Dear _____:

I am certain that you will be as delighted as I am that Rabbi Schindler has been elected Chairman of the Conference of Presidents of Major American Jewish Organizations. His election -- the first representative of Reform Judaism to have achieved it -- brings honor not only to him, but to our religious community too. Our co-religionists in Israel are especially delighted, for his selection, and recognition by the Israeli government, in a sense gives legitimacy to our movement there.

His newer duties will demand many extraordinary expenditures -- there will be the need for many special trips -- to Washington, to Jerusalem -- and also for the convening of emergency meetings, special advertising and the like.

Accordingly, I have determined to start a President's Discretionary Fund - with a \$1,000 contribution of my own - to provide him with the needed funds which will enable him to do an effective job. Thus, I am writing in the hope that you will be willing to make your own contribution to this fund.

I would be grateful were you to do so. Certainly the work of the Presidents' Conference merits your help as it fulfills the role of representing American Jewry's concern for Israel in the highest councils of our nation.

Sincerely,

P.S. A self-addressed envelope is enclosed for your convenience. Please make your check payable to the UAHC - Special Discretionary Fund.

Paragraph 3 change for rabbis: ...Thus, I am writing in the hope that you know of someone in your congregation you could approach or perhaps you have a discretionary fund which will enable you to make your own contribution to this effort.

Dear Alex:

Monday marks the first anniversary of Dad's death and I can't help but remember his love for, and leadership role in, our UAHC family, to say nothing of his concern for the Jewish people in Israel and throughout the world.

I couple this, my dear Alex, with the vivid memories of the solace and hope that you gave to me and all who loved Lou in your poetic tribute at his funeral.

I put these together and cannot help to think of how proud he would be of your present role in the total Jewish community, and, therefore, in his memory, I enclose a modest check for your discretionary fund.

With grateful thanks and much love, in which Sally joins.

Dear Alex:

I received the enclosed letter from Earl Morse and will be sending a contribution, but I think this is a terrible mistake and is one of the reasons why the UAHC does not have success at fund-raising.

If this is important, and I agree it is, then we should take care of things like this through budgetary channels and not go to people with odds and ends.

If Earl Morse were giving properly to the R.J.A., then he would not have \$1,000 to give to this kind of plea.

I hope you appreciate the spirit in which I am making this criticism.

Best regards,

Dear Bob:

I am certain that you will be as delighted as I am that Rabbi Schindler has been elected Chairman of the Conference of Presidents of Major American Jewish Organizations. His election -- the first representative of Reform Judaism to have achieved it -- brings honor not only to him, but to our religious community too. Our co-religionists in Israel are especially delighted, for his selection, and recognition by the Israeli government, in a sense gives legitimacy to our movement there.

His newer duties will demand many extraordinary expenditures -- there will be the need for many special trips -- to Washington, to Jerusalem -- and also for the convening of emergency meetings, special advertising and the like.

Accordingly, I have determined to start a President's Discretionary Fund -- with a \$1,000. contribution of my own -- to provide him with the needed funds which will enable him to do an effective job. Thus, I am writing in the hope that you will be willing to make your own contribution to this fund.

I would be grateful were you to do so. Certainly the work of the Presidents' Conference merits your help as it fulfills the role of representing American Jewry's concern for Israel in the highest councils of our nation.

With warmest regards from house to house, I am

Sincerely,

Earl Morse
Immediate Past Chairman, UAHC

Hope to see you soon.

P.S. A self-addressed envelope is enclosed for your convenience. Please make your check payable to the UAHC - Special Discretionary Fund.

Dear Earl:

It was good to hear from you.

You are doing a fine thing in connection with Alex. Please accept this very modest contribution, but I have to husband my Discretionary Fund. At least I have the satisfaction of being able to contribute something.

I am sharing your letter with the Perlman's.

I had a long talk with Phil Klutznik on the way back from a very brief trip to New York City (one day), where I spoke at the JIR. Ultimately the whole "representative" process for American Jewry will have to be transformed. We really need a new American Jewish Conference.

Cordially yours,

Dear Edie:

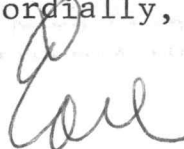

In response to Alex's letter to me of the 23rd, enclosing a proposed draft of letter, I am enclosing the following:

1. Check for \$1000 for the Special Fund.
2. An example of my personal stationery and envelope.

From our prior conversation, I am under the impression that at least 100 to 150 letters will be going out. I do not have enough personal stationery to handle this. In order to give the letter the kind of dignity it should have, either you can reproduce my stationery or else, with Matt's consent, we will use the Office of the Chairman stationery, with my signature as immediate past Chairman.

As soon as Alex has decided on the list, please send it to me and I will note which ones should carry a first name in the salutation. I would also like to add a personal note by hand when the letters are typed. Because of my trip to Los Angeles for the HUC board meeting, I will be available to sign the letters either on Friday February 13 or Friday February 27 at the UAHC office.

Cordially,

MEMORANDUM

To Joshua M. Dwork From Rabbi Alexander M. Schindler Date 2/3/76

CC: _____

Earl Morse is making a contribution of \$1,000. for a Special President's Discretionary Fund for some of my Presidents' Conference activities. He is also sending out a letter to a selected list of Board members and rabbis in an effort to secure additional gifts for this fund.

I would like you to have a special fund set up and I would ask that I be a signator.

A handwritten signature in dark ink, appearing to be 'A. Schindler', written in a cursive style.

February 12, 1976

Dear Earl:

Your gracious gift which will initiate my special discretionary fund has just reached me and I hasten to express my deepfelt gratitude. I hope you know just how much appreciate all that you do; you show your devotion and friendship in so many ways it is hard to keep track of all your generousities.

We're seeking to have your letterhead replicated and the letter in behalf of the special fund will be prepared during the next week or two and will be ready for your signature on your return from California.

I do hope you're feeling better and that you and Irene will have a delightful visit to Los Angeles.

With fondest regards, I am

Sincerely,

Alexander M. Schindler

EARL MORSE

February 27, 1976

I am certain that you will be as delighted as I am that Rabbi Schindler has been elected Chairman of the Conference of Presidents of Major American Jewish Organizations. His election -- the first representative of Reform Judaism to have achieved it -- brings honor not only to him, but to our religious community too. Our co-religionists in Israel are especially delighted, for his selection, and recognition by the Israeli government, in a sense gives legitimacy to our movement there.

His newer duties will demand many extraordinary expenditures -- there will be the need for many special trips -- to Washington, to Jerusalem -- and also for the convening of emergency meetings, special advertising and the like.

Accordingly, I have determined to start a President's Discretionary Fund -- with a \$1,000. contribution of my own -- to provide him with the needed funds which will enable him to do an effective job. Thus, I am writing in the hope that you know of someone in your congregation you could approach or perhaps you have a discretionary fund which will enable you to make your own contribution to this effort.

I would be grateful were you to do so. Certainly the work of the Presidents' Conference merits your help as it fulfills the role of representing American Jewry's concern for Israel in the highest councils of our nation.

Warmest regards.

Sincerely,

Earl Morse
Immediate Past Chairman, UAHC

P.S. A self-addressed envelope is enclosed for your convenience. Please make your check payable to the UAHC - Special Discretionary Fund.
