### Navigating the New Year

Last year in a bulletin essay, I said that kayaking was like prayer moving through water. I had been boating on a spiritually quiet NE lake. This year I think kayaking is more like life moving through life. This new assessment is probably influenced by my last excursion out of Boothbay Harbor. As I started out, the water was smooth, I saw ospreys feeding their young. Halfway through my itinerary, I stopped at friendly deserted island with a soft beach to stretch.

Appearances proved to be deceiving. Climbing out of the kayak, I immediately sunk knee-deep in this sticky black sedimentary muck that sucked the shoes right off my feet. To retrieve them, I had to dig with my hands, which I then had to wipe on my clothes.

You get the picture.

So then I tried to clean up some in the ocean. This was only partly successful and I failed to notice several strands of seaweed still clinging afterward.

Heading back, I had to paddle against the tide and a strong headwind. It was a long way and the harbor had grown choppy. Suddenly, from out of nowhere, a yacht pulled up close beside me. A woman yelled down at me, "I just want you to know, your form is excellent." Then she saw me covered with mud and seaweed up close, and she added, "I mean, your paddling form, you know, is really good." Then she shut the cab door and the yacht disappeared. Though the whole thing was just a little odd, I still felt energized and sang the rest of the way back to port.

Sometimes our year is kind of like that kayaking trip. We set out knowing that there are challenges but we are

not really worried. Then things happen and suddenly we're knee deep in muck and getting out requires going in deeper and getting really messy. The year that started with such promise becomes nothing more than a long hard haul.

We've all been there, and many of us are very much there now.

Then the High Holy Days appear like a calm harbor. These days are, to paraphrase Abraham Heschel, an island in time. Hopefully, in their quiet calm, we will find the healing, the energy, the strength, the inspiration, and the courage to engage our lives once again on the other side.

One thing, however, that is absolutely necessary for the success of the holidays is the very thing that is most often forgotten. It is not something really under the rabbi's or cantor's or board president's control. That is for each of us to turn to the people in our families and in our lives, the board and volunteers here at the temple, people we meet as we enter the sanctuary, and even the stranger passing by in a tallit, a pair of slacks, or a kayak, and say:

Good Job

You look good.

You are doing great.

Thank you for being an inspiration to me.

This is how it starts. I turn to everyone here at the temple, our board, and committees and volunteers, all our wonderful congregants and friends and especially my family, and say,

Thank you, everyone. Good Job. You're LookinGood, You are an inspiration to me.

### Happy New Year

Now your turn.

## President's Message

The other side of the rainbow...

In July's bulletin I wrote about the visioning rainbow, which stretched across the wall at Temple Emanuel's annual meeting last June. I mentioned some of the treasured experiences and cherished times at TEMV that members shared about on post-it notes, which filled the left side of the rainbow. I promised to later explore with you, the other side of the rainbow, which is covered in notes of visions for TEMV's future.

Some of the notes express desires of more opportunities for adults and children to connect in Jewish rituals together, "more Saturday services", "outside services" and "earlier services--with pot-lucks or pizza--so that families could attend."

Folks at TEMV would like to expand on what we already do well, "more choir singing at services", "more open mic nights", and "more Jewish and Israeli films". We want multi-generational learning and fun as well as venues that meet the special needs of affinity groups. There was desire for "trivia nights" "day trips for adults", "singles events", "Jewish crafting". Value was placed greatly on our religious school, curricula, structure, and supportive adults, as well as an opportunity for our children to socialize and play together—a TEMV "playground" was mentioned.

Through the arts, music, study, entertainment and fun, we want to honor the past and envision new ways to grow our faith community. We want to compliment our rabbi's services with a permanent cantor, the feel of community at well-attended services, and greater financial resources.

I am very pleased to be president of TEMV's Board of Trustees. As the Board we are committing to working together in a covenantal relationship of respect and best intentions as a group and for TEMV. With you, we can build on the strengths of this congregation. We can creatively forge a strategic plan to ensure a vital and successful future for Temple Emanuel as our faith community, and as beacon of Jewish light in the Merrimack Valley.

I am looking forward to seeing you soon, and especially at our beautiful and inspiring High Holy Days services. Please invite your family and friends to join us!

L'Shanah Tova

*Lisa*

Temple Emanuel will have its *Tashlich* service following *Rosh Hashanah* morning services and *Kiddush*. We will be meeting at approximately 1:15PM with the service to begin at 1:30PM. Don't forget to bring some bread/challah.

The location is:

A few TEMV members will be standing there when vehicles arrive to direct them to the proper parking places. Please do not park directly in front of the building. To thank them for their generosity, you may want to consider grabbing a cone or sundae after the service.

### OUR WESTERN WALL

Once again, this *Yom Kippur* afternoon, we will make available the OUR WESTERN WALL box for your private prayers. You will find it in the back of the sanctuary after the morning service and during silent mediation (2:30pm until approximately 4pm). Elsewhere in the Bulletin is information on including names in the *Yizkor* Book of Remembrance.

