May 10, 1927.

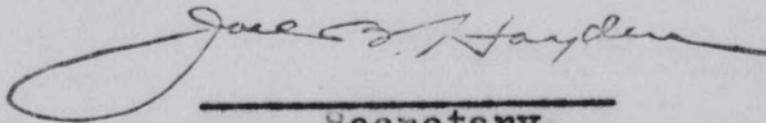

My dear Rabbi Silver,

Herein is the Alathian schedule for 1927-28.
There will be no more meetings until the third Monday of
October.

	<u>HOST</u>	<u>READER</u>
Oct.	Silver	Hayden
Nov.	Wright	Graham
Dec.	Blanchard	Goldman
Jan.	Goldman	Blanchard
Feb.	Graham	Wright
Mar.	Hayden	Silver
Apr.	Lupton	Rogers

In view of the fact that our special program
of papers would conclude with Goldman and that Silver would
not be included it might seem well to bring him up into
January so as to include his paper in the series. This of
course could be settled when we meet in October. His regular
place is as above.

Very sincerely yours,

Secretary.

Dear Silver:-

At the last meeting of the Alathians the undersigned were appointed a committee to draft a statement on World Peace to be published on the morning of Armistice Day, November 11, in the Plain Dealer.

The thought is that we shall sign this as individuals representing religious groups with no hint of the fact that together we make up the Alathian Club.

Enclosed is the statement to which we have given some careful thought avoiding so far as possible all academic and mooted questions. Will you please return one copy at once with any suggested emendations of the context?

Very sincerely yours,

Cleveland, Ohio.

My dear Reverend Myers:

I am very happy to sign the
Peace Proclamation which you and the members
of the committee drafted.

It has occurred to me that
perhaps the seventh and eighth paragraphs may
be omitted without affecting the Proclamation,
giving it at the same time greater conciseness.

Perhaps the sentence in
Paragraph 4, "The nation's only security is
to preach and practice good will", may also
be omitted or modified. The thought is not
strictly accurate.

With kindest regards, I am

The next meeting will occur on Thursday, February 16th, at the home of Dr. T. S. McWilliams, 1866 Magnolia Drive. This meeting is on Thursday because Dr. McWilliams desires the members of the society to meet his guest, Sir Herbert Ames.

April 16th - Goldman, host; Rogers, reader.

Rabbi Goldman will read on February 16th, at Dr. McWilliams' meeting.

My dear Rabbi Silver:

You have probably received by this time the postal regarding the Alathian meeting which was posted as being held on the 26th. Dr. Blanchard and Dr. Hayden, in conference this morning, feel that the meeting should not be postponed to the 26th. Consequently, we have arranged to have the meeting held on the 19th as usual.

Due to the fact that Dr. Myers can not be host on the 19th Dr. Patterson has agreed to take his place. He will entertain at the Fenway Hall, East 105th Street. Further information concerning the room may be secured at the desk. Bishop Rogers, of course, will read. The subject of his paper will be "The Lausanne Conference."

Under date of November 13th, I sent you a revised schedule of the Alathians for the year 1928-29. Since the change has been made in the schedule for this meeting may I suggest that you change your schedule listing Dr. Myers as the host for January?

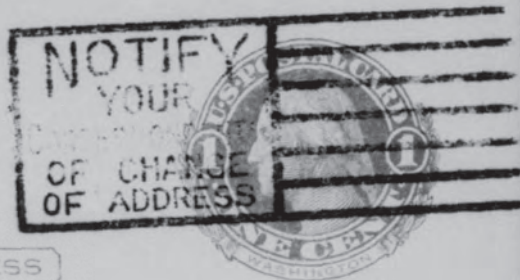

It is rather late to return the enclosed postal card but for Dr. Patterson's convenience I am sending it to you to mail and for a final check-up I am also calling all the Alathians regarding the final arrangements.

Very truly yours,

My dear Silver:-

Enclosed is the manuscript of the paper which I read before the Alathians in February. I trust that I may have your candid criticism of it.

I have not touched the Messianic question, for want of space.

Also, I have not time to trace the prophetic attitude towards Torah before Ezra's time.

The names of authors have been inserted, here and there, as reminders to me of sources and the passages mostly are my own development of thought.

It is my first attempt on this interesting subject but I feel that Christians have something to learn about Pharisaism.

