Dear Marc:

You deeply moved everyone at the Valley Inter-Faith luncheon yesterday.

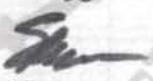

I am thrilled that our colleagues and the religious leaders of the community responded so significantly to "The Man and His Message".

If your visit here at the lecture series is more than just coming and going, Ginger and I would like to spend some time with you alone, if possible.

Again, many thanks.

Shalom,

שָׁלוֹם

Dear Marc:

I am enclosing a copy of the chairman's agenda which I prepared for Don Newman. As you will see, I have scheduled you to close the session with a ten-minute statement. After giving the matter some thought, I believe the most effective way to end the session would be for you to do a closing statement and sum up the session. If for any reason you are reluctant to do this, please let me know and I will try to make another arrangement.

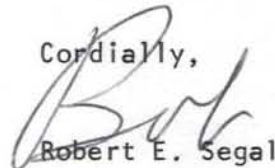

As you requested, I am sending you copies of the material on the Holocaust programming from El Paso, Texas; Tulsa, Oklahoma; and Springfield, Illinois.

Please note in my memo announcing the briefing session, I gave instructions on how to mail material to the General Assembly for distribution at this session. I would encourage you to send some of the excellent material that the American Jewish Committee has prepared. As I told you, the NJCRAC will be sending a page from its Program Plan and the ADL will also be sending some material.

I look forward to seeing you at the briefing session on Thursday, at 1:00 PM. Should you want to reach me for any reason at the G.A., please leave a message at the CJF office at the Fairmont Hotel.

I very much look forward to working with you on this session.
Best regards...

Cordially,

Robert E. Segal

P.S. If you should have an outline or text of your remarks available before the session, please see that I get one.
