Dear Mr. Tanenbaum:

Our Jewish Community Center has recently embarked on an exciting joint venture with our local P.B.S. station. We are developing a monthly hour-long talk program somewhat along the lines of the "Phil Donahue Show". Of course, we are interested in projecting Jewish themes, as well as general themes, into the show's content. We feel that this type of media exposure enhances the Center and Jewish community's image to the general public. The program is taped before a live audience who also question the guest.

In conjunction with this, we ask that you be available for such an appearance, probably on the afternoon of your visit to El Paso. Please contact us at your earliest convenience to make the appropriate arrangements.

Yours truly,

Rabbi Marc Tanenbaum  
American Jewish Committee

Dear Rabbi <sup>Marc</sup> Tanenbaum:

We write out of our concern for Black-Jewish relations. The old alignment, which in the past seemed so proper and natural and proved so fruitful, seems now to be threatened. Now is the time, we are convinced, to talk things through. As Isaiah put it, "Come, let us reason together."

We are therefore inviting a number of clergymen to join us for an informal, unpublicized brainstorming session at luncheon at the Stephen Wise Free Synagogue, 30 West 68th Street, Wednesday, October 31, at 12:30 P.M., that at least in our community we can begin a dialogue which, hopefully, will have some spin-offs and redound to the advantage of the Judeo-Christian ideals we cherish.

Please call Mrs. Held at 877-4050 to let her know that we may expect you on the 31st.

Faithfully yours,

  
CARL McCALL  
State Senator