Yours cordially,

Dr. Charles Haven Myers,

My dear Myers:-

Thank you very much for your kindness in letting me see your paper on "Jesus and the Pharisees." You have presented a very fair and scholarly interpretation of this difficult subject.

You might perhaps be interested in reading in my small volume "The Democratic Impulse in Jewish History" which I believe I sent you, pages 15 ff. my interpretation of Pharisaism and Sadduceeism. On the subject of the Am Ha-Aretz. I am enclosing herewith part three of an essay which I wrote some fourteen years ago on the subject of the Am Ha-Aretz in Soferic and Tannaitic Times which has been quoted with approbation in "The Beginnings of Christianity" by F. J. Foakes Jackson. My view differs in some respects from that generally held.

You know, of course, my conception of the role of Jesus. You seem to think that the outstanding feature about Jesus was the novelty and revolutionary character of his teachings which came in sharp conflict with that of the official Judaism of his day and which led to his death. This is the traditional view which I do not accept and I have indicated my reasons in the first thirteen pages of my book "Messianic Speculations in Israel."

On the relation of Jesus to the Law, you might be interested in reading the introduction to "Jesus As Others Saw Him" written by Prof. Harry Austryn Wolfson.

My dear Dr. Silver:-

I appreciate very much your criticism of my paper on "Jesus and the Pharisees." I have not yet read your article in the Hebrew Union College Monthly on the Am Ha Arez but I shall give it my early and careful attention. I wish that I might have an opportunity to talk this over with you for I feel that we are not so far apart in our estimate of Jesus. I remember quite clearly your appreciation of Jesus in your "Messianic Speculations in Israel." I hope to revise the article in a more popular form at an early date. I shall be glad to have you look over the revision.

I shall also return your copy of the Hebrew Union College Monthly within a few days.

TO THE MEMBERS OF THE ALATHIANS:

Dear fellow Criminals:

It was regrettable that no date could be found to have a farewell dinner to Messrs. Goldman and Myers which was convenient to all concerned. Hayden's Secretary, at our suggestion offered a choice of three dates to members, the regular one and April 29th and May 6th. Goldman could not connect with anyone of them. It further appeared that April 29th and May 6th were no more convenient than April 22nd. Myers was ready to come whenever we invited him. It seemed best, therefore, to stick to our assigned date, in the hope that it had been duly reserved on the calendar of the members.

As it transpired only six men including Myers were in town, and one of these was prevented from attending at the last moment. Patterson, O'Ferral, Graham, and Blanchard were present with our guest Myers. We had a delightful meeting.

We told Myers that he was the guest of the entire Club. It has seemed to me, therefore, as though the expense of the occasion should be borne jointly, and if this seems to you right and appropriate, will you sit down and mail to Hayden your check for your share. The bill amounted to \$10.60. Omitting our two intended guests, McWilliams who has been away all the year, and Lupton, who is ill, there are left nine, like the number in the New Testament parable, who should have been present, not to "give thanks", but to have expressed good will. If you send Hayden \$1.18 apiece, he will have 2¢ left as his salary for this year and next. May I suggest that you send him the check before you forget this letter.

Our next meeting is October 21st. The host will be Wright, and the reader McWilliams, if he is in town as I suppose he will be,

Cordially yours,

Fred Blanchard

Cleveland, Ohio.
November 6, 1929.

Dear Fellow Alathians:-

At the last meeting at dinner time there was an informal discussion of one matter which I am herewith referring to the whole Club for final decision.

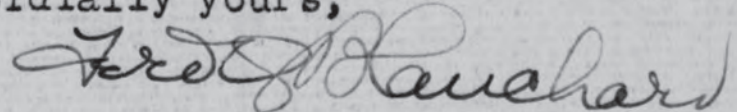

The Epworth-Euclid Church parlors were so pleasant a place in which to meet, the location is so central, and restaurants all the way from Wade Park Manor to the Standard Drug Store so conveniently near, where the host can entertain, that the question was raised, would it not be a wise plan to meet in the church parlors every time, letting the host select the place for dinner from among the various possibilities only a few steps away.

Wright very cordially offers the use of a room if this plan should be approved for our meetings. There is, however, one definite limitation which should be frankly taken into consideration. The Methodist people do not wish to have any smoking in any of the rooms of the church. It is a feeling we should have to regard, of course, and it will place, it must be understood, a definite restriction on our freedom in this respect.

Will you think the whole thing over and let me have your frank vote on the matter at once?

