July 19, 1948.

Dear Friend:

IF you consider yourself an American of Jewish faith - a Jew in religion, an American in national loyalty ...

IF you regard Judaism as a religion - not a nationality or race ...

IF you oppose the segregation of Jews, and favor integration, so that Jews may enjoy full equality with citizens of different faiths ...

THEN you belong in the American Council for Judaism!

When you mail the enclosed membership card, you join with increasing thousands of Jews who favor integration of American Jews with American Protestants and American Catholics -- with national loyalty to one country only, America -- and differing from other Americans in religion only. This is the alternative to the dangerous program of political Zionism and Jewish "nationalism".

Your membership, by giving us "strength in numbers" as well as financial aid, will help us support and strengthen the above policies through education among Jews and non-Jews.

If you agree with the above, lend us your support by mailing the membership card in the enclosed envelope today.

Very sincerely yours,

*Lewis J. Affelder*

Lewis J. Affelder, Chairman  
Cleveland Chapter, The American Council for Judaism

### *What is the Council?*

A national organization of Americans of Jewish faith dedicated to an educational program consonant with its basic principle: "Our nationality is American; our religion is Judaism; our homeland is the United States of America." Rejects any concept that Jews are at home ONLY in Palestine; insists that the nationalism of Zionist State in Palestine be confined to its boundaries; that no Jew or group of Jews can speak for or represent all the Jews of America.
