to join in our activities and to participate on many levels. We welcome Temple members to visit our classrooms and to share their time and expertise with us—you may read a story, be a "Grandparent-in-residence," show us how your job "works," or invite us to your workplace. Of course, we always welcome your donations of extra materials both from business (like fabric, paper, odds and ends) and from your toy room as you update and discard gently used items.

If you need more information about our program or wish more information about presenting Jewish information and values to young children, we'd be happy to direct you to appropriate resources. You only need to ask.

Best wishes for a goal oriented and fulfilling New Year.

Meet Your Neighbor Under a Sukkah

You may recall that Temple B'nai Or was a recipient of a grant for creative educational programming. We purchased prefabricated sukkahs, plus lulav and etrog. We are once again offering two opportunities for families to fulfill the mitzvah of visiting a sukkah.

1. To sign up as **hosts** who will have a sukkah *erected at their* home that will be open to fellow congregants *at a time they specify*.
2. To sign up as **guests** who will *visit a sukkah*.

You are invited to sign up now to be part of this tradition.

Support Temple as You Buy Your Groceries Use SCRIP

Just a reminder! When you use SCRIP you are supporting Temple's many programs and services. For each \$1 of food purchased with SCRIP, the Temple is given \$.05. If a family spent \$400 per month on food, wine, paper goods, etc., and purchased it with SCRIP, \$20 would be given to Temple B'nai Or. Spending at that level each month, over the course of one year, the Temple would realize \$240 per family. With substantial participation from our members, the Temple could raise over \$40,000 annually. No one would have to spend additional money to support the Temple. It's that simple!

SCRIP is available from Kings, Foodtown, or Shoprite. Think ahead about your Passover shopping needs, and use SCRIP.

Call Barbara Bernstein (292-0749), Barry Efros (895-4275) or Shari Stack (285-5118) for information. Additionally, the Temple office has a limited amount of SCRIP available.
