Rabbi Herbert S. Friedman Temple Emanuel 1595 Pearl St. Denver, Colorado

Dear Rabbi Friedman:

I want to thank you in behalf of the hespital and the patients for your fine service at the Chanukah celebration for our patients on December 8th. It meant a great deal to the patients and was also an enjoyable event for them.

With best regards, I am,

Sincerely yours,

Ruth Harnbein

Program: "DISPLACED PERSONS IN EUROPE"

Speaker: RABBI HERBERT FRIEDMAN, Temple Emanuel

Chairman: Noble Gabbert

The problem of the Displaced Persons in Europe is one of the major problems of the world today. The United Nations Conference is at the moment in the process of working out a solution to this problem. It is evident that the solution is so important to the peace of the world, that the representatives of all nations are at odds as to the best methods to employ.

As an aftermath of the recent war, territory that once belonged to one nation finds itself under the sovereignty of another nation. This finds a people of one nationality suddenly faced with the necessity of moving to a new home, in order to be united with their common brother-hood. You can easily picture the problems involved in a mass shift of population in a part of the world where destruction and unstable economy is an existing fact. This mass movement of peoples is taking place among all the nations of central Europe, in addition to the efforts of the Jewish nation to emigrate to Palestine.

Rabbi Friedman returned in September, after having been in Europe for two years. Not only from the standpoint of ability, but also from point of time spent in working with the people affected by this problem, has Rabbi Friedman the most complete background for an able presentation of this subject. He had many very important assignments in Europe, and many interesting experiences. He is a very fine speaker. Don't miss it.

BOARD OF DIRECTORS - TUESDAY NOON - DECEMBER 2nd - DENVER DRY GOODS TEA ROOM

Those who were unable to attend last week's Stag Fellowship Party at the Stock Yards Grill, really missed a swell evening. It was indeed a success from every standpoint, and it was gratifying to see the Civitans and their guests mingling freely among one another and enjoying the fellowship. One of the high-lights was that delicious steak which was served. The secretary is still on the look-out for the low-down individual who ate his steak while he was away from the table making collections. No reward is offered, but any clues which might be incriminating will be appreciated. It was necessary for the Club to reimburse the Grill for three knives, two forks, and a bottle of catsup which Dick Haberl consumed in addition to his meal. It is thought that the refreshments which the Tucker-Harvey-Jackson combine served Dick, acted as a solvent to this Cutlery Cuisine, thereby preventing a bad case of indigestion. Several individuals looked the worst for the wear for several days after. In fact Chizzie Works and Ernie Claussen were unable to make the next regular meeting which was five days after. The I. W. Maxwell House concections of Park Harvey were just too much for them. Will they never learn?

FOUNDER'S DAY

This is always an important date in the history of the Civitan Club of Denver, and it is especially important this year since it will be our Silver Anniversary. On the evening of Wednesday, December 17, we will celebrate this, our 25th year, with a Dinner and Special Program honoring our founders and past-Presidents, at the Lakewood Country Club. Plans are under way which will make this one of the greatest events in our local Civitan history. It is a very important evening, and one each and every Civitan and his lady must attend. The cost will be \$5.00 per couple, so make your plans accordingly and set aside that date, December 17.

CIVIBITS

Thanks to Byron Wilson for a splendid program last week. It was a well presented outline of our Cub Scout work at Columbine School.

Also, a vote of thanks to Les Weelans for the tasty dish he contributed. She really sang too. There will not be a regular meeting on Wed. December 31st. This will enable you to get an early start on your New Years Eve. ---Lyle M. Bailey, secretary

Rabbi Herbert Friedman, Temple Emmanuel, Denver, Colo

Dear Rabbi Friedman:

Welcome back to Denver! I got back a little over a year ago, after sometime out in the Pacific, with the American Red Cross.

I believe Sam has briefed you on what we have in mind on Sunday Aug. 3rd. On the basis of his clearance, we have gone ahead to schedule you for the inter-faith trio.

