Rabbi Herbert A. Friedman
Hebrew Union College
13 King David Street
Jerusalem, Israel

Dear Rabbi Friedman:

Thank you for taking time from your busy schedule on 6 May 1976 to instruct your Debi regarding my access to your personal papers and my use of your office.

I surveyed your papers on 9 and 10 May 1976 down to the file folder level. A listing of the contents of Cabinets Nos. 1, 2, 4, and 5 by file drawer is attached. Also a layout chart. Cabinet No. 3 was not inventoried per your request. This inventory will be filed in the newly-established UJA Archives and Research Center.

We need to discuss where you will wish us to go with your papers. There are several viable alternatives. I will ask UJA HQ in NYC to let me know when you come this way so we can discuss them. Or, if I visit Israel soon I shall request an opportunity to do so there with you.

In the meantime, I would appreciate receiving a list of UJA/UJA-related people who possess valuable personal papers that should be inventoried so the lists can be added to our catalog of UJA/UJA-related records holdings the world over.

Trust you enjoyed your Southeast Asia trip, and saw the interesting sites at Bangkok, etc.

Sincerely,

Colonel S. J. Pomrenze (Ret.)
Consultant on UJA Archives