### YOM KIPPUR BREAK-THE-FAST POT-LUCK DINNER

This year we are doing things slightly differently for the break-fast. Because *Yom Kippur* is so early and services do not end until later in the evening, we invite people who would like to join us for the break-fast to bring cold dishes or items that can be served without needing to be reheated. Here are some suggestions: tuna salad, smoked fish, chips and salsa, vegetable trays, cut up fruit, egg salad, dips, hummus, cheese and crackers, salads, cobblers, pies, brownies, etc.

Please contact Annette Wilensky or Ivy Helman to let us know if you will be attending or if you have any questions. email [ivyhelman@gmail.com](mailto:ivyhelman@gmail.com) or [annetwilensky@yahoo.com](mailto:annetwilensky@yahoo.com).

## SUNRISE ON PLUM ISLAND

It is a tradition at Temple Emanuel for us to celebrate the 2nd day of *Rosh Hashanah* on Plum Island. Sunrise on September 6<sup>th</sup> is at 6:15AM.

We have a growing number of Temple Emanuel members who get up in the middle of the night and drive to Plum Island to celebrate the 2nd day of *Rosh Hashanah* by welcoming the sun's rise with *shofar*, drum, and other noise makers. This is followed by a pot luck breakfast and a short service. Please bring a special poem or reading to share.

There will also be time for walks on the beach, collecting sea shells, wading in the surf, swimming for the very hardy, and most important of all, spending the morning with friends.

All of this is dependent on the weather, so PLEASE let me know if you are thinking of joining us and I'll contact you if the weather causes us to cancel. I can be reached at 978-256-2256 (H), 978-551-8594 (C), or at [lggm@comcast.net](mailto:lggm@comcast.net).

The drive from Temple is about an hour, so we'll be leaving the Temple parking lot at 5:00AM to make sure we have time to make the drive and walk to the beach.

In the past we have tried to caravan, but in the dark of 5:00AM it is too hard to keep track of the cars behind you. Therefore, please bring your GPS (set to Parker River Wildlife Refuge or Plum Island) or bring these directions.

We hope you will join us for this beautiful, fun, inspiring service. Getting up is hard but it IS worth the effort! To see the sun rise over the ocean in a clear blue sky (maybe with a few fluffy white clouds) is AWE-SOME and AWE-INSPIRING!!

**DIRECTIONS:** I-495 North toward Haverhill/Salisbury. Take Exit 55 to Rt. 110 towards I-85 South (Salisbury/Boston). At the end of the ramp merge onto Rt. 110 East then turn right onto Fridge Rd./US-1. You will go over the bridge, take the first left onto Merrimack St. Merrimack St. will bring you into Newburyport. Take a slight left onto Water St. which becomes Plum Island Turnpike when you cross the bridge over to the island. Take the first right after the bridge onto Sunset Dr. and drive into the refuge. The first parking lot (#1) is on the left and the boardwalk is in the back right corner. There are bathroom facilities adjacent to the parking lot.

## Religious School Corner

Hellos and Goodbyes

This year we welcome a beloved member of our community into the principal position of our small and dynamic religious school. Jane Maine is excited to share her love of education, social justice, and citizenship with us. Jane loves being part of our vibrant TEMV community and would love to create an environment that supports staff and students in their roles as teachers, mentors, learners and responsible citizens.

On behalf of all of the students, teachers, and parents of TEMV's religious school, we would like to wholeheartedly thank Rabbi Rose for her dedicated work as our principal over many years. It was truly a gift to the school to have our rabbi so present for them, sharing her love of singing and the ancient stories within the Torah scrolls. She even taught our children how to blow the shofar! Fortunately, Rabbi Rose will visit us on Sunday mornings when she can and we look forward to that.

We are excited to start a new school year on September 22nd and we welcome returning students and teachers, as well as a few new faces. It will be a year filled with learning, bat mitzvahs, and lots of folk dancing! Please join us on Sundays to see what is happening in our school, or share a special talent or project with the kids. We also welcome new members to join our education committee. Please see Jane Maine or Susan Corneliussen if interested in volunteering!

## A Letter from the New Principal

As we enter the New Year with its new beginnings, we also begin a new school year at TEMV. And it is with great honor and enthusiasm that I join the Religious School staff as Principal.

I am pleased that this will be a wonderfully smooth transition as Rabbi Rose and I work together to ensure that opening day, September 22<sup>nd</sup>, will be a fabulous experience for students, staff and parents. Thanks to the Rabbi's strong leadership over the past 3 years, we have a solid foundation, experienced staff and wonderful resources, all of which will propel us into a fun, productive and exciting new year.

It has been a pleasure getting to know the Education Committee and I thank them for their ideas, support and patience as I take the helm of one of TEMV's treasures. I look forward to getting to know and support the staff, students and parents.

## Donations

Into every life come times of both gladness and sadness, such as the birth of a child, the death of a loved one, coming of age, recovery from illness, or a wedding. This is a cycle that constantly renews. The pages of the book of life are full of these pivotal moments.

At times you may wish to especially commemorate one of these events. One way to do so is to give near to home, to the Temple you hold dear, which shelters your family and the community. *If you'd like to give, and at your option, to share your life event, please send your donation to the Temple, in care of our Treasurer.* Please tell us the event and anyone who should be made aware of the donation. With your blessing, we will be happy to include the donation in the bulletin.

If you wish, the donation can be directed to a specific use.