Philip Bird, who is the next host, will wish to know immediately whether to plan for the meeting at his house or to conform to the arrangement considered at the last meeting and herewith laid before you. This, of course, is a secret ballot by necessity. Wright will not think you call in question his hospitality if you prefer the present freedom in the matter of smoking during the meetings. If the combination of various conveniences more than offsets this one restriction, register your vote that way.

Cordially yours,

FQB:LEW

My dear Rev. Blanchard:-

I think that it was very kind of Rev. Wright to offer us the use of the Epworth Euclid Church for the meetings of the Alathians. I, for one, am ready to forego smoking during the lecture hour, with the understanding that this is not to be regarded as a triumph of Methodism....

My dear Rabbi Silver:

I assume that Joel Hayden called you up sometime ago and explained the plan which we decided upon at the luncheon to Kirk O'Ferrell whereby we decided to ask Dr. McWilliams to give his address on Russia while the matter was still most fresh in his mind. I do not know, however, what exactly was arranged with you and whether you preferred simply to defer your paper until November or make an actual exchange with McWilliams whereby you would come in his place in February. The disadvantage of this, of course, is that your next turn to read would come measurably soon after the February date; whereas if you read in November the alignment is not materially effected.

Bishop Rogers is willing either to read in November in the event that you exchange places with McWilliams, or to read in December if you take the November date, simply pushing the assignment along one month.

Would you be so good as to let me know soon which is your preference because Rogers wants to have his date in mind.

Only today have I gotten a definite line on the proposal to go to Oberlin with Tom Graham for our first meeting, next Monday. The answer seems to be "no". To the Members of
the Alathian Club:

Gentlemen:

At our October meeting we discussed the question of adding Ferris and Culler to our membership. We invited them to meet in November with us, but through unavoidable circumstance we were delayed in having them until December. If we pass on the question in January, and decide for either or both of them, it will be February before they attend a meeting. Such a record makes us a close second to the United States Senate for expeditious action. Moreover, it deprives either or both of them of the felicity of our company for but three meetings at the most this year.

I, therefore, am suggesting that a vote be taken by letter on whether or not you wish either or both of them, or neither of them to be invited to become a member. I shall regard any negative vote as holding up the matter until it can be discussed at a meeting. I shall also regard any request that the matter be not settled at all by this method as sufficient to defer it until January.

I "beseech you, therefore, Brethren, by the mercies" of the Alathian Club not to leave your message by phone through a secretary. I realize the hesitancy some of you have to get your name on a piece of paper, but please chance it this time and I will not take advantage of it.

Cordially yours,

My dear Rev. Blanchard:-

I am returning herewith the manuscript of the paper which you read before the Alathians. I am grateful to you for giving me the pleasure of reading it.

I find myself in complete accord with the position which you take. Among my own colleagues in the Jewish ministry I have endeavored to stress the importance in dwelling upon the timeless rather than the timely in preaching. Those who wish to be "up-to-date" in their preaching soon find themselves outdated and out-moded.

I have always admired your utter spiritual frankness and your complete intellectual honesty.

Dear Alathian friend:

We missed you at the first meeting of the Club at my home the other night. We had the usual amount of rag-chewing and, all in all, the usual good time.

I reported to the Club that, since late last season we had been out of the double postcards we used for notification and that a new supply with the necessary printing would make necessary a slight assessment of 75 cents per.

If I were sure you would be at the next meeting I would let it go until then but I think I had better suggest to you that you send along that little amount and I will get the cards out at once.

Very sincerely,

March meeting is on the 26th instead of the 19th.

Cleveland, Ohio
February 27, 1934

To the Members of the
Alathian Club,

Respected Brethren:

At the meeting on February 26th it was decided that it would be well to omit the meeting scheduled for March 26th. The matter was urged with great earnestness and singleness of heart by the Rev. Louis Wright, D. D. on the ground that the meeting, falling as it does in Holy Week, comes at a very inopportune time.

The Reverend Dr. Wright being the reader for the next meeting, no suspicion was aroused that he had any personal feeling in the matter, and it was, therefore, voted unanimously to omit the March meeting and to carry forward the program one month to April 23rd: McWilliams to entertain and Wright to read.

It was further agreed that the members of the Club might do well to consider a May meeting this year in view of the omission of the March meeting. This May date would be the 28th. It was felt best to defer to the April meeting the decision regarding May and as to whether a paper should be read on this occasion or a May Queen chosen and a May dance be held.