You may wish to be with us for some of the other sessions up there. If so, I am sure you would have a valuable contribution to make.

We are anxious that this program get into the hands of people who have an interest in the trend of world events. Could you use copies for distribution on your own?

I expect you are glad to be back and into the grind again. I will be looking forward to talking over many things with you. In the meantime, we are glad you will be with us at the Institute.

Yours sincerely,

ALL ABOUT LAST THURSDAY

So Jack R. Gardner was born in Polo, Illinois! Why, WE know Polo; knew it way back when we made life miserable for the faculty at the University of Illinois, and rattled around the State weekends in an ancient Studebaker.

What with our knowing Mitchellville, Iowa, where Forrest Blyler first saw the light of day, and Polo, Illinois, where Jack Gardner first bowed to the public, we feel purty darned well traveled.

Sixty-eight itinerant Rotarians broke bread with us today. (Only it was ham and raisin sauce and sweet potatoes.) A good Miami Rotarian received the prize for coming the greatest distance. (Now look here, Ray Jenkins, you gotta stop saying "furthest distance." Grammarians say that isn't correct; that "greatest" is much to be preferred.)

Wilson McCarthy got off a good one while introducing new Rotarian Jim Blair. Says Wilson - "20,000 refrigerator cars are moving the crops out of our territory now. I'm delighted to see United Air Lines making their headquarters here. But I question whether United can transport 20,000 carloads of produce in the next two weeks."

(Note to Ray Dunlap -- If you want to come back at the Judge in the next issue of the Keyway, our columns are always open to a good controversy.)

Harry Huffmen delivered himself of quite an oration on new Rotarian Dr. Ted Wagner. The Doc's a member of almost as many organizations as Nicholas Murray Butler in his palmy days. If we know the Doc, however, he was blushing by the time Harry got through.

Ray Jenkins bestowed a new and graceful nickname on our worthy scribe. From today on it's "Hotshot John." And did John perform? He did, he did. His commentary of Thursday rivaled that of September 4th,

(Continued on next page)

ALL ABOUT LAST THURSDAY - Continued when he laid 'em in the aisles.

Pontificated John: "Ken Oberholtzer made the Post Gallery of Fame last week. Ken is Bubble Gum Champ of the North Side." With hardly a pause, Hotshot moved on to Bud Knight, "well-BREAD chairman of the budget committee of the Community Chest." And then, as a final shot, referred to the 'Nieuw Amsterdam' as "the luxurious stern wheeler from the Great Lakes that will take Rotarians to Rio next year."

Y'know, John, if you don't let up on these puns, we're going to get hold of Jack Barrows and have him give you a real going over at the next Stag Night. For that matter, Earl Bailey may have a word to say about referring to the pride of the Holland-American line in such a vein.

But the tone of the meeting changed to dead seriousness when Guest Speaker Rabbi Friedman of Temple Emanuel laid before us the unsavory but inescapable facts of Europe's displaced persons. 850,000 D. P.'s still languish in camps--600,000 Catholics, 250,000 Jews. They await remedial action by countries like the United States, Brazil, Argentina, and Australia. Someone has to lead, says Rabbi Friedman, and pleads that we be the leaders, we who are traditionally generous to the oppressed.

ROTARIANS IN COMMUNITY SERVICE

The assistance of some seventy Rotarians is needed to make up Denver Rotary's battalion in the coming Community Chest Drive October 13 - 24. battalion will consist of ten teams under captain leadership, each team having five or six members, and will be in charge of "Butch" Bluett as major. Busy men are needed, and the work will be divided so that it will not be a hardship to anyone. Please volunteer your services at once as an important meeting of workers will be held Monday noon, September 22nd. The need is urgent. If you will serve, please telephone "Butch" Bluett, Main 0184, or the Rotary office -- don't wait for conscription. Hugh Terry as General Chairman of the campaign; Rick Ricketson, Vice-Chairman; Bud Knight, Chairman, Budget Committee; and Ralph B. Mayo on the Executive Committee, are giving full time service to this community obligation -- let's back them up enthusiastically.
