My dear Friend:

Permit me to acknowledge your kind letter of October 16 and the contribution totally \$6000.00 which you sent me. I need not tell you how profoundly grateful I am for this generous gift of yourself and your friends, which I am sure will help along our cause greatly in this grave hour of decision. You have not sent me the individual addresses of the donors (except of Mr. Dewey David Stone) so that I am unable to acknowledge their contributions individually. Will you therefore convey to each of the contributors my deep sense of gratitude?

With all good wishes, I remain

Most cordially yours,

My dear Friend:

Through the courtesy of Mr. Y. D. Markson, I received your generous gift of \$1000. I want to tell you how profoundly grateful I am for your helpful cooperation. Your gift, and those of your friends in the New England Region, will be very helpful in doing important things for our cause which otherwise could not have been done.

I hope that you will find the time to serve actively on one of the important committees of the Zionist Emergency Council. We have embarked on an intensive program of activity in connection with the abrogation of the infamous White Paper, and the education of the American Public about the Jewish Commonwealth. We have greatly enlarged our staff and we have established a special office for contacting with local or regional emergency councils of which yours, in New England, is one of our first and one of the best. Our office will keep in closest touch with your group.

With all good wishes, I remain

Most cordially yours,

AHS:BK