Please bear this date and matter in mind. Given under my hand and seal this 27th day of February in the year of our Lord, 1934 and of the Independence of the United States the one hundred and fifty-eighth.

To the Members of the
Alathian Club,

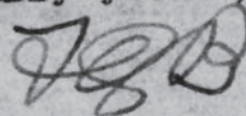

Gentlemen:

It seemed appropriate and right at the time of the funeral of Philip Bird's mother for the Club to send flowers.

This was done after a hasty conference which was possible with two or three members. I think I may safely assume that all will acquiesce in the arrangement.

The bill amounts to \$15.00. There are twelve of us to pay, since Tommie Graham is not home. This will readily reveal itself to your educated minds as \$1.25 a piece. If you will kindly see if you can raise this amount by some process and forward it to me in negotiable currency, I will see that it is duly applied to the purpose.

Hopefully yours,

Dear Fellow Alathians:

Here is the schedule of meetings for the year, beginning September 24. Please keep this for reference because it is the only one that will be sent out.

It seemed best on conference not to plan for a regular Club meeting in Gambier. Out of town meetings have always been carried through with difficulty. We understand, however, that Bishop Rogers would be delighted to see any Club members who individually or in a small group make the trip.

Please note that Phillips entertains on November 26 in place of Bird who took Phillips' date in March.

The obligations of one sort and another under which Mr. Lewis found himself, particularly in the matter of travel, made it impossible to arrange a date for a conference with us. He has been constantly out of town since his arrival in Cleveland on a succession of trips. As he is to return to China in the early autumn, it looks as though we should miss the opportunity of meeting with him, although he was very cordial to the idea.

To the Members of the
Alathian Club:

The next meeting of the Alathians will be on Monday, September 24th at 4:45 P. M. The paper will be read by Rabbi Silver upon the topic, "The Decline of the Individual".

There are complications in regard to the settlement of the place of meeting and the host which at this date it has not been possible to clear away. You are asked, therefore, to give a few moments of your extremely valuable time to stating on the inclosed card if you will be able to be present. By the end of the week we shall communicate with you again letting you know where the meeting will be held. It will not be out of town, but somewhere in the usual area so that you may be free to announce yourself as coming without fear that any longer trip than usual will be required to attend.

FERD. C. BLANCHARD, President

November 27, 1934

To My Fellow Alathians:

On Saturday morning I received, as most of you did, an invitation from Mr. Knebel to a Y. M. C. A. tea to meet the new Metropolitan of the Russian Church. I was on the point of calling him up Monday morning to say I could not attend, when he forestalled me, saying that he had received a letter from Miles Krumbine stating that he could not attend and explaining that his inability to do so was due to the meeting of the Alathians. Mr. Knebel was quite distressed ~~at~~ the situation. I gathered that the absence of the eight or ten Alathians would, in the language of I Hezekiah, "put his show on the blink". He asked if there was not some way in which we could arrange to be present.

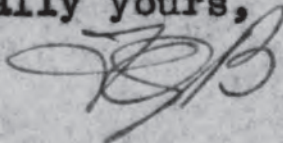

I realized that it might be a little difficult to keep the Metropolitan of the Russian Church in captivity for any length of time, and that it might be easier to give up our meeting as a matter of courtesy to him, postponing our program of arrangements for one month. I appreciated further that this would give the Bishop a chance to write the paper and allow Harold Philips more time to ~~raise~~ *place* a mortgage to pay for the dinner.

Accordingly I took the responsibility of telling Mr. Knebel that if the two principals in the crime of the afternoon were willing to be called off, and if he would delegate ~~the~~ secretary to call up all members of the Club, we would give up our plan for his.

I believe that every member of the group except Dr. McWilliams, whose association with the University made him a suspect, and Graham, whose recent stories have not been properly censored, and Joel Hayden, who was suspected of being a Bolshevik, had been asked to attend; in other words, all the ministers, including Wright, only recently fallen from grace. I think all but one or two were present.

I call to your attention the fact that the next meeting of the Club with the program set for this month will be held on December 17th. Please note that, owing to Christmas, this is the third Monday and not the fourth. I trust that these arrangements will commend themselves to your mercy.

