Attention: Ezer Weizman

Dear Mr. President:

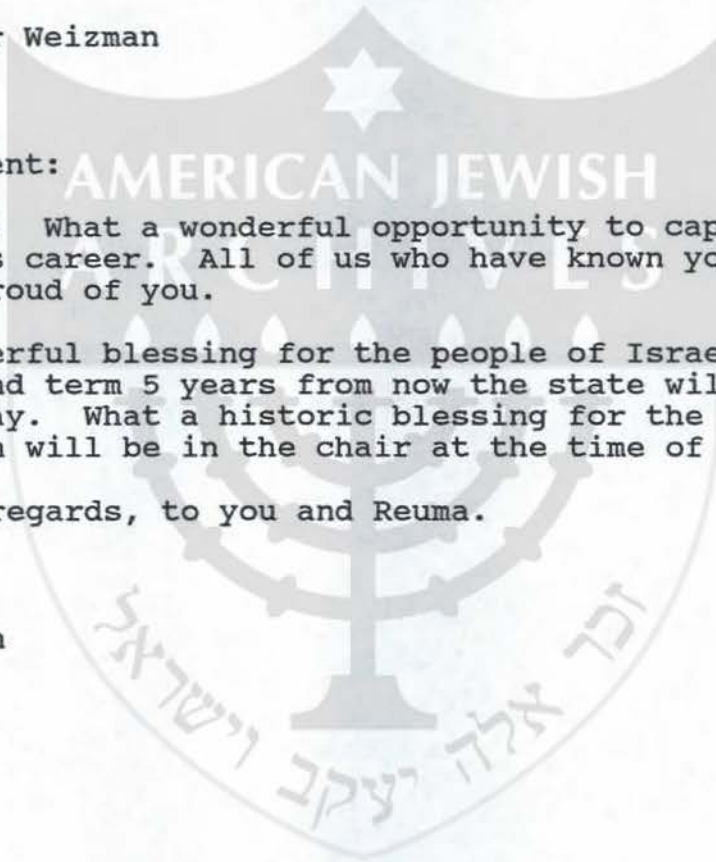

Congratulations! What a wonderful opportunity to cap your already glorious career. All of us who have known you for a long time are very proud of you.

And what a wonderful blessing for the people of Israel. As you enter your second term 5 years from now the state will achieve her 50th birthday. What a historic blessing for the nation that a second Weizman will be in the chair at the time of Yovel.

With heartfelt regards, to you and Reuma.
