Dear Misses Leiser:

Thank you so much for sharing all your resources on "Holocaust" with me. We are truly most appreciative. Be assured I will get in touch with you as soon as the material is either translated or summarized for this project.

I am enclosing a recent copy of "Present Tense" which is published by the American Jewish Committee. We had discussed the magazine during my first visit with you. Please excuse the delay, as you know, my days have been quite hectic lately.

The banana bread was not only a very kind gesture, but tasted absolutely delicious. I have enjoyed meeting both of you and look forward to another visit.

Very truly yours,

Dear Sirs:

The Interreligious Affairs Department of the American Jewish Committee is publishing a report on the world-wide impact of the television serial "Holocaust". We have very little information on the reaction in Argentina. In fact, all we do know is that an Argentinian network did purchase the airing rights. We do not know when it was televised or if indeed it was aired the size of the audience or its reactions.

We would be most appreciative if you could mail us any newspaper clippings which would round out our report on Argentina as well as any other press you may have on reactions to "Holocaust" in other Latin American nations.

Thank you in advance for your attention.

The project is a study of world-wide reaction to the television film "Holocaust" which has been seen in Finland as well as 30+ other countries.

Our problem is a scarcity of material in the American newspapers on the reaction to the series in Finland. We would like to know air dates, estimated viewing audience statistics, the reaction in the press, and particularly the reaction of the younger generation.

Any material you might provide us with would be greatly appreciated. We are hoping to publish this project very soon and hope that you are able to give this request your immediate attention.

Thank you very much.

Tracy Setel, our mutual friend, informed me of a workshop you conducted with children in the Netherlands regarding the film version of Gerda Green's book "Holocaust". I would be very interested in how this workshop was structured, the age range and general backgrounds of the participants as well as the actual reaction.

I should, perhaps, explain my interest in all this. I am writing a study of world-wide reaction on "Holocaust" for the American Jewish Committee. Our intention has been to publish prior to the second American telecast of the series which will be in mid-September.

Therefore, any information you could provide us with would be greatly appreciated by myself as well as Rabbi Marc Tanenbaum who served as consultant to the series and is supervising this project.

I know you are not a foundation so please feel free to include the tab for any xeroxing that needs to be done.

Dear Ms. Klein:

Further to your request, I am attaching copies of three Canadian newspaper articles which comment on reactions to the Holocaust series. Because of your time constraints, I am also enclosing the names and addresses of Jewish organizations in Canada, which may have more detailed audience records. A check of our Gallup poll records do not indicate that any specific survey about reaction to the series took place.

Yours sincerely,

Hershell E. Ezrin  
Consul

NBC "Holocaust"

Tuesday, October 17th I received a 50+ page packet from the television network in Finland. Until now, Joel and I were unable to obtain any information on reaction there; presently, we have no copy on Finland.

Because the material is in Finnish it will be necessary to either have the material translated or to go over it with a fluent bi-lingual as I did with the material on Denmark. Because expedience is a factor the latter of the two is more reasonable.

I have been able to arrange appointment with two competent persons. On Tuesday, the 23rd I will meet with Anita Valkama, editor of the Finnish newspaper in New York. I was able to arrange this during my lunch hour so there will be no conflict of responsibilities. The other appointment is with the Consul General from Finland in New York, Mr. Korpivaara. It is scheduled for 10:00 AM on Monday the 22nd at the consul offices. Therefore, I request permission to keep this appointment.

I am perfectly willing to arrive here early on Monday to compensate for any time lost regarding my obligations to Judy's work.

Thank you.