Cordially yours,

Dear Fellow Alathians:

You are aware that the Club is to lose the fellowship of our secretary who leaves for his new work in Massachusetts October 1st. It will be in accordance with our custom to arrange for the meeting before he leaves September 23rd as one at which he will be our guest. As he was slated to read it will be especially appropriate to give him the time to speak to us.

It has been said of a Bostonian that "you can always tell one, but you never can tell him much". Before he becomes a full fledged one we shall want our opportunity, also, to tell him some things.

The meeting will be at the Cleveland Club at 6:30 P. M. with the plan of eating first and talking at the table afterwards. If by any chance you cannot be free that evening until 8:30 or 9:00, will you let me know at once or sooner. In the event that several who could be present from 4:45 to 7:30 cannot adapt their program to the modified plan, we can follow our regular routine.

To the Members of the

Beloved Brethren:

You asked me at the last meeting to perform as a sleuth and determine what may be the attitude of the Club members towards one Oscar Olson.

At least three members would definitely vote against him. So that is that.

We have no constitution, (wherein we may be happier than the Deomocratic party,) but I should suppose that we would be agreed that even one "black ball" would settle a man.

Yours ever,

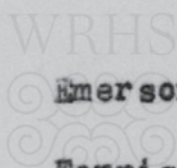

Edw. J. Lanchard

Fellow Alathians:

I have had two telephone calls asking if any arrangements have been made for the Alathians to go in a group to the funeral of Mrs. Lupton tomorrow. I have had no word upon the matter and I conclude that those in charge of the funeral have not considered that it would be feasible to make any such arrangement. As it will doubtless be impossible, moreover, for all the members to be present it would seem best to leave the matter to the individual plan of each man.

After consultation with one of the men whom I could easily reach by telephone, I have assumed the responsibility of sending to Dilworth a note on behalf of the club, enclosing an amount which would be substantially what a spray of flowers would cost, with the suggestion that at his convenience sometime he use it in some form of charity in his wife's name. We have already sent flowers as a club and perhaps during his wife's illness have done something as individuals. It seemed as though this would perhaps be a more personal way of expressing our sympathy, and one which would be in closest harmony with the spirit and wish of his wife, as well as himself.

EUCLID AVENUE CONGREGATIONAL CHURCH

Cleveland, Ohio

October 12, 1937

Fellow Alathians:

Sometime ago you requested me to ascertain the minds of the members on inviting Osear Olson to membership, there having been some doubt as to the sentiment. I found at least three not ready to vote for him. Because it was thought that the distinguished president of Baldwin Wallace was one of those having reservations; and because, strange as it may seem, the club has great regard for his opinions and feelings, there has been no further move in the matter. But there has lingered a regret, particularly in the case of several who were Olson's friends in other cities. In justice to them, Olson, and to Louis himself, I took it upon myself to talk with the latter recently. He has no objection whatever now to action being taken and would vote to invite his successor into the membership. This being so I suspect the other formerly negative votes will change.

I write you this because I shall probably be unavoidably absent October 25th, the annual conflict with an Alathian meeting which I cannot wangle around. I am asking if the Secretary serving as chairman will let anyone who cares to bring the matter up, and if the desire still prevails to invite Olson, we can do so then. I give my vote for him in advance.

One other matter. Mr. Poteat was mentioned last meeting. I have met him and heard about him. I feel definitely he is a man we want after a while. But I am just as definitely opposed to inviting him now. I believe no man should be invited until all the members have met him and until he has been some time in Cleveland.

Cordially yours,

Ford Q. B.

To Members of the Alathian Club,

Venerable Gentlemen:

I am hereby breaking the news to you that I purchased flowers for Harold Phillips as the Club directed me to do and there now remains only the item of paying for them. Making due allowance for those who will forget to answer this and those who haven't the cash, it will cost you each twenty-five cents apiece. Please forward the same, United States money, on return mail. You will not get a receipt but you will have my thanks.

Cordially yours,

F. L. Blanchard

My dear Dr. Blanchard:

I have been invited to deliver the Centennial address at the celebration of the oldest Jewish congregation in St. Louis on Monday, November 28. In looking through my schedule, I discovered that I am to be the reader at the Alathians on that day. I wonder whether someone would change places with me in order to make it possible for me to go to St. Louis on that day. I will be glad to take the Paper either in December or January.

My dear Rabbi Silver:

I have no doubt that one of the men will exchange with you. I note by the schedule that Rogers would come in December. I presume there is little likelihood of his being with us at all this winter. As I understand it, he has no definite plans as yet but I suspect that we shall have to rearrange the schedule assuming that he is out of it. That would make Phillips the December reader and bring Patterson up in January, Olson in February, Lupton in March, and Krumbine in April.

It occurs to me that possibly Olson would exchange with you as he did not have to read at all last year, or since he came into the Club. I think it will work better if you take it up with the men individually and whatever you can work out will, of course, be altogether satisfactory.

With kindest regards as always.

At the last meeting of the Alathians it was unanimously voted by those present, to extend an invitation to Poteat and Tucker to become members of the Club. We did not wish to make the action final, however, without consulting those who were not able to be at the meeting.

May I have a word from you as to what is your feeling in the matter. We proceeded on the understanding that any negative vote would hold up action.

Dear Rabbi Silver -

I am exceedingly sorry to have to miss the meeting of the Alathmans at your beautiful home next Monday. We are planning a family reunion at Princeton for the week-end. Howard Jr. is there, Janet will come down from Smith. Bradford from Joel's Academy. Mrs. Wells and I will motor on the Navy game on Saturday - Chapel on Sunday. I won't get back until Wednesday.

You will have a grand time I know. the goodly fellowship of the Alathmans, a stimulating

paper by the headmaster, the
comfort and delight of your
hospitality - all this polished
off, I trust, by a portion or
so of the fruit of the Palestinian
vines. Surely a super-super
time which I am doomed to miss,
to my loss.

Sincerely yours

My dear Dr. Silver:

I can't tell you how disappointed I am that the Alathian schedule for this next week is going to make it impossible for me to share in your story of your experiences in England.

My annual congregational dinner and business meeting comes on this date and it is imperative that I consort with these Methodizers for the evening rather than having the delight of being with the Alathians.

Yours sincerely,

Fellow Alathians:

I desire to supplement the secretary's notice by a word of emphasis and also of explanation.

The explanation is this: It seemed as though it would be a most interesting thing to have Rabbi Silver talk informally with us about his impressions of England. After strenuous exhortation we convinced Dean Emerson that he ought not to insist on reading his paper this month and he graciously consented to reserve it for September with the idea of working upon it all summer. This being arranged it seemed as though it were better to have an informal talk after dinner than to follow our usual routine; hence the plan as it finally evolved.

The emphasis is on the hour. Please note it, - 6:30, and don't keep Mrs. Bird waiting for latecomers to come along with lame excuses.

Ever sincerely,

Fred G B

My dear Rabbi Silver:

At the meeting of the Alathians on Thursday when they were considering the matter of the next meeting, at which you are set down to read, they asked me if I would be good enough to raise a question with you which I would not convey as a request, but as something which I would convey to you as a suggestion, subject to your own judgment in the matter.

Would you care to discuss, perhaps not in the shape of a formal paper, but as you might care to present it, the situation in regard to Palestine and the hope for the Jewish state there. They did not have in mind a review of the situation as it has appeared in the various printed pamphlets which we have all received. They thought you might find it possible to give certain inside impressions and views which would not be for publication but which would illumine the whole matter. Perhaps you would not feel free to do this and of course, your judgment would be final. If you felt you could not go beyond what has been publicly set forth, please forget the suggestion and go forward with whatever was in your own mind. Your peculiar and intimate relationship to the matter will, you understand, justify our suggestion.

Cordially yours,

My dear Dr. Blanchard:

Thank you for your letter of March 28. I shall be very happy to discuss with the Alathians the present situation with reference to Palestine. It will be an informal off-the-record talk and may give the Alathanians some of the facts which they are interested in.

With all good wishes, I remain

Most cordially yours,

My dear Dr. Blanchard:

I feel very unhappy over the fact that the last meeting of the Alathians had to be called off. You probably know from the newspaper accounts that an emergency has arisen with reference to Palestine and that action had to be taken to avert if possible what we regard as a most unfortunate development in the situation. As you probably know, I am chairman of the American Zionist Emergency Council, and a great deal of the responsibility for the work rests on me. I had to leave at a moment's notice for Washington and New York. I am very sorry that I caused such inconvenience and I do hope that I will have the pleasure of acting as host for the Alathians in the very near future. My humblest apologies!

With all good wishes, I remain

Dear Rabbi Silver:

I hope you will not feel the slightest embarrassment about your necessity of cancelling the Alathian meeting this week. It was one of those situations, the necessities of which made it inevitable for you to give up the entertainment of the Club Monday night.

Had the attendance indicated that there would be a large turnout, we might have engineered some shift, but since it appeared that for one reason or another the number coming was unusually small, the simplest thing seemed to be to give up the meeting entirely. I am not sure whether, as the secretary worked things out, he had in mind postponing the whole set up for the meeting until October and thus shifting all the dates ahead one month, or whether he was going to make some other adjustments. You will hear from Wells, I am sure, almost immediately.

So there are no apologies to offer, but very best wishes, as always,

Cordially yours,

At the last meeting, it was voted to ballot on Dale Fiers for membership in the club. As you know he has been a guest at one of our meetings, he is pastor of the Euclid Avenue Christian Church, and is President of the Cleveland Church Federation at the present time.

Will you please return your vote to the secretary, a "yes" or "no", unsigned will do.

Chairman Blanchard points out that we have lost three from our roster, Bird, Ferris, Graham. This means diminished attendance at meetings, also more frequent participation in program. There are only 12 active members now. Thought should be given to replacements.

OFFICE OF THE DEAN

Rabbi Abba Hillel Silver

Dear Dr. Silver:

Our mutual friend, Dean Graham, is scheduled to retire from Oberlin College at the close of this academic year after twenty eight years of service.

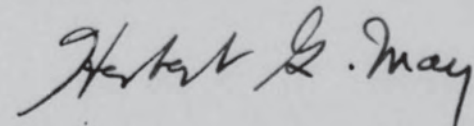

Several groups of Dean Graham's friends - students, alumni, faculty, Y.M.C.A., ministerial, and persons in different fields - have been considering ways in which they might recognize more fully Dean Graham's achievements and might in some specific way honor him.

From these various groups there has emerged a Sponsoring Committee which after much consideration proposed two ways of honoring Dean Graham. (1) The establishment of a Dean Thomas W. Graham Endowment Fund, the income of which is to be divided between scholarships and an annual prize for distinction in homiletics - two concerns of Dean Graham. (2) The securing of testimonials which will be bound in a volume and presented to Dean Graham as a gift from his friends.

The Sponsoring Committee invites friends of Dean Graham to share in these two ways of honoring him. Would you as an Alathian want to share in these ventures? We hope you will. Friends have been contributing from five to five hundred dollars each and have been sending testimonials on 8½" x 11" stationery. It is hoped that all gifts and testimonials will be received in Oberlin by May 22nd. Checks may be made payable to Oberlin College.

I believe you will want future student generations to know of Dean Graham's unusual service through Oberlin College and you will also want Dean Graham to know of your appreciation of his ministry.

Sincerely,

For the Sponsoring Committee

Dear Dr. May:

I am enclosing herewith my contribution to the Dean Thomas W. Graham Fund which is being established in honor of Dean Graham. I am eager to join in this deserved tribute to a man who devoted so many years of his life to the advancement of the cause of true religion. I have had the privilege of association with Dean Graham through the Alathian group here in Cleveland, and it has been to me a source of constant joy and stimulation.

Most cordially yours,

Dear Dr. Silver:

No one of the letters which the B'nai Brith of Elyria presented to me on Monday night warmed my heart more than did yours. Your taking time out of your tremendously busy schedule to dictate a personal note to me greatly pleased and humbled me.

After twenty-eight years in Oberlin it will not be easy to move to Old Greenwich, and you know well that one of the more serious wrenches will come through the necessary breaking of the Alathian ties. I have found a high satisfaction in our friendly meetings, and a very particular one in your part in them. No small part of the "broad tolerance and deep sense of religion" which you attribute to me I owe to my long association with you.

May God grant you many more years of prophetic leadership.

Very cordially yours,

T. W. Graham, Dean

Dear Dr. Silver:

Please accept my personal thanks, along with this acknowledgment from the College Treasurer, for your generous gift for The Thomas Wesley Graham Endowment Fund at Oberlin College in honor of our retiring Dean of the Graduate School of Theology.

You will be receiving from Dr. Howard M. Wells a similar receipt acknowledging your second gift to this Fund, made in company with other members of The Alathian Club. The testimonial tribute from this Club is being added to other such letters that have come in, and these will be bound and presented to Dean Graham at our Alumni luncheon next Monday.

With warm appreciation of your part in this plan to honor Dean Graham,

Very sincerely yours,
